2009 Championship Season Entries

Shortly we will be entering teams for the upcoming 2009 Championship season. If you are not intending to play in the next season please notify your coach or age level coordinator ASAP so we can organise our team numbers accordingly. Similarly if you haven't paid your YMCA registration which was due last September please ensure you contact the club to make arrangements to do so, to avoid the disappointment of players missing out for next season.

South Dragons head into Finals

There will be special interest in the NBL

finals this year as one of our YMCA players, own Nathan Herbert takes to the court to help win the title for the South Dragons. The Dragons coached by Olympic coach Brian Goorjian have already had a very successful season this year finishing on top of the NBL ladder after finishing

on the bottom the previous year. This is the first time this has happened in almost 30 years of NBL action.

Nathan in his second year with the Dragons is averaging 8 points per game in almost 20 minutes of game time, and has been a significantly contributor off the bench. All finals games are being telecast on FOX sports, and we wish Nathan and the team all the best in their finals campaign against the Melbourne Tigers.

Sponsorships

Again a special thanks to our generous sponsors who give great support for the club with wanting any recognition. <u>Kempe International</u> and <u>Roderick Insurance Brokers</u> have been long time supporters of our club.

Coaches Wanted

Another appeal to any of our current or former players or members that can help out with coaching some of our junior teams. The club is willing to pay for coaching courses, and will also provide guidance and assistance along the way. If you are interested please contact one of our hard working committee members.

Check out our Website

If you haven't already, check out the YMCA basketball club website and keep up to date with all the news and also learn a little bit about the history of the club which has been going for over 50 years, and produced some of Geelong's finest basketball players including former Olympians Trish Fallon and Russ Riches. The web address is www.ymca.geelong.basketball.net.au

\$\$ Walkovers Cost Money \$\$

Recently we the club has incurred a number of fines due to forfeits and walkovers where insufficient players turned up on the night and games were cancelled. Every time this happens it costs the Club money, it can ill afford to pay. Please make sure if you are unable to play on a particular night that you make sure you give your coach as much notice as possible so replacement players can be found and the club is not fined for an unnecessary walkover

Finals Series

Best of luck to all teams competing in the upcoming finals series of the Summer 2008/2009 season. If you have the opportunity to get out and support some of our other teams I am sure they would appreciate the extra barracking.
