TEAM INFORMATION:

Team details for the ensuing season are advised at the Club's Presentation Day after the association finals. Each team is comprised of up to 8 players and is graded on ability and experience.

TRAINING:

Training times are fixed for each season on the basis of 1 hour per team between 5.00pm and 10.00pm Wednesdays or Thursdays at Forest Hill Secondary College, Burwood Heights Campus, Mahoneys Rd East Burwood. Training is scheduled to accommodate girls' midweek playing times and coaches' commitments as priorities, with earlier timeslots being allocated to younger teams. Efforts will be made to fit in with players' commitments, provided that these are advised with each season's registration. **However, with over 500 players, some clashes will occur and a player may have to choose between basketball and another activity. Further, the Club has no control over playing times and venues – these are set by the associations with which we are affiliated.**
