FIBA OCEANIA RESULTS BOOKLET

**Oceania Tournament
Pacific Games
Youth Championships
Qualifications events**

1ST OCEANIA TOURNAMENT

FIJI 1981

These events are conducted by the Pacific Games Council and FIBA Oceania for Pacific Island teams. They are not a qualification event for higher competition.

Australia and New Zealand are invited to participate with junior teams. Originally Australia sent both Men's and Women's teams but the superiority of the Women did not justify their inclusion. Since then Australia has always fielded a Men's team. New Zealand have varied their entries in these events.

1997 South Pacific Mini Games**AMERICAN SAMOA****(NO OCEANIA TOURNAMENT HELD)**

In 1997 basketball was included in the Mini Games, so therefore the Oceania Tournament was not played. The South Pacific Mini Games are held every 4 years for Island teams in the two years between the main South Pacific Games. These Games are held in countries with limited facilities and because of the large number of basketball entries this sport has not been included in previous Mini Games.

Normally the Oceania Basketball Confederation conducts the Oceania Tournament at a similar time so as to provide competition for all countries. As a result no Australian or New Zealand teams participated.
