Reports by Umpires

8.1 The following is the procedure to be followed for all Reports made by an Umpire on match days. Scope will still exist to comment on other issues (send offs, warnings etc) on the match report document.

8.1.1 This Rule prescribes the procedures for the lodgement and notification of Notices of Report, pertaining to a Reportable Offence, as well as the procedure for dealing with Prescribed Penalties. The following Rules are to apply to Officials, as well as to Players, as appropriate. The Rules for Reports of Players (Development Grades), do not apply to Officials in those Development Grades ie. Reports on such officials are to be dealt with in accordance to Rule 8.

8.1.2 If a Club appointed Umpire witnesses an incident that the Field Umpire(s) has/have not seen, the Club appointed Umpire may refer to the Field Umpire who will determine if a Report is to be made. Only Field Umpires or Regionally appointed Boundary and Goal Umpires may report a Player or Official

Prescribed Penalties (Under 12-17)

8.2 A Prescribed Penalty may be offered by AFL Sydney Juniors, following receipt of a Notice of Report under this Rule 8, to a Player’s Club President or delegate, copied to the Regional Committee Chairperson and Regional Umpire Coordinator, **by 5.00pm Monday following the match** or as soon thereafter as is reasonably practical. Where an offer of a Prescribed Penalty is made **later than 5.00pm Monday following the match**, the time to accept the offer as set out in Rule 8.5 is to be adjusted accordingly by AFL Sydney Juniors. Whether a Prescribed Penalty is offered or not is entirely within the discretion of AFL Sydney Juniors

8.3 When making a Prescribed Penalty offer, AFL Sydney Juniors will make available to the Player’s Club President sufficient details of the report on which basis the Prescribed Penalty offer can be accepted or rejected.

Such request, subject to Rule 8.2, is to be received by AFL Sydney Juniors **by no later than 4pm on the Tuesday following the match**. If advice to accept a Prescribed Penalty offer or otherwise is not received by that time, the offer will be deemed to be accepted. Where the Prescribed Penalty offer is rejected, AFL Sydney Juniors will inform the Regional Committee Chairperson, the Regional Umpires Coordinator and the Tribunal Chairperson of the request and the Tribunal will hear and determine the Report.

8.6 Where a Player requests that a Prescribed Offence offer be dealt with by the Tribunal, and the Tribunal is of the opinion that the Prescribed Penalty offer to the Player was reasonable in all the circumstances and does not reduce the Penalty, the Tribunal will impose an extra one match penalty in addition to the penalty offered by AFL Sydney Juniors, or the penalty imposed by the Tribunal, whichever is the greater.

8.7 Alternatively, the Tribunal may impose such additional penalty as in its absolute discretion it deems appropriate, in addition to the penalty it imposes for the Reportable Offence.

Application of Penalty

8.9 For the purpose of these Rules, a "match" shall mean a competition match of the same Age Group or Division in which the Player committed the offence, and shall also include as the one match, the matches in all grades in a particular round for which the Player would, but for the suspension be eligible, whether played on the one day or not. Any suspension shall take effect from and include the next competition match following the suspension for which the Player would, but for the suspension, be eligible.

8.10 A Player is ineligible to play in any representative match whilst under suspension. In addition to this, representative matches do not count towards part of the suspension.

8.11 Competition games which are forfeited, washed out or for any other reason not played shall not be counted for the purpose of reckoning a period of suspension.

8.12 In the event of a dispute as to the games or matches covered by a suspension, the dispute is to be referred to AFL Sydney Juniors for determination. AFL Sydney Juniors may seek the advice of the Executive Group.

8.13 During the period of any suspension, Players are not permitted within the confines of the playing field, and must not act as runner, water carrier or in any other capacity.

8.14 During the period of any suspension, Officials must not participate in any capacity on match day, whether on the playing field or off the field of play, but may attend a game and observe as a spectator only. Subject to any direction from the Tribunal, the Official may participate in any official capacity at the Club on non-match days.

8.15 Infringement of the above may lead to the imposition of further penalties.

8.16 Subject to any specific direction by the Tribunal, where the Tribunal imposes a suspended sentence, the period of the sentence is suspended, subject to good behaviour by the Player or Official. If the Player or Official is found guilty by the Tribunal of any subsequent offence committed during the period of the suspended sentence or, in the case of a Player, a Prescribed Penalty is offered and accepted which results in a match suspension, the suspended sentence will be added to any sentence imposed by the Tribunal for the subsequent offence or as a result of the Prescribed Penalty.

Action during Match

8.17 Where an Umpire reports a Player or Official during the course of a Match, the Umpire shall use best endeavours to inform the Player or Official of the Report:

- Before the commencement of the next quarter; or,
- Where an incident occurs in the final quarter, after the completion of the Match.

8.18 The Umpire shall use best endeavours to inform the Player or Official of the Reportable Offence.

8.19 An Umpire may inform the captain, acting captain or an Official of a Team of the Report where it is impracticable to inform the Player or Official who has been reported.

8.20 Apart from informing a Player or Official of the Report, an Umpire shall not speak with the reported Player or Official or any other Player or Official about a Report which has been made. It is a breach of these Rules for such reported Player, Official or any other Player or Official to seek to or speak to the Umpire about a Report. Any Player or Official who seeks to or speaks to the Umpire may be referred by AFL Sydney Juniors to the Tribunal to deal with as the Tribunal thinks appropriate.

8.21 The failure of an Umpire to inform a Player or Official of the Report does not invalidate the making of the Report.

Completing Notice of Report by the Umpire

8.22 In completing and lodging a Notice of Report, the Umpire will utilise the online Umpire Match Report process available through Google to document any reports. In such cases, the Umpire will, on the day, advise the Clubs and ensure that the proper notice of a Report is provided verbally. When the Report is processed by AFL Sydney Juniors, full and complete details will be provided from the Umpire Match Report system to the Club of the reported Player.

