Welcome all with the pre Season done and dusted and the anticipation of the first game out of the way, I would like to welcome everyone to the first Home Game of the Year which is round 2.

We have had a good Pre Season starting all the way back in November / December 2013 and with a couple of runs before Christmas and seeing some good numbers out on the track, the keenness has been shown to improve on last year and the numbers have been pretty consistent on the track throughout the Pre Season which has been good to see.

We have seen some new players to the club in Harry Georgiou, Nick Clift, Sean Tasker, Kurt Siviour, Dylan Bolton, Josh Frick and a great player to have back in Adam Hunter. With these guys that the Football department has brought to the club to play A Grade we should have some good depth in the Club this year.

Well round 1 has been run and done with Galbs away overseas attending his Daughter's wedding saw me take the reins of the A Grade as well as starting the Reserve's off for the year. With help from Rohan Garrard taking over for the first 2 games of the Reserve's for me while I attend the A Grade I would like to thank all the involved that is helping out on game day.

With the results from Round 1 not going the way we would have liked,

there were some great signs in both grades and we should be looking for a good consistent year and with some luck on our side hopefully we should see both grades around the mark.

Round 1 Vs Willunga saw the Reserve's go down, we saw some promising things and the players came out and had a crack with 2 new players this year getting in the best Players in Justin (Sticks) Acton and Daniel Wood, great to have some new guys around the club along with all the other new ones we have. As Usual we saw Brent Creek, Bryce Garrard have great games and all the other 19 guys played well for the first round.

The A grade also went down but not without giving Willunga another scare on their own ground. While having the Lead at  $\frac{1}{4}$  Time and again at  $\frac{3}{4}$  time, only to fade out a bit in the last quarter. We had some exceptional work in our defence as you can see by the final score of Willunga 5-11 Mount Compass 3-11.

Also the midfield played well with some great pressure and clearances. The forwards played well with the limited good opportunities they had when we delivered the ball forward.

Overall I was very pleased with all involved and it will be an interesting year in 2014.

**Thanks**

We welcome the Myponga Football club, our first home game in season 2014.

During the off season , Summer, or cricket season to many , Zach Young , Jordan Boots , Cody Connor, William Zimmermann, and Dylan Parsons were toiling away with South Adelaide football club, with Zach and Jordan still going, well done fellas.

Meanwhile others managed to sustain some unfortunate injuries.....Sheldon with cricket, Sav with basketball , and Mitch during his short stint with a circus, get well soon.

Pre season saw some good work by a few “ hard core doggies”, with Ben Fergusson elected captain , Steven Bartlett vice, and Harry Hutton deputy vice, we look forward to your leadership young men. Welcome to Dylan Hammatt , and Pablo Solomon , new players to the club , and welcome back to our old mate Lachy Mitchell.

Today we play for the Grivell McMillan Solly Memorial Shield , in memory of Brock , Jake, and Matt, tragically taken too soon, as the result of a motor vehicle collision, just over 4 years ago. These fine young men were great footballers..... and beautiful people..... sorely missed. I would ask all today to take a moment, reflect, and make sure the young people of today take care of their mates, in this fast moving and often selfish society.

Welcome all to the kennel for our first home game of the season. It was a bad start to the season last week with players missing because of illness with four mini colts coming into the side we could only fill a team of 17 players so if anyone knows of any extra players they would be most welcome.

It was a hard battle for many of the players but a big improvement is needed this week. The team has been training well so with a few extra players some improvement should be seen.

The Club would like to welcome Declan Mair for his first game and it's good to see John and Ben back again.

During the practice games the players picked our leaders for this season they are Jordan Jones (C) John Graham (VC) and Sean Goodger (DVC) congratulation boys lead the Club with pride.

Good Luck to all teams football and netball .

# Mount Compass Football Club - MINI COLTS

Welcome to our supporters.

The minis started training on March 12th with the emphasis on skills. A successful trial game was held against Encounter Bay at home on Friday March 21st.

Last week against Willunga we had a good match. Thanks to the 6 modies that came up to play for us and also to Willinga for lending us 4 players so we could field a team. Obviously we are short of minis age players but will do the best we can.

I would like to welcome Oscar Sartor to the club for his first game today. Also welcome to Ferre Rennerts and Jarred Tilby for their first season of footy.

We look forward to a good game today against Myponga.
