

Laurimar Football Club

Power Cable

We're Powering Ahead!!

The club has got off to a great start in its first season!!

We have fielded two Under 9's teams this season and I am proud to announce we have already had our first win of the season!!

We also have well over 150 AusKickers which shows we are set to become a very large junior footy club as we move forward.

The committee is continuing to do a fantastic job. I am very proud to be working with them all, their dedication to providing a professional football club for our community overwhelms me.

I am equally overwhelmed by the continuous praise and gratitude we receive from you all. As a small group of volunteers, it is very rewarding to hear you are all happy with how things are going.

Laurimar FC will be holding it's first Trivia Night on the 11th June at The Power House (Club Rooms). Tickets cost \$20 per person. Details of the night are included in the newsletter. I hope to see as many of you there as possible.

If anyone is interested in helping out around the club on one of the sub-committees (social events, fundraising, communications, etc.) please feel free to come and talk to myself or one of the committee members.

Also in the newsletter you will see we are announcing the start of the Power Basketball Club. We will be registering a few teams

into the 2011 Summer Season. We do not anticipate growing these numbers beyond 5-6 teams but if you are a group of friends looking to play together you're more than welcome to come and play for the Power.

Finally, good luck to the Under 9 Teal side who are away this weekend to Yarrambat. The Black team are enjoying a bye this weekend.

Proud owner of a Laurimar FC Jumper...

You may recall that Cam Robson was the lucky winner of the 1st prize at the launch event back in March.

He won a framed Laurimar FC Jumper and received it this week.

Cam is looking to increase the appeal of his Rumpus Room by replacing one of his Collingwood Jumpers for something a little more prestigious :-)

Congratulations again Cam, we hope you enjoy it!!

Training will be held on Monday / Wednesday evenings from 4-5pm.

We are also looking for volunteers who are interested in being a coach or team manager.

Fair Play Policy

We will be operating a Fair Play Policy where all children will receive equal court time.

Our aim is to provide our children with a small, friendly club, where they can play with their friends

Club Song

We would like to advise you that we have made some changes to the club song, The reason being to make it shorter and easier to learn for the children.

We are expecting to receive an updated version from Tim Hemphill, the Laurimar Primary School music teacher. As soon as we have this, we will make it available on the club website for download.

In the meantime, we have provided a printed copy of the song lyrics to all of our junior football players.

We would ask that you encourage them to learn the words so they can join in with the rest of the team when singing the song.

We will be getting the teams to sing the song over the next few games, win or lose, just so they get used to singing it so they are ready to sing with gusto when the next win comes along!!

The song lyrics are to the right, please take the time to learn the song yourself and assist your child in learning it.

And, don't forget...We're the Power!!

Laurimar Netball Club continues to go from strength to strength!!

The Laurimar Netball Club is continuing to go from strength to strength and now boasts over 90 players and 10 teams.

One of the teams is unbeaten so far and it is looking very promising that they continue this unbeaten run throughout the season.

The Football and Netball Clubs continue to work closely together and it's great to see so many families getting involved with both sports.

We're sure this will continue in the future and position 'The Power' as a fundamental part of the community.

The Netball Club will be organising a shopping trip around Melbourne in October and would like to offer

all Laurimar Football Club parents an invitation to participate in the trip.

If you are interested in coming along on the shopping trip, please contact Kath Scott on 0403 971 499 or kcharlie@yahoo.com.au for more details of the trip and to register your name on the expression of interest list.

Once again, we would like to thank everyone for supporting the Laurimar 'Power' Netball Club.

If you are interested in joining the Netball Club, please feel free to contact Kath Scott (contact details above).