8.23 As soon as practicable after the completion of the match, the reporting Umpire shall:

8.23.1 Provide advice to an Official from each team. Each team shall be responsible for the attendance of an Official at the end of the match in question in order to receive such advice and to be given an "all clear" from the Ground Manager. In the event of no such Official attending, the Reporting Umpire shall be deemed to have complied with the requirements of this Rule;

8.23.2 Verbally advise the Regional Umpire Coordinator of the Report as soon as reasonably practical after the completion of the Match, **by 8.00pm on Match Day or 10.00am next day** where a night match is involved.

Report where Notice of Report not completed

8.24 Rules 8.25 - 8.30 apply where a Player is sent off twice or more in a season, but the Umpire has not completed a Notice of Report in any sending off.

8.25 Following the Player being sent off for the second time, the Player will automatically receive a one match playing suspension.

8.26 Any Player sent off twice in the same match will automatically receive a one match playing suspension, regardless of any and in addition to any further penalty that may be imposed by virtue of any incident that is the subject of the sending off.

8.27 Any Player sent off three times in the one season will automatically receive a two match playing suspension, regardless of any and in addition to any further penalty that may be imposed by virtue of any incident that is the subject of the sending off. Should the Player be sent off any further times during the season, on each occasion the Player shall incur an automatic one match playing suspension, regardless of and in addition to any penalty that may be imposed by virtue of the incident that is the subject of the sending off.

8.28 Where a Player is sent off a third or further time during the season, AFL Sydney Juniors may, in addition to the above, refer the Player to the Tribunal, by informing the Club President or delegate of the Player, the Regional Committee Chairperson, the Umpires Coordinator and the Tribunal Chairperson, **by no later than 5pm on the Monday or as soon as reasonably practical following the match of the referral**. At such hearing, the Tribunal may impose such penalty, in addition to that prescribed above, on the Player as it deems appropriate.

8.29 Where a Player receives notice of an automatic playing suspension as provided by these Rules, the Player may, through the Club President or delegate, request the automatic suspension be referred to the Tribunal for hearing. The Tribunal may impose such conditions on the Player as it deems appropriate, pending the hearing. The Tribunal may, following the hearing, affirm or vary the suspension, (including increasing the suspension) or apply any other penalty as it deems appropriate. Where the Tribunal is of the opinion that the automatic playing suspension was reasonable in all the circumstances, the Tribunal will impose a suspended sentence at least equal to the automatic match playing suspension imposed on the Player, such suspended sentence to remain in force for a period of 12 months from the date of the Tribunal hearing or to the equivalent round in the following season.

8.30 In the above instances, AFL Sydney Juniors will inform the Club President or delegate of the Player, the Regional Committee Chairperson, the Regional Umpire Co-ordinator and the Tribunal Chairperson **by no later than 5pm on the Monday or as soon as reasonably practical following the match the subject of these Rules**.

8.31 Where a Player is sent off and the Umpire has not completed a Notice of Report, AFL Sydney Juniors may (where the send off was a Yellow card) and must (where the send off was a red card), refer the Player to the Tribunal, by informing the Club President or delegate of the Player, the Regional Committee Chairperson and the Tribunal Chairperson, **by no later than 5pm on the Monday or as soon as reasonably practical following the match**.

Rules 8.29-8.30 apply.

The Player shall automatically receive a two match playing suspension, in addition to any penalty that may be imposed by virtue of the incident that is the subject of the sending off. Rules 8.29-8.30 apply

8.34 In addition to the preceding Rules, where any Player or Players from the same team are sent off during the course of a season and the number of Players being sent off for a breach of any of those Laws is three or more, AFL Sydney Juniors, on each occasion will advise the Regional Committee of same, and the Regional Committee will be required to meet with Club representatives (including the President and the Coach(s) of the team concerned) **within 7 - 10 days** of such advice to seek an appropriate explanation of action being taken to address and resolve apparent behavioural issues. **Within 7 days** of the meeting, the Regional Committee shall advise AFL Sydney Juniors of the outcome of the meeting for such action as AFL Sydney Juniors and /or Regional Committee deems appropriate, including referral to an ISC or to the Executive Group.

The Tribunal may, in its sole discretion, dispense with the requirement of a person assuming the conduct of the hearing before the Tribunal.

8.36 A Prescribed Penalty may be offered by AFL Sydney Juniors, rather than referring the Report to the Tribunal, to a Player's Club President or delegate, copied to the Regional Committee Chairperson and Regional Umpire Coordinator, as soon as is reasonably practical. Whether a Prescribed Penalty is offered or not is entirely within the discretion of AFL Sydney Juniors.

8.37 When making a Prescribed Penalty offer, AFL Sydney Juniors will make available to the Player's Club President sufficient details of the Report on which basis the Prescribed Penalty offer can be accepted or rejected.

Such request is to be received by AFL Sydney Juniors within **48 hours** of the making of the Prescribed Penalty offer by AFL Sydney Juniors. If advice to accept a Prescribed Penalty offer or otherwise is not received by that time, the offer will be deemed to be accepted. Where the Prescribed Penalty offer is rejected, AFL Sydney Juniors will inform the Regional Committee Chairperson, the Regional Umpires Coordinator and the Tribunal Chairperson of the request and the Tribunal will hear and determine the Report.

8.40 The provisions of Rules 8.6-8.7 apply to the determination of any penalty by the Tribunal.

Where AFL Sydney Juniors refers the Report to the Tribunal for hearing and determination, AFL Sydney Juniors is to inform the Regional Committee and the Club President of the Report (including relevant Reportable Offence pursuant to the Laws and the particulars of same) **within 24 hours of the Report** being referred to the Tribunal. 8.52 Rules 8.53-8.55 apply where a Player is reported in the Under 12 age group (or otherwise comes before the Tribunal).

8.53 On receipt of the Report, and after considering the age and degree of maturity of the Player and other such factors as AFL Sydney Juniors considers appropriate, AFL Sydney Juniors may, rather than referring the Report to the Tribunal, refer the Report to the Player's Club, to be dealt with in accordance with Rules 8.47 - 8.48, alternatively, AFL Sydney Juniors may refer the hearing of the Report to an ISC to be dealt with as otherwise provided under Rule 8.49.

