

													1
A Brief History of Senior Rep Basketball in QLD.													
The Maroochydore Eagles Basketball were one of the eight original Clubs who formed the State Basketball League (SBL) in 1986													
The SBL latter became a member of the Continental Basketball Ass.(CBA) then the Australian Basketball League (ABA)													
The Queensland Conference is known as the Queensland Australian Basketball League or the (QABL)													
The Maroochydore Club started as the Maroochydore Sea Eagles in an attempted to involve all Clubs on Sunshine Coast we changed our name to the Sunshine Coast Sea Eagles. In 1996 there was a committee of Caloundra, Nambour, and Maroochydore formed to organise and run jointly and financially the Club to be known as the as the Suncoast Clippers. This lasted one year													
In 1997 the Maroochydore club were retuned sole rights to the license, and the Men's team went on to win the National Championship													
In 1999 the Maroochydore Basketball with other foundation Clubs of the SBL formed a new Coference known as the Southern Cross													
It took a few years for Queensland Basketball to accept the Southern Cross which eventully became the South Conference of the QABL													
In 2007 Basketball in Queensland returned to a full State Competition with 15 Clubs all with Ladies and Mens teams													
Below we have tried to give an as accurate as possible history of players and family of players in this Club. We now acknowledge Players and Coaches that have played or coached 100 games in an elite band known as the Centurions Club. We will be expanding to Referee's and to all the workers who contribute to making it possible to able to bring the QABL to our Stadium.													
We have also tried give player history of those who made Queensland teams while playing with Maroochydore gone on to USA College, AIS, NBL WNBL and Australia and also the MVP for every year. We have also tried give players a number in the Club,although it may not be as accrute as we would have liked in the past it now gives us a benchmark for the future and any new player will have their number recorded from their first game													
We have also tried to link members of families together who have played at this level, Husband,Wifes ,Brothers, Sisters,Sons Daughter and ect.
