

Stumbling blocks

By Greg Oberscheidt

Following up from a solid showing against the Hawks we hosted the ladder leading Tigers on a beautiful Sunday afternoon. Some key outs meant we were again going in a bit undersized but with plenty of grunt and determination. We had two lads play their first senior games this year in Patty Egli who earned his jumper after a solid month on the track and Weisey who has found some good form despite a late start to the season.

Queanbeyan were well aware of our capabilities after our showing a month ago and came out of the blocks very hard whilst the Griffins were caught on the hop in the first half. Spence was strong again as a makeshift ruckman throwing himself into contest after contest whilst AK, Singles and Sloane set the standard through the middle of the ground with some big tackles. Rawlo continued his rich vein of

form and 'The General' Wes Heinke, bombed a long goal after some classy link play from Risky (that hurt to say...).

The third term was one of our better showings for the year with everyone hitting the contest hard and tackling with vigour. C-Dot got on the end of a couple of goals which was great to see before a strong tackle saw him go head first into the turf which required another visit from Grovesy and the Ambulance. It's been noted that this was Groves' first contribution in a month so thanks for that big fella. Singles got his name on the scoresheet again with a brilliant running goal from outside the arc to give us some momentum into the final break.

Queanbeyan again picked up their intensity and showed they will be tough to beat this year in the Div 1 finals, piling on

the score to take the final margin into triple figures.

Once again the Griffins were strong in patches and outclassed in others. Our effort was down for the bulk of the first half as the toll of a long season mounts but with three games to go and some great chances to build on the W column we'll be throwing everything into our last few rounds.

See you all there!

Reward for effort

By Monique Munro

The day was filled with promise as the sun spilled over Jamison oval, with all Women's teams playing consecutively in celebration of the Women's Round. The lady griffs were keen to rectify their past performance against Molonglo and it showed right from the first bounce as the girls opened with energy in the first quarter.

The midfielders were at war with the ball early on, with Roy clearing packs and Hutch's great hustle. This combined with Elle's second efforts and everyone putting their head over the ball meant that we were winning contests with style. The endeavour and continuous attack at the ball showed with repeat 50 entries for the women, however at half time the score was tight.

Jimbo's inspirational speech at half time sent the message to play with confidence and flair and to make it 'click' on the field, and with confidence and flair is exactly how the lady griffs proceeded to play in the second half of the game.

The run and carry shown by Bec

Jones and Wheaton was phenomenal, and flawless passages of play opened up from the back line to the forward fifty by the likes of Shorty, Nads and Roy, showing some of the best running footy seen yet this season. Tip was able to capitalize on their hard work running ragged in full forward and backing herself to boot all scores of the day.

At the third quarter tensions were high as the game turned into a nail biter. Jimbo once again reassured the girls to play with confidence. The backs had their work cut out for them in the last quarter, desperate for Molonglo not make it on the scoreboard Aggie cleaned up any attempt to enter their 50 and Lee Steel did a stellar job matching up on opposition twice her height.

The girls fought hard to the end, at the expense of Wheaton's ankle, and victory was taken in the dying minutes. The girls made it down to the Hellenic to celebrate the great game of footy with Elle rightfully being rewarded the cup on her last game with the lady griffs.