8.54 If the matter is heard by the Tribunal, the Tribunal may, after considering the age and degree of maturity of the Player and such other factors as the Tribunal determines appropriate for the hearing of the Report, deal with and hear the Report in such manner as the Tribunal thinks fit.

8.55 In dealing with the Report under Rule 8.54, the Tribunal may:

8.55.1 Dispense with the Tribunal processes described in the Tribunal Rules in whole or in part, this may include a direction from the Tribunal that any questions asked of an attending Player are done so by the Tribunal only;

8.55.2 Hear the report in such manner and pursuant to such directions of the Tribunal as appropriate to the circumstances; or

8.55.3 Give directions as appropriate for dealing with or for the hearing of the Report.

Racial and Religious Vilification Reports

8.56 Where a complaint is lodged as provided in AFL Sydney Juniors Vilification and Discrimination Policy (see Rule 33.1 and Appendix 5), as a result of alleged prohibited conduct, and a Notice of Report is made (by either the Umpire (s) or as otherwise provided in accordance with the Rules), AFL Sydney Juniors may defer the formal offer of a Prescribed Penalty or referral of the Report to the Tribunal until such time as the procedures provided under that Policy are completed.

8.57 The Player or Official may continue to participate in any Competition games until such time as the Prescribed Penalty offer is made or the hearing of the Report to the Tribunal or hearing of the Complaint as provided for in the Rules is heard and determined.

Reportable incidents

8.58 Where a reportable offence as prescribed by these Rules has occurred, or is alleged to have occurred, AFL Sydney Juniors may refer the reportable offence to the Tribunal for hearing where the alleged reportable offence is alleged to have been committed by a Player or Official, or to the Regional Committee, in any other case, for the Regional Committee to refer the alleged reportable offence to a Code of Conduct Investigations Subcommittee for determination

9. Send Off/Order Off

9.1 For the purposes of this Rule any send-off will result in the Player concerned remaining off the field for a period of time equivalent to one quarter excluding breaks between quarters (see Rule 11.10). For example, a Player sent off five (5) minutes before halftime in an Under 13 game would be permitted to resume playing ten (10) minutes after the third quarter commenced. In this instance, the Umpire will hold up a Yellow card

9.2 A Player or Official who breaches any of the Laws twice in the same match for separate incidents, or where there is a serious breach (such as those listed, but not limited to, that in Rule 9.3), shall be ordered from the field for the remainder of the match. In this instance, the Umpire will hold up a Red card and must report the Player or Official. A Player sent from the field with a red card must leave the field completely and cannot sit with the interchange Players or the Coaches. The Umpire will recommence the game once the Player has left the playing field.

9.3 Serious breaches **include** where a Player or Official:

- Intentionally, recklessly or negligently makes contact with or strikes an Umpire.
- Attempts to make contact with or strike an Umpire.
- Behaves in an abusive, insulting, threatening or obscene manner towards, or in relation to an Umpire.
- Intentionally, recklessly or negligently kicks another person.
- Commits an act of misconduct, if the Umpire is of the opinion that the act constituting misconduct is serious in nature.

9.4 A Player who receives a Red Card in a match is not prevented from participating in older age matches on the same weekend, although it is expected that Clubs will exercise prudence, as appropriate

Sledging

9.5 "Sledging" may be described as insulting language or verbal intimidation.

9.5.1 Sledging is not appropriate in AFL Sydney Juniors football competitions. AFL Sydney Juniors has a "no tolerance" attitude toward sledging and the interpretation and application of the Laws and these Rules will reflect this "no tolerance" attitude.

9.5.2 An Umpire may give a warning to a Player or Players sledging another Player or Players and where possible, will inform both captains of the warning as soon as reasonably practicable after issuing such a warning.

9.5.3 A Player who sledges another Player or Players shall, whether or not a warning has been given to that Player or any other Payer, be ordered from the field for a period of time equivalent to one quarter, or for the remainder of the game if the breach was committed in the last quarter. In this instance, the Umpire will hold up a Yellow card.

9.5.4 For the purposes of these Rules, sledging will be deemed to be an act of misconduct under the Laws (Law 19.2.2(p)).

9.5.5 The Rules in relation to sledging will apply in addition to the Laws, including the Laws in relation to the use of an obscene gesture (Law 19.2.2(f)) and using abusing, insulting, threatening or obscene language (Law 19.2.2(m)).

9.5.6 These Rules also apply, as appropriate, to the sledging of and /or by any Official.

General

9.6 In all instances, a Player ordered off shall leave the playing area immediately through the interchange area and in the case of a Yellow card can be replaced immediately and for Red Card after 15 minutes. The requirement for evening up of Players (as noted in rule 10.7) does not apply where a Player has been sent off and cannot be replaced. In the case of a Yellow card, the send-off is for a period of time equivalent to one quarter (see Rule 11.10), and the timekeeper shall indicate when the Player is permitted to resume playing. In this case, the Player must sit with the timekeeper.

9.7 In the event of a Player or Official failing or refusing to leave the field when ordered off, the Player or Official shall be reported for misconduct and the Player or Official's team shall forfeit the match.

9.8 In addition to Players, these rules also apply to Officials, and these Rules will be interpreted appropriately where the behaviour involves an Official or Officials.

Audible Obscenities

9.9 AFL Sydney Juniors has a "no tolerance" attitude toward the use of audible obscenities, and the interpretation and application of the Laws and these Rules will reflect this "no tolerance" attitude. Players who use audible obscenities, regardless to whom they are directed, will be removed from the playing field for a period of time equivalent to one quarter and may be reported. If the obscenity is directed at the Umpire, the Player shall be reported.

10. Teams

Numbers of Players in Teams

10.1 Player numbers are noted below under Rule 10.8 and 10.9. At all times other than for send – offs, Player numbers on the ground **must** be equal.

