Consistent with Whittlesea Pacers goal of 'Pursuing Excellence in Basketball through Personal Development' the following commitment rules govern all players. By completing and signing this agreement, the player and parent named below acknowledge that failure to comply with these rules may result in disciplinary action and/or omission from a team. A more common consequence will be reduced court time.

All players, regardless of team are expected to:

- Attend nominated Sunday and weekday training and skills sessions
- Attend all games and trainings when injured (although not when ill)
- Attend compulsory tournaments (currently Eltham tournament end of January & Pacers own tournament in March)
- Report all injuries to team coach and/or team manager before playing or training
- Be willing to negotiate the impact of school or other sporting commitments on your Pacers commitment
- Speak directly with the team manager or coach prior to not meeting one of these commitments

All parents/guardian, regardless of team are expected to:

- Pay fees in accordance with fee schedule
- Perform score table duty as requested
- Be an inspirational parent. Encourage your child to take responsibility for their performance and encourage them to discuss any areas of improvement directly with their coach
- Use good nutrition principles to improve your child's diet
- Be a shining example of verbal self-control. Use positive phrases and don't coach your child or other players from the sideline.

### 2. POSSIBLE CONFLICT OF COMMITMENT:

Please provide event and possible date of any reasonably likely issues from November 2012 to September 2013 that could impact your Whittlesea Pacers basketball playing or training program. Eg. Football, athletics, netball, skiing, overseas trips, holidays and long-term school camps.
