The McKinnon Basketball Association (MBA) has a proud history in basketball. An established club located in the South Eastern suburbs of Melbourne; we have always had a 'punch above our weight attitude.' The Association has undergone numerous changes over the last couple of years to ensure that it maintains strong family values and provides ALL members with the opportunity to grow within our Association; be it players, coaches, referees, volunteers, parents, etc.

With over 30 teams entered into the new season we are looking to recruit more coaches and assistant coaches for our VJBL basketball teams; from U12's to U20's, boys and girls.

#### We are looking for the following skills and attributes:

- A level 1 NCAS coaching certification or the willingness to obtain.
- Adherence to Basketball Victoria's Coaches Code of Conduct
- The ability to conduct, train and communicate with players in a professional and informative manner.
- Attend all training sessions, games and tournaments.
- Attend all coaching meetings and development nights.

On offer is a wealth of knowledge from guest speakers, information and education evenings (surrounding nutrition, coaching, health and fitness), and access to a progressive Association which supports a culture of family and success.

Are you a reliable, forward thinking person who is looking to take on a challenging yet rewarding role?

Those who are interested in assistant coaching roles will be developed with the view to take on a team next season.

All coaches and assistant coaches will be remunerated based on their teams and final grading.