Multiple teams

10.2 Should a Club field more than one (1) team in the same age competition or division, after the initial 3 rounds no Player shall be permitted to play for more than one team (excluding younger Players who play up), in the same age competition or division, during the season. Clubs must make every endeavour to form evenly matched teams, with representative and Academy listed players split evenly between teams.

Playing up an age level

10.3. The following examples are acceptable and relate to Players playing up an Age Group (from Under 12's upwards).

Example – Playing up an Age Group during the regular season:

10.4 Splitting of Players into teams of the same Age Group must be finalised after the initial 3 rounds and cannot occur during the season. Division of Players into two (2) teams is a Club responsibility. The Executive Group can provide guidelines only.

Player Numbers

10.5 Teams must have the MINIMUM number of Players available at the scheduled commencement of a match to constitute an official match. Where the MINIMUM numbers of Players are not available at the scheduled commencement of play, then Rule 11.2 applies.

10.6 AFL Sydney Juniors strongly recommends that Clubs encourage the participation of Players in the game of AFL. To allow this, teams are encouraged to minimise reserves and to have the highest possible number of Players actually involved in the game on the day.

10.7 If during the course of a game, a Player injured has to leave the ground but there are no replacements in that team, the Field Umpire and opposition Coach are to be advised accordingly. The other side is to remove a Player to keep the numbers on the ground even (except for send offs). For a Player returning to the field, the same process in reverse applies.

10.8 To encourage maximum participation and teams to stand alone in terms of Player numbers, the term Match # specifies the ideal number of on-field Players per team. Where a team does not have the number of Players shown as Match # (and the other team has more than the first team), then it is **compulsory** to borrow/loan available players up to the Match # for all ages and Divisions (where present), except for Division 1

10.9 The following table shows the on field Minimum, Match # and on field Maximum by Age Group for all Regions. For minimum player number games, especially for school holidays, ground sizes can be reduced after agreement from Umpires and Coaches of both teams, to suit the number of Players on each team, ie. agree on an Under 12 sized field. During school holidays, to assist Clubs to field teams, the minimum and match numbers below can be reduced by two (2) Players, as advised by the Regional Committee.

10.9.1 In circumstances where both teams have more than the maximum on field, for an age group, it is compulsory to play all available players up to the maximum, unless otherwise agreed by both Coaches

Age Group	Min	Match #	Max. on field	Max. Interchange
U9 - U10	9	12	12	Unlimited
U11 - U12	Syd Harb – 12 Western Sydney - 10	12	15	6
U13 – U17	Div 1 & 2 - 15	16	18	6
	Div 3 - 13			
	Where no Div - 13	15	18	4
Youth Girls U14	9		15	Unlimited
Youth Girls U18	12		18	Unlimited

Team Nominations

10.10 Clubs nominating teams for entry into the Under 9's to Under 17's competitions must have registered at least 75% of the minimum number of Players (as set out in these Rules) in that team by the date set down by the Regional Committee as the closing date for nomination of teams. This rule only applies to AFL Sydney Juniors competition grade fixtures. These numbers must not include anticipated 'play up' Players.

Restricted Player List (Under 11 to Under 17)

10.11 In the event that a Club has more than one team in the Under 11's to Under 17's Age Group with a divisional structure, the Restricted Player List is used to manage the movement of Players dropping from one (1) team in a division to a lower division of that Age Group. The requirement applies only to "true age" Players, for example, Under 14's or 15's playing in Under 16's is not included.

10.12 **By the Monday following Round 2**, a minimum of ten (10) names (eight (8) for Under 11 and Under 12 teams only) are to be submitted. All recognised Talent Squad Players from the previous season must be included on this list. In the event of more than ten (10) Talent Squad Players belonging to one team, all names must be submitted. For the purposes of this Rule, Talent Squad Players are defined as TPP and Academy Players.

10.12.1 Where more than one club team is graded in the same division, **by the Monday following Round 2**, a minimum of eight (8) names (six (6) for Under 11 and Under 12 teams only) are to be submitted.

10.12.2 Following Round 2, the QBE Sydney Swans Academy and PM Capital Giants Academy may nominate up to 12 players maximum per Academy with a limit of two players per team, from any one Club, for dispensation from being listed on an RPL. These nominated players will be identified in the same location as the RPL Lists. The essential criteria that Academy Managers will use to determine who should receive dispensation, is the development level of the player(s) concerned.

10.13 Players on the Restricted Player List cannot play down in their lower division team under any circumstances.

10.14 Should a Club have a team in more than two Divisions, the Restricted Player List only applies to the top Division.

10.15 Any Player who has played 5 or more games in any Under 19 competition during the course of the season will automatically be added or be deemed to be added to the Restricted Player List. It is the responsibility of the Club of the Player concerned to advise the Regional Committee as a soon as possible that a Player should be added to the Restricted Player List by reason of this Rule.

10.16 It is the responsibility of the Coach, Team Manager and ultimately the Club to manage their Player lists to ensure compliance with the provision of these Rules.

Joint Venture teams

10.17 AFL Sydney Juniors allows, subject to conditions, the formation of joint venture teams between Clubs to maximise the participation of, and the opportunities for Players to play the game, particularly in the youth age groups.

10.18 Clubs proposing joint venture teams must make a written application to the Regional Committee, setting out the background to the proposed joint venture, and the reasoning and justification for same. The Regional Committee may reject, approve or approve on terms and conditions the proposed joint venture team and Joint Venture Agreement. Such Joint Venture Agreement should, to the maximum extent possible, be in accordance with the Joint Venture Agreement Template as approved from time to time by the Executive Group.

10.19 Within seven (7) days of the decision by the Regional Committee referred to in Rule 10.18, the Regional Committee is to forward its decision to the Executive Group together with the material referred to in Rule 10.18. The Executive Group may request further information from the Regional Committee and / or the Clubs with respect to the application and will, after consideration of the application, endorse or vary the decision of the Regional Committee.

