

## VT League All Star Teams & TFV Elite Development Camp

With the changes to the future participation at NTL for Victorians, Touch Football Victoria is launching a new pathway to provide development opportunities for players that have been identified as having potential to represent Victoria and / or the Alliance.

The VT League has been split into **East All Stars** (Casey, Falcons and Viper) and **West All Stars** (Blacks, Western and Lions) to train in a high performance camp led by current Australian coaches, and then to play in a marquee matchup on the night of the 30<sup>th</sup> on November.

Selected teams for the VT League All Stars matches can be found on the following pages.

Players selected in the VT League All stars team are invited to the TFV Elite Development Weekend, being held on the 24<sup>th</sup> and 25<sup>th</sup> of November at Lake Dewar Lodge, Myrning. In addition to assisting the All Star teams with their preparation, the camp aims to develop Victoria's representative Players, Coaches and Referees, and will provide opportunity for all to engage with Australian Level Coaches and Referees.

The camp will provide players with the opportunity to perform in front of current Alliance coaching staff, as well as Victorian coaches and selectors, in preparation for 2013 NTL.

Players will learn from Australia's best coaches and return to their VT League clubs with new trends, tactics and techniques.

The camp will also include Victoria's best Coaches and Referees for development opportunities with Australia's elite.

For further information about the Elite Development Camp, or representative touch please contact Greg Kennedy [greg@victouch.com.au](mailto:greg@victouch.com.au)

If you want more information on VT League, or the All Star match contact Caitlin Pole [Caitlin.pole@victouch.com.au](mailto:Caitlin.pole@victouch.com.au)

Further information has been sent to all selected individuals, Congratulations to all those selected and Good Luck on All Star Weekend.
