

U/16 OPEN TRIAL WED 5th SEPTEMBER 2012

The **Mediterranean Rugby League** will once again be competing in the annual **U16 NSWRL Origin Harmony Cup** to be played on Saturday 6 October 2012 at St Marys Leagues Stadium. Last year the Mediterranean side enjoyed a successful debut tournament making the final four and earlier this year were finalists in the under 17's ATP Redfern Harmony Nines competition.

We are looking for players that are from **Mediterranean or Middle Eastern** backgrounds.

Strictly we will only accept players who:

- Have NOT REGISTERED in the 2011 & 2012 Harold Matthews Cup competition
- Are registered during 2012 with a NSWRL or CRL Junior Rugby League Club
- Players who are born in the year **1996** or **1997**
- Only a maximum of 5 players will be selected from those born in 1997

We emphasise that all players are to be registered in 2012 with a NSWRL or CRL club. Players who have played in **Development Squads** but haven't been registered at Harold Matthews level are allowed to trial for a position in the side.

There will be an open in-house trial match on Wednesday 5 September 2012 at the Terry Lamb Complex located on Banool St in Chester Hill. All players should arrive at 5.30pm for registration with kick off will commence at 7.00pm. Jerseys will be supplied, but all players must supply own shorts, socks, boots and tape.

The purpose of the single day U16 Origin Harmony Cup tournament is to:

1. Broaden Junior League participation base for non-junior representative players
2. Provide opportunities for players to participate at a representative level
3. Develop an appreciation for cultural diversity within Rugby League and the wider community
4. Assist the international development of Rugby League through an additional junior programme