10.20 The terms of a Joint Venture Agreement will be for one (1) year only, at which time the Joint Venture Agreement will expire or be deemed to expire. A further application will need to be made for a Joint Venture Agreement for any subsequent season.

10.21 A joint venture team will not be able to be entered into any competition until such time as the Joint Venture Agreement for that team is approved by the Executive Group.

10.22 The formation of joint venture teams and Joint Venture Agreements, and such arrangements, will only be allowed to proceed where they are in the best interests of the development of the game.

Club Alliance Teams

10.23 The Executive Group allows, subject to conditions, Clubs to form an alliance to enter multiple joint teams across multiple age groups, to maximise the participation of, and the opportunities for players to play the game, particularly in the youth age groups – known as a Club Alliance.

10.24 Clubs proposing a Club Alliance must make a written application to the Regional Committee, setting out the background to the proposed arrangement, and the reasoning and justification for same, as specified in the Club Alliance Guidelines. The Regional Committee may reject, approve or approve on terms and conditions the proposed Club Alliance. All Clubs must comply with the Club Alliance Guidelines, including by lodgement of the Club Alliance Application as approved from time to time by the Executive Group

10.25 Within seven (7) days of the decision by the Regional Committee referred to in Rule 10.24, the Regional Committee is to forward its recommendation to the Executive Group together with the material referred to in Rule 10.24. The Executive Group may request further information from the Regional Committee and/or the Clubs with respect to the Application and will, after consideration of the Application, endorse or vary the decision of the Regional Committee.

10.26 Club Alliance agreements will continue until dissolved by mutual consent of the participating Clubs, or at the direction of the Regional Committee, with minimum notice of 12 months. Potential triggers for Regional Committee dissolution are detailed in the Club Alliance Guidelines. For pathway certainty, in the usual course, teams within a Club Alliance are expected to remain on an alliance basis through to maturity (of Youth football)

10.27 Each year, Clubs must report on the age group numbers for incoming teams within the Club Alliance arrangements and must submit updated details as required in the Club Alliance Guidelines (limited to the “New Team Advice”,) detailing the participation and pathway benefits that necessitate a joint team for each relevant age group, adhering to the timelines specified. The Regional Committee reserves the right to disallow the formation of a new team within an existing Club Alliance where pathway benefits are not evident or there is deemed excessive risk of competitive imbalance.

10.28 A Club Alliance team will not be able to be entered into any competition until such time as the Regional Committee has provided an approval covering that team.

10.29 The formation of Club Alliances will only be allowed to proceed where they are in the best interests of the development of the game.

Executive Group Supervision

10.30 The Executive Group exercises supervisory powers over the Regional Committee, and may overrule, rescind, vary or amend any decision of the Regional Committee in relation to Joint Venture Teams or Club Alliance Teams made under these Rules.

11. Match Conduct

Match times

11.1 Matches MUST finish on time. If a start is late, then the Ground Manager and Field Umpire will decide the duration of the breaks at quarter, half and three-quarter time and if necessary will also reduce the length of quarters.

11.2 If MINIMUM Player numbers are not available at the scheduled commencement of a match, but Players sufficient for MINIMUM numbers are due to arrive, then a scratch match will be played. In such circumstances, the game shall commence but with reduced Player numbers on each team. Teams must still have equal numbers on the field. If MINIMUM numbers become available at any time prior to the end of the first quarter, then they may take the field after a goal is scored, the teams are to be adjusted accordingly and the game is an official match. The scores at the time when the match becomes an official match will stand. If Minimum numbers are not available at the end of the first quarter, the match remains a scratch match and the team with less than Minimum numbers forfeits the match. .

11.3 Starting times will be agreed between the HOST Club and Regional Committee and advised as follows:

- As per the draw for all matches.
- Starting times are indicated for all Age Groups at all grounds.

11.4 The competing Clubs may vary the above times, but any alternative agreed to MUST be decided upon at least seven (7) days beforehand, and the Regional Umpire Coordinator must be advised of the variation. A shorter period of time may apply, but a fee of fifty dollars (\$50.00) may be payable as determined by the Regional Committee, by the Club requesting the change. A shorter period of time can only apply if agreed upon by all parties including the Regional Umpire Coordinator.

11.5 Failure of a team to enter the playing field after receiving a second warning from the Umpire/s may incur a fine (see Rule 28). At that point, at the Field Umpire's discretion, they may commence play.

11.6 The Regional Committee, as agreed by the AFL Sydney Juniors, may advise alterations to the starting times from time to time.

11.7 When it is necessary for a Player to be taken from the playing field on a stretcher, the Field Umpire/s shall stop play at the first opportunity after being advised that a stretcher is required on the playing ground. Play shall not recommence until the stretcher has left the playing ground and is outside the boundary.

11.8 No time-on will be allowed for the MINOR round matches.

11.9 In the case of a significant loss of playing time, the remaining time allocated for the match will be divided equitably by the Ground Manager and Umpire and the match will recommence and finish on schedule.

Match duration

11.10 Match duration will be

- Under 9/10 4 x 10 minute quarters. (no time-on)
- Under 11/12/13/14/15 4 x 15 minute quarters. (no time-on)
- Under 17 4 x 17 minute quarters. (no time-on)

11.11 Breaks during the games will be: -

	Under 9/10	Under 11- 17
1/4 time	4 minutes	4 minutes
1/2 time	4 minutes	7 minutes
3/4 time	4 minutes	4 minutes

11.12 Timekeepers will sound a siren two (2) minutes and then one (1) minute prior to the commencement of each quarter. The HOST Club and Umpires will ensure strict adherence to the quarter breaks.

11.13 Where a possible serious injury occurs to a Player and the Umpire calls a halt to play, the game will not continue until qualified medical personnel have removed the Player from the field. If the game is abandoned and the playing time of the game played is greater than two (2) quarters, then the final scores will be taken as that at the scheduled finish time. If the playing time is less than two (2) quarters and if the Coaches cannot agree on final scores and a winner, the game will be postponed and rescheduled if possible.

