MORE RECORD BREAKING IN THE USA

Athletes from Fiji, Guam and American Samoa continue to show good form in the USA. Jone Delai continues his record breaking run. A new time of 10.26 (+1.7) in Stockton (Cal) has come to light. It was run the week before his 10.27 (0.0) in Fresno. At the same meeting (on 10th May) Soloveni Nakaunicina ran another good 400m - 46.48 to preface his breakthrough run in Fresno the following week (45.98).

Newspaper reports from Fiji indicate that Soloveni has equalled Saimoni Tamani's 45.82 from 1970 and Jone has equalled Samu Yavala's 200m best. We must await confirmation to get the exact times, location and date. Late news from *Athletics International* gives details of a windy 9.9 (hand timing) for the 100m for Jone at Los Gatos on 14th June.

Lisa Misipeka also continues to upgrade her NR and the SPB for the Hammer Throw with an improvement to 63.24m in Atlanta on 24th May. In the NCAA meet at Bloomington, Indiana she came second in the HT with 61.62 and created a new NR and SPB in the Shot with 16.02m.

Brent Butler from Guam (at University in San Francisco) has had a very good build-up for the Games in Pago Pago with an excellent series of 1500m runs -

| | | |
|---------|--------------|-------|
| 4:04.10 | Davis (Cal) | 08.03 |
| 3:52.6 | Fresno | 12.04 |
| 3:52.43 | Mt St Mary's | .05 |
| 3:52.24 | Edwardsville | 24.05 |

In addition he has run 14:57.72 for the 5000m at Stanford on 23rd April.

All of the above athletes are due to be in American Samoa for the Mini Games in August. Brent and Lisa will be seen in action in the South Pacific for the first time.

OCEANIA U18 ATHLETICS CHAMPIONSHIPS - SUVA

The third edition of the Oceania Area Under 18 Championships, sponsored by Courts (Fiji) Limited, was held at the National Stadium in Suva, Fiji, on Friday 11th July and Saturday 12th July. Of the 18 countries eligible to compete, 17 did so, with only the Marshall Islands failing to attend.

It was by far the highest standard of the three held to date and new records were created in 24 of the 33 events.

The weather was kind to those from cooler climates. The overcast conditions were very pleasant for competition and the lack of wind on the first day was ideal for the athletes.

The Arthur Eustace Sheild was awarded to Tonga for the performance of 'Aleki Toetu'u Sapoi with his stylish and convincing win in the Men's 300m Hurdles. Other strong contenders for the award were Ngaina Karena (NZL - WDT), Melissa Tucker (AUS - WHJ/TJ), Khama Ganley (NZL - MTJ), Liam Scopes (NZL - M3000m), Tokaikolo Latapu (TON - MLJ), Daniel Goulding (AUS - MDT), Odette Jesson (NZL - W1500m) and Sarah Phillips (NZL - W100m).

One of the crowd and media favourites was diminutive Chris Fotu from the Solomon Islands who had good tussles with the very much taller Australians and New Zealanders in the 1500m, 3000m and 2000m Steeple. He collected a full set of medals - gold, silver and bronze - to go with those he won in Townsville at the U20 Oceania Championship last year. Chris has been selected to represent the Solomon Islands in Athens.

Host nation Fiji did by far the best of the island countries. Many exciting new athletes were able to display their talents for the rest of the Pacific and will now be Pago Pago bound as a result of their performances here.

The full results of the competition and the final medal tally are found attached to this bulletin.

Any mistakes (including the spelling of athletes names) should be sent to me at the address below.

The results of the Tongan Inter-Schools Championships were listed in PIAS #2/97. The times for track events were all given in hundredths of a second, indicating automatic timing. It has since been found out that the times for all first place getters were fully automatic and the times as listed will stand. The times for the other finishers were semi-automatic and must be regarded as hand timing.

The hurdle height for the Senior and Open Boys 110m Hurdles was the same as that for Senior athletes and the times will therefore be included in the 1997 South Pacific Ranking Lists.

1997 SOUTH PACIFIC RANKING LISTS

Thanks go to all those who have contributed to this first edition of the South Pacific Ranking Lists for the year. I know that there are many gaps that need to be filled and I beg National Federations to send the results to me as soon as possible.

The next working of the Lists will be after the World Championships in Athens and the 5th Mini South Pacific Games in Pago Pago next month.

Again, any mistakes (including the spelling of athletes names) should be sent to me at the address below.

| CR | Championship Record |

The first edition of the championships in Canberra (1993) used Australian specifications for the hurdles and throwing implements. The second edition of the championships in Rarotonga (1995) used New Zealand specifications for the hurdles and throwing implements. This has led to a certain amount of confusion with the records. Now is the time for Oceania AAA to standardise the hurdle heights, length of hurdles races and weights of the throwing implements for their next Under 18 Championship in Guam in 1999.
