

# PACIFIC ISLANDS ATHLETICS STATISTICS # 5/95

August/September, 1995

## 1995 RANKING LISTS

It has not been possible for me to do the End-Of-Games Ranking Lists - many of the results from pre-Games competition have not reached me, and my return to work has given me other priorities.

When all of the information is in, I will be able to do these lists and send them out - probably in P.I.A.S. #6/95.

In my last Ranking Lists I included many performances by Tahiti athletes which featured in P.I.A.S. #3/95. Unfortunately I will have to delete these results from the lists because I have been unable to confirm their accuracy.

## OCEANIA ISLANDS' EUROPEAN TOUR

Summary

18 New National Records  
6 Other Personal Bests  
1 World Championship & Olympic A Qualifier  
3 World Championship & Olympic B Qualifiers by 2 different athletes

It proved to be a very good preparation for the South Pacific Games in Tahiti. In the SPG Jone Delai and Peter Pulu once again gained Olympic Qualifiers and most of the other athletes continued to improve to gain pb's and NR's.

## SOUTH PACIFIC GAMES - Tahiti

Attached find the full set results from the 10th South Pacific Games held in Tahiti from 17th to 24th August.

I would like to thank Titaua Maurin and her team of workers for keeping the results flowing to all of the teams. They did their job with efficiency, good humour and accuracy. Thanks to you all.

It was from the official result sheets that I compiled the enclosed results package. If any mistakes have been made with the spelling of names, the order of the names or any other detail, then please do not hesitate to contact me. The correct, final results will eventually be published by Tony Isaacs in another of his Pacific Statistics Booklets, and also in my 1994-1995 edition of PNG Athletics - The Years in Review.

## NATIONAL RECORDS

Undoubtedly there were many fine National Records coming from the Tahiti Games, but I am unable to record them all here as the records of many countries are not known to me.

If National Associations can provide me with copies of their National Records, then I will be able to be more accurate in my reporting.

\* World Record

Of special note is Sergey Bubka's fifth straight PV World Title. He won the inaugural WC in Helsinki as a 19 year old in 1983 and has won the four titles since - Rome, Tokyo, Stuttgart and Goteborg.

**ATLANTA 1996 - QUALIFYING STANDARDS**

At this stage the only South Pacific Athletes (excluding Nadia Prasad) to have qualified for the 1996 OG are -

100m	Jone Delai (Fij)	10.32, 10.34, 10.39
100m	Peter Pulu (PNG)	10.40, 10.54
JT	Bina Ramesh (Fra)	58.14m

**SYDNEY 1996 - QUALIFYING STANDARDS**

The day after her 16th Birthday, Bina Ramesh threw the javelin 58.14 to break the SPB, GR and New Caledonian NR. The qualifying standard for Sydney was 49.70m.

A reminder to all, to be eligible to compete in the World Junior Championships in Sydney next year the athletes will have to be still under-20 on 31st December 1996.

**NEXT P.I.A.S. (#6 / 95)**

- \* Hopefully it will contain the Ranking Lists to the end of the South Pacific Games - if enough pre-Games information reaches me.
- \* A summary of New Caledonian performances for the year courtesy of Paul Poaniewa.
- \* A comparison of PNG and Fiji National Records - a project suggested by Atma Maharaj. (Now Atma - send me the Fiji Records for me to work on).
- \* A more leisurely look at some of the Games highlights - and some more analysis of performances.
