

MEMO – DIRECTIONAL ARROW

Procedure for Directional Arrow at half time is as follows:

- **The Directional Arrow is to be changed at half time by the Referee.**
- **One Referee looks after the score sheet while the other changes the direction of the Directional Arrow and advises the scorebench persons that the arrow has been changed to reflect how the 2nd half will commence.**
- **This will ensure consistency from game to game & Referee to Referee.**
- **Effective from Tuesday 11th July 2006.**

**Pat Crowe
SBA Referee Advisor
10th July 2006**
