## THANK YOU TO LILYDALE AND YARRA VALLEY LEADER!

I love reading the local newspaper after a weekend like we have just had. With a clean sweep of wins from all three teams and a feature photo acknowledging five goals from Daniel Breese (see below courtesy of Lilydale & Yarra

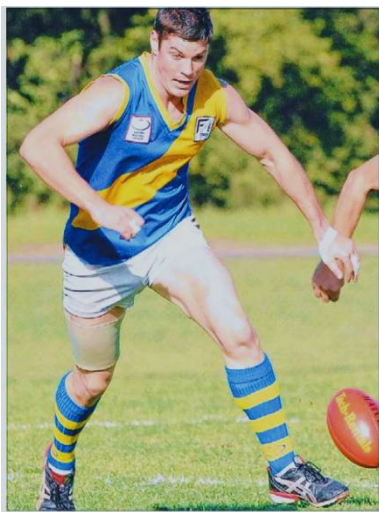

Valley Leader ) it was a satisfying read. Also we move into the top five seniors and reserves! There was a great atmosphere around the rooms Saturday with a

good turnout for our past players and Officials lunch with the results capping off a great day.

Remember our big bucks raffle draw 22nd June please all players and supporters dig in and work on selling the maximum tickets this year it's great value big dollars on offer! Also sell it out and get a good result for your club. For extra tickets call Garry Skelton on 0416 086 385.

Our Sponsor of the week is Widetread Tyres of Lilydale and Ferntree Gully. They offer super value courtesy of from Peter Puplet. Today we faced a desperate and fired up East Burwood which produced an expected even start to the game. We managed to get the jump on them early in the 2<sup>nd</sup> quarter only to let them back into it with the slightest sniff by half-time. In the second half the team finished the game off well with the most satisfying aspect being that we restricted the opposition to just 3 goals.

## GREAT WEEK FOR DALES

It was a great week of footy for Lilydale. Most of the junior teams won or were close to winning. Congratulations to the under 14s that won their first game of the season and did it in style by beating the top team.

The Office Works sausage sizzle is this weekend and I am looking forward to meeting some new faces and volunteers to help the committee.

The second awards night is this Sunday. We are having a Pizza night and we will have plenty of apparel and raffles on the night. It would be great to see as many juniors and parents at the awards nights to support the club.

The final tally of the bogan bingo resulted in a close to \$7000 profit. Well done once again to all that helped with the event.

One last thing. Just remember to be supportive of the kids from both sides and officials. Particularly the umpires. Most of them are only kids doing a tough job. I am always hoping that we get good feedback from the E.F.L and umpires in relation to parent/player behaviour.

Good luck to all the teams this week. Go Dales.

Today we played 4 quality quarters which was great to see and in particular our second quarter which has been our worst all year. We looked much better when we switched the ball and look for our quarter back and not go down the line. Great to see that we could cover with our Ruckman out injured with Shane and Jack filling that role. Congratulations to Copey on playing his 100th game today and in particular his last quarter, playing as our quarter back was fantastic to watch.

A vast improvement from last year's performance against this side, who absolutely smashed us. To the boys credit we knew it would be a physical game and they stood up well. I would have preferred a better first half, but we can't have everything. Let's get to training with a better attitude boys. Well done!

Sunday again and we played the 1st placed Vermont at home. From the first bounce the boys were switched on running the ball by hand and foot and we held a lead at quarter time. The momentum stayed with us and more of the boys got involved and with our backline holding strong we increased our lead to 28 points. To Vermont's credit they fought back and cut our lead back to 22 points at 3 quarter time with a couple of late goals. Come the last quarter and the boys took it up another gear with some great ball use starting at half back we ended up taking the win in the end by 40 points. These guys now realise what they can do if playing as a team, awesome win guys keep pushing hard.

Another terrific challenge for the boys today playing for third spot on the ladder and the boys once again came up with the goods. It was a close contest all day with poor kicking for goal by both teams at times. Our back line once again played well together with Jai Spalding doing a great job at fullback and Luke Chandler in the back pocket. After holding the lead for almost the entire game East Ringwood hit the lead with 6 minutes to play, our boys reacted in the best way kicking two goals of our own to run out 8 point winners.

Today we came up against the top undefeated team in Waverley Blues and it was always going to take our best effort. Right from the start we seemed flat and Waverley gave us a lesson in winning hard contested football and then produced some great running football when they had the ball. Our biggest problems continue to be manning up and simply going hard at every contest. Dan Schlueter continued his good form off half back and Matt Knox produced his best game for the year with some hard running while Mitch Douglas worked hard in the ruck and around the ground all game. I was also pleased with the role Lachlan Poli played in the 2<sup>nd</sup> half working hard to stop their most dangerous forward. We must work harder on being accountable all over the ground and start winning the contested ball. It all starts at training boys – we need to work hard!

The first quarter was a bit of a slug with our boys pushing the ball into our forward line without any scoring success against a light breeze. The second quarter was a great team effort with many good handballs to players on the run and kicking to the advantage of our forwards. Josh Uhr-Henry marked everything that came his way and kicked two goals. A great snap from Cooper Weston and Marc Massarotti gave us a good lead. Unfortunately two late goals to Waverley took the edge of what was a great quarter. The 3rd term we went to sleep and went kick chasing and did not man up. Too many easy goals against us made the game a very tight affair at the last change. A great contest in the last term with Marc Massarotti kicking his 4th goal and we were able to maintain a 2 goal lead until very late in game when Waverley rallied. With seconds to go we were able to hang onto a slender lead and had a good TEAM win!

Today the boys put together 4 solid quarters. They are playing better and better as a team being first to the ball and the 1% of smothering, shepherding and genral team awareness. Our backline was superb and the forwards finished off some great work, a very enjoyable morning for the Dales!

Today's game was played in good spirits and on a much more even playing field. I say it every week but the improvement week to week is phenomenal. Birra with 2 goals and Levi with 1 was sensational. In the second quarter with Josh DB in the ruck and Rowan on the ball had the ball moving forward a lot more than in past weeks, allowing our forwards opportunities. Kyan using the space on the wing and running on to the ball was great and was unlucky not to score from it.

DUNDEE FC.

Ron Hottes is still looking for a TEAM MANAGER for the Reserves. All you need to do is be at the Reserves games, fill in and organise some paperwork and then give the paperwork to Ron. CAN SOMEONE PLEASE HELP US OUT AND THE BOYS IN THE RESERVES!! See Ron Hottes if you will give it a go.

At our next home game - June 15th, it is President's Lunch /Bowman Medal day. It also coincides with the EFL's Beyond Blue Round. On this day we would like everyone to wear something BLUE (which shouldn't be too difficult as our colours are Blue and Gold). Lets all Falcons get behind this really worthwhile cause.

Thank you to David Burt (Chaplain at Oxley College and Eastern Ranges and a parent of one of our Under 17 players) for conducting a session at the clubrooms for some of our Under 17 and 19 players. Over 50 parents and players were in attendance and they appreciated David's ability to facilitate a beneficial evening of discussion. Thanks to Sharon Campbell for helping organise this night.

New polo shirts (\$45), hats (\$20), scarves (\$15) are now available - see Luke Ewart on Thursday and game day.

It was great to see the past players at the reunion on Saturday. Although the roll up could have been better each team was well represented with the 2003 team taking the honours for most attendees.

The Silvan connection was in attendance at the reunion and game. Chris Goodlet and Sean and Daniel Toohey have a few Best and Fairest and Bowman Awards between them at both the Falcons and the Cats and really enjoyed the day off at the Dales with Silvan having a bye in fourth division.
