BOWLS NIGHT

Your committee is looking into the possibility of a Bowls Night as an alternative to the Golf Day. Holding an event early evening will open up the numbers able to participate in a fun competitive game. If held it will be late October or early November when the weather is suitable. More on this subject later this year.

2011 ANNUAL DINNER

Kuljak is celebrating the 50th anniversary of the formation of the first WA junior teams at the 2011 Annual Dinner. The 1961 & 1962 team members are invited to attend the dinner to celebrate the occasion.

KULJAK WEBSITE

We urge members to look up our website www.kuljaklacrosse.com to see our club history with material from Harold Horner our founder and from our current treasurer and life member Ian Toy.

PERTH LACROSSE CLUB

Kuljak member Rob Peirce is organizing a reunion luncheon for members of the old Perth Lacrosse Club.

Venue: Royal Australian Air Force Club
Bullcreek Drive, Bullcreek

Date: 13th April 2011

Time: To be advised.

Cost: To be advised.

Please feel free to make contact with Rob on 9341 7514, or rope41@bigpond.com to express your interest and perhaps you may have contact details of other players, administrators and supporters who may be interested in attending.

By coincidence this date for lunch is also the date for our AGM that night. For some it will be a long lacrosse day.

SAD NEWS

We are sorry to inform that member Ron Wheatley (ex player, referee and LWA President) has passed away peacefully at the Murdoch Hospice on 25.01.11

ANNUAL GENERAL MEETING

Our Annual General Meeting is being held at 7.30pm on Wednesday 13th April 2011. It is hoped to hold it, at Rosalie Park in the Subiaco clubrooms. However due to alterations being carried out in the clubrooms we may need to transfer to Floreat Oval. More on this later, but we ask you to record the date in your calendar.

KULJAK VICE PRESIDENT'S POSITION

We will be looking for a Vice President as Doug George our current VP is taking on the President's role, as Graham Rose's term will be ending. Any expressions of interest please contact me on; salmon3@bigpond.com

MISSING INFORMATION - LWA

Our thanks go to the people who have been assisting with the compilation of missing names and dates for past administrators of LWA. Malcolm Stokes was first off the rank with information by filling in nine gaps, still many more gaps need to be filled in to achieve 100 percent accuracy for this important data for a future honour board.

BUSH FIRES

Our thanks go to the fine work of those involved in containing the horrendous bush fires on Black Sunday. Our member and recently retired LWA president Gary Kennedy was vitally involved in the planning and organization of this operation.

MEMBERSHIP

Membership over the last calendar year had a net increase of 13 members, an improvement of 10.5% to 136. Keeping in contact with members is made easier using email addresses, so please let us know of any change to your address.
