\* Inaugural Games Records. Javelin specifications changed in April '99.

The next edition of PIAS (#3/99) will have a day by day account of the South Pacific Games and an analysis of performance by country. It is expected that it will be posted by mid-July.

Following the receipt of more results from the region, it is hoped to be able to put out the progressive yearly ranking lists by the end of July. This will be PIAS #4/99.

Keep the results flowing to -