11.14 In the event of dangerous weather (e.g. lightning or hail) or other life threatening events, the game may be terminated by the Ground Manager. If the playing time of the game played, is greater than two (2) quarters, then the final scores will be taken as that at the scheduled finish time. If the playing time is less than two (2) quarters and if the Coaches cannot agree on a final score and a winner, the game will be postponed and rescheduled if possible.

Removing Players from Field of Play

11.16 No person, including any Coach or Club Official, may remove, or cause to be removed, a team from the field of play before the official completion of the match. Breach of this Rule is, for an Official, a reportable offence, to be dealt with by the Tribunal pursuant to the Rules. Breach of this Rule, by a person other than an Official, is a breach of the Code of Conduct, to be dealt with by an ISC. The President of the Club concerned shall also attend the Tribunal or ISC, as the case may be. The Tribunal or ISC may fine a Club or impose such penalty as the Tribunal or ISC thinks fit, in the event of a breach of this Rule.

12. Protests and Disputes

Other than Players or Officials

12.1 Protests and disputes arising from the conduct of games involving persons other than Players or Officials will, if referred to by the Regional Committee as provided for in these Rules, be dealt with by an ISC appointed by the Regional Committee.

12.2 Where in this Rule 12 there is a reference to a decision or action that is required to be made or done by the Regional Committee, the Regional Committee may delegate such decision making in whole or in part to the Regional Chairperson, who may in turn delegate the decision making so delegated in whole or in part to another person.

12.3 An email with details of the incident naming the persons and describing the incident as recounted by eye witnesses must be submitted **by 5:00pm of the Tuesday** following the incident with an Incident Referral Form signed by the President of the reporting Club to the Regional Committee Chairperson and AFL Sydney Juniors. AFL Sydney Juniors will immediately contact the Regional Committee, for the Regional Committee to arrange a meeting to consider the email and Incident Referral Form and determine whether the incident should be referred to an ISC. A hard copy of the Incident Referral Form accompanied by three hundred dollars (\$300.00) 50% refundable (at the Regional Committee's discretion) deposit must reach AFL Sydney Juniors **by 5:00pm of the Wednesday** following the incident. A copy of the documents referred to above will be sent by AFL Sydney Juniors to the Secretary/President of the Club against whose member(s) or spectator(s) the citing is made.

12.4 In the event that a Club requires extra time to prepare the Incident Referral Form, AFL Sydney Juniors, after receiving a notice of intent within the time requirements of Rule 12.3, may extend same to Thursday 5.00pm following the incident.

12.5 After advising of its intention to submit an Incident Referral Form in accordance with Rule 12.4, the citing Club may request extra time to negotiate an outcome with the Club that the proposed citation is directed to. In such circumstances, an agreed outcome is required by Sunday 5.00pm following the incident.

12.6 If the incident is not referred to an ISC, the Regional Committee will inform both Clubs and furnish the citing Club with their reasons **within seven (7) days** of the report being received.

12.7 An Agreement between Clubs following the issuing of an Incident Referral Form, or the decision of the Regional Committee not to proceed with an ISC does not preclude AFL Sydney Juniors from proceeding with a Code of Conduct hearing as otherwise provided for in these Rules.

12.8 The Executive Group may, in its absolute discretion, and in appropriate circumstances, waive the failure to comply with the time requirements as set out in Rule 12.3 for the submission of the email and/or Incident Referral Form. The Executive Group may, in its absolute discretion, and in appropriate circumstances, waive the failure to comply with the time requirements for the receipt of the deposit as set out in Rule 12.3. No reasons are required to be given by the Executive Group where they either waive or refuse to waive the failure to comply with the time requirements provided by this Rule.

Involving Players or Officials

12.9 Protests and disputes arising from the conduct of games involving Players or Officials (including a person who is an Official but is not performing the functions of that office) are to be considered by the Regional Committee, a quorum of which is to be at least three (3) members, unless the Regional Committee has delegated such functions to the Regional Committee Chairperson or delegate.

12.10 A Player or Official may be cited by a Club pursuant to these Rules in circumstances where the Umpire officiating at the game has not reported the Player or Official for breach of the AFL Laws, or where there has been a breach of a Code of Conduct. A Player may also be cited by a Club pursuant to these Rules when not participating in a game but still under the jurisdiction of AFL Sydney Juniors while attending a competition game.

12.11 An email with details of the incident naming the Player or Official and describing the incident as recounted by eye witnesses must be submitted **by 5:00pm of the Tuesday** following the incident with an Incident Referral Form signed by the President of the reporting Club to the Regional Committee Chairperson and AFL Sydney Juniors. A copy is also to be sent at the same time to the Secretary/President of the Club against whose Player or Official the citing is made. AFL Sydney Juniors will immediately contact the Regional Committee for the Regional Committee to arrange a meeting to consider the email and Incident Referral Form and determine whether the incident should be referred to the Tribunal. A hard copy of the Incident Referral Form accompanied by three hundred dollars (\$300.00) 50% refundable (at the Regional Committee's discretion) deposit must reach AFL Sydney Juniors **by 5:00pm of the Wednesday** following the incident.

12.12 In the event that a Club requires extra time to submit an Incident Referral Form, AFL Sydney Juniors, after receiving a notice of intent within the timing requirements of Rule 12.11, may provide such to Thursday 5.00pm following the incident

12.13 After advising of its intention to submit an Incident Referral Form in accordance with Rule 12.12, a Club may request extra time to negotiate an outcome with the Club that the proposed citation is directed to. In such circumstances, an agreed outcome is required by Sunday 5.00pm following the incident.

12.14 Subject to Rules 12.12 – 12.13, the matter will then proceed to the Regional Committee, a quorum of which is to be at least three (3) members, unless the Regional Committee has delegated such functions to the Regional Committee Chairperson or delegate to determine whether the incident should be referred to the Tribunal at the earliest possible opportunity, preferably prior to the next weekend's round of games, but in any event, **within seven (7) days** of the report being received.

