\* In 1971 the official PNG National Records made no distinction between fully automatic timing, and hand timing. The 14.84 NR, set in the 1971 SPG was recorded as 14.8 in the list of "Papua New Guinea Open and Resident Records as at 1/9/1973". The 14.8 recorded by Raki Leka was run on the same day as the 14.84 seconds NR, and is actually the same performance. Raki Leka's next best hand-timing performance was 14.9 seconds in Port Moresby on the 13/8/1971. It is now the equal fastest hand timing for the 110m Hurdles.

\* Relay teams may include non PNG citizens - but not for record purposes. This convention was introduced in the 1970's and has continued to the present. Very few expatriates now compete in the sport, but it was common pre-Independence and in the early years of of Independence.
