2015 PREMIER LEAGUE MEDIA GUIDE

Basketball SA's leading basketball competition for South Australia's elite men's and women's teams will enter a new era in 2015, starting with a new name. The 'Premier League', formerly the Central ABL, will have a unique and interesting fixture, aimed to create alternative opportunities for people to attend games.

Changes for the League's 10 clubs include an increase from 18 to 22 rounds, games on Wednesday nights, increased Sunday timeslots and multiple games at the state's best venue, the Adelaide Arena. With the league's name changing several times in recent years, the newly branded Premier League is set to provide a clear identity for years to come and in 2015, will feature more games, greater variety, special rounds including 'Anzac Day Round' and a 'Sunday blockbuster' hosting 10 games in one day, all assisting to create greater coverage and improve the profile of the league.

The 2015 season tips off on Saturday 14 March.

The full fixture is now available on the Fixture/Results/Ladders page of the Premier League Website www.premierleaguesa.com.au

The Woollacott Medal was donated by the Basketball Association of South Australia on behalf of Noel Woollacott's Emporium. Noel Woollacott was killed in action during World War II. Originally given to the Best and Fairest player in the District competition, the Noel Woollacott Trophy eventually evolved into the Woollacott Medal and upgraded to Fairest and Most Brilliant in the early 1970s. In 1999 for the first time the medal was awarded to the ABA Central Conference's Most Valuable Player. The votes are cast by referees post-game on a 3, 2, 1 basis. In 1981 and 1996, the competition experimented with coaches voting, before reverting to the original format.

The first Halls Medal was awarded in 1964. Prior to that, Woollacott Medals were awarded. As the women wanted a separate medal acknowledging women's basketball, a sponsor was sought. Halls, manufacturers of soft drinks agreed to sponsor the award. Henceforth, the Halls Medal was awarded to winners of the Best and Fairest player in the District Women's competition. Like the Woollacott Medal, it was upgraded to the Fairest and most Brilliant player in the early 1970s. In 1999 for the first time the medal was awarded to the ABA central Conference's Most Valuable Player. The votes are cast by referees post-game on a 3, 2, 1 basis. In 1981 and 1996, the competition experimented with coaches voting, before reverting to the original format.