12.15 If the incident is not referred to the Tribunal, the Regional Committee will inform both Clubs and furnish the citing Club with their reasons **within seven (7) days** of the report being received.

12.16 An Agreement between Clubs following the issuing of an Incident Referral Form, or the decision of the Regional Committee not to proceed with a Tribunal hearing does not preclude AFL Sydney Juniors from proceeding with a Tribunal hearing as otherwise provided for in these Rules.

12.17 If the incident is referred to the Tribunal, the matter will be heard according to the rules governing the Tribunal and be reported by the Tribunal to AFL Sydney Juniors to in turn report to the Clubs and the Regional Committee.

12.18 The Executive Committee may waive the failure of any person or persons, in appropriate circumstances to comply with the time requirements as provided in Rules 12.14 – 12.15. No reasons are required to be given by the Regional Committee where they either waive or refuse to waive the failure to comply with the time requirements provided by those Rules.

12.19 For the purposes of these Rules 12.9 to 12.18 inclusive, AFL Sydney Juniors may, if it so determines and subject to oversight by the Executive Group, assume the powers of the Regional Committee, and where it does so, those Rules will be read accordingly.

12.20 AFL Sydney Juniors may, if it so determines, appoint a person to assume the conduct of the hearing before the Tribunal in place of the citing Club, irrespective of whether or not AFL Sydney Juniors has assumed the powers of the Regional Committee pursuant to Rule 12.19.

Extensions of time

12.19 The time limits under this Rule 12 may be further extended in extraordinary circumstances only, by application to the Regional Committee, which is to inform the Executive Group immediately of the request. Any such request is subject to the approval by the Executive Group.

13. Postponements

Rescheduling

13.1 Regions will, except as agreed by the Executive Group, schedule two (2) wet weather rounds during the season as part of the normal draw.

13.2 Postponed matches should be played, providing the duration of the competition will permit. **Clubs have seven (7) days** to agree on replaying a postponed game and they must notify both the Regional Committee and AFL Sydney Juniors of the details of any agreement or their inability to agree to replay the game. Postponed games are expected to be replayed within 4 weeks of a postponed match. In the event that the Clubs are unable to agree on replaying the game, the Regional Committee will determine whether the game should be abandoned, or alternatively direct the Clubs when and where the game should be replayed. Failure by a Club to comply with the direction of the Regional Committee will result in the forfeiture of the game by that Club. Where the game is abandoned, match ratio applies.

13.3 Where appropriate, the Regional Committee may recommend cancellation of a complete round. Where the draw includes a wet weather make-up day and the washout occurs before that day the whole round will be transferred, as is, if ground availability provides. If a second washout occurs and the proximity of the final round does not permit all games to be easily rescheduled, the Regional Committee will make a decision.

13.4 For instances (other than a complete washout) where advice of grounds closures is received by a Club **AFTER 8:00pm on the Friday evening, or 12.00pm for Friday night games**, the HOST Club will be responsible for advising the Regional Committee, and with concurrence, advising match postponements to the Regional Umpire Coordinator and the Secretary of ALL Clubs scheduled to play at that ground.

13.5 Where a Local Government policy on ground usage requires the governing body/association and not an individual Club (HOST) to adjudicate on and to administer matters of grounds being suitable for play, the Regional Committee may recommend to the Executive Group for its approval a supplementary process for dealing with the issue of postponements and cancellations.

Minor Rounds

13.6 Unless a decision on any postponements is made **by 8:00pm Friday evening**, or subsequently, as outlined above, then the decision on play will be made at the grounds by the competing Coaches, and in the event of a dispute, the Ground Manager and Field Umpire will decide.

13.7 Where advice of a ground closure is received **by 8:00 pm on the Thursday evening** before the scheduled game(s), the Regional Committee will attempt to reschedule the game(s) to an alternate venue within the round. Clubs will be notified of the venue change and normal competition procedures shall apply. ie. if one team does not arrive, then a forfeit win will be given.

13.8 Alternatively, in considering such a decision, the Regional Committee will take all circumstances into account and the propositions put forward by the Clubs concerned. If playing the postponed match is determined as impractical, the Regional Committee shall have the right to consider distribution of the match wins.

Finals Matches

13.9 The decision on any postponement rests with the Regional Committee, or its delegated authority at the grounds. A notice of such postponement will be posted at the ground(s) concerned. If a Finals Match is postponed, it will be replayed, unless otherwise directed by the Regional Committee.

Washouts

13.10 In the event of a WASH OUT ROUND the calculation of match ratio will ensure teams are ranked fairly in the finals series. The match ratio is determined by dividing the number of games won by the number of games played. This figure is multiplied by 100 to calculate a match ratio percentage.

13.11 It is the responsibility of the Host club to advise AFL Sydney Juniors of any washouts of games, although advice may also be provided by the Regional Committee.

14. Allowed on the Field of Play

14.1 Only Players, Umpires, Trainers, First Aid Officials (as defined) and Runners are permitted on the field during the course of play (except where provided for under the Development Rules).

Runners

14.2 In the Under 13's to Under 17's Age Groups, two (2) runners are allowed, but only one on the ground at any one time. In all other Age Groups, only one (1) runner is allowed. The runner is to wear a clearly visible and identifiable coloured top as determined or approved by the Regional Committee. Only runners are permitted to deliver messages to Players and are not to loiter or remain on the field after delivering such messages.

Water Carriers /Trainers

14.3 Each team is allowed four (4) water carriers/trainers (identified by a plain white t-shirt). They should only enter the playing field on the scoring of a goal or when play is at the opposite end of the field. Water carriers/trainers are not to loiter or remain on the field after undertaking their duties.

14.4 Minimum age of water carriers will be:

- Under 12's – 12 years or older
- Under 13's - 17's – 13 years or older

Coaches

14.5 In Auskick, Under 9's and Under 10's, one Coach from each team may advise the team from inside the field of play as per Appendix 3 of these Rules.

14.6 The Field Umpire shall have the power to move the Coach back or order the Coach from the field completely and to ask any non-Players to leave the field of play.

15. Interchange

15.1 No Player may take the field before the Player being replaced has left the field.

15.2 Interchanging of Players is permitted at any time throughout the match. However, interchange can only occur through an appropriately marked interchange area. It should be clearly understood by both teams prior to the commencement of the match where the defined interchange area is located. It is to be the only portion of the ground's perimeter through which Players may enter the field.

15.3 Placement of the interchange ground markings should be on the same wing, generally at an equal distance from the two (2) Coaching groups. In the Under 9 - Under 12 Age Groups, both teams are allowed to set up interchange gates on the wing (marked by low level orange cones) to be used through the course of the game.

16. Forfeits

16.1 A forfeit WILL be claimed against any team that CANNOT field the MINIMUM NUMBER of Players for the relevant Age Group in accordance with rule 10.9 within fifteen (15) minutes after the agreed starting time. The exception to this rule applies in finals (see Rule 17.1.1). If both teams cannot field the minimum number, the result is a non-game. Forfeit details must be listed on the team sheets with the Umpire's signature. The teams may play a scratch match within the remaining allotted time. No votes are to be recorded.

16.2 Any forfeit (if known in advance) must be advised to AFL Sydney Juniors, the opposing Club's Administrator / Secretary and the Regional Umpire Coordinator **36 hours prior to the scheduled time of the match**. If an Umpire turns up to a game, because of late or non-notification of a forfeit, the forfeiting team is liable for the whole amount of the Umpire's fees (shared equally in the case of a double forfeit). If a scratch match is played, the Umpire fees are paid as per normal Regional rules.

16.3 If a forfeit is not known in advance (essentially, it happens on the day) then advice must be provided to AFL Sydney Juniors by the Host club as soon as possible after the forfeit is known.

16.4 For forfeit score calculations, refer to Rule 3.19.

16.5 For the purpose of games played, only the non-forfeiting team may enter a team into Footyweb.

17. Finals Series

Times and Player Numbers

17.1 The intention of this Rule is during the finals series to have the maximum number of Players on the field in accordance with the numbers set out in the table to Rule 10.9. Where a team has less than the match numbers shown under that table, they must play all those Players on the field and are not permitted to run an interchange bench. Evening down of total on-field numbers during the finals series is compulsory.

17.1.1 In finals, minimum numbers must be in attendance prior to the commencement of play, otherwise a forfeit will be given with less than minimum numbers.

17.2 In the event of a draw, additional time to be played for all Age Groups is five (5) minutes each way. The Coach will be allowed to address their team during a three (3) minute break after the final siren. The Coach will not be able to address the team and sides will change ends at the conclusion of the first five (5) minute period. If the game is still tied after additional time, teams do not change ends and the game restarts with a centre ball up. The Coach will not be able to address the team. The team to score first will be declared the winner.

17.3 TIME-ON will be allowed for injury in the case of a stretcher being used on the field and also other incidents (e.g. a lost ball) at the Umpire's discretion. Timekeepers are to be notified if this is the case and must be able to record the time-on.

Format of Final Series

17.4 Where the number of teams in the competition is six (6) to eleven (11) teams, the top placed four (4) teams will participate. Where a Regional Committee has employed a cross sub region fixture structure in the draw, application to extend the number of finals teams may be referred by the Regional Committee to the Executive Group prior to Round 10, and the Executive Group will inform the Regional Committee of the the number of teams to participate in and, if appropriate, the format of the Final Series, by no later than Round 12. A cross sub region fixture is where teams from different sub regions (example Sydney South and Sydney North Clubs) are scheduled to predominately play each other in their sub region, with a limited element of cross over games to reduce travel considerations.

Where the number of teams in the competition exceeds eleven (11) teams then the top placed six (6) teams will participate.

Format of the finals for four (4) teams:

Week 1	(A) 1v2 (B) 3v4	Week 2 (C) Loser A v Winner B	Week 3 Winner A v Winner C
--------	--------------------	-------------------------------	----------------------------

Format of the finals for six (6) teams:

Week 1	(A) 1v2	(B) 3v6	(C) 4v5
Week 2	(D) Winner A v lowest ranked winner of B and C (E) Loser A v highest ranked winner of B and C		
Week 3	Winner D v Winner E		

17.5 The 10 Goal Rule does not apply during the finals series.

20.9A A transfer is deemed to include inter and intra league Player movements as defined by the AFL NSW/ACT Commission. Transfers cannot be affected before February 1 and after June 30 each year.

20.9B Players in the Under 9 to Under 17 Age Groups are free to transfer between Clubs prior to the season commencing (round 1), provided they have not re-registered with their former Club (the former Club), subject to the restrictions in these Rules.

20.10A Registration with a Club does not include where the Player is playing with that Club pursuant to a permit only, or any similar arrangement.

20.10B Following the commencement of the season (round 1), Players are only free to transfer after Regional Committee approval.

20.10C The process of transfer requires the Player wishing to transfer to request a transfer from the existing Club, including reasons for such a request. Once consent is provided, the new Club will need to register the Player accordingly. If consent is not given, the matter can be referred to the Regional Committee for determination.

20.10D A Player playing for a Club without transfer consent will result in the loss of match ratio and percentage awarded while the infringement of these Rules continues.

20.10E Transfers not officially approved by the Regional Committee will result in penalties to the teams and Clubs involved in accepting and playing a non-approved Player.

20.10F Where a Club does not seek prior approval of a transfer by the Regional Committee, any match ratio will be forfeited in the event that the transfer is revoked

20.11 Clubs to which the Players are transferring (the new Club) are only permitted a maximum of three (3) Players from the one particular former Club team to the new Club, unless the former Club allows more than three (3). In circumstances where the former Club agrees to allow more than three (3) Players, the approval of the Regional Committee must also be obtained by the new Club prior to the transfer.

20.12 Rule 20.11 does not apply where the former Club does not field a team in the Age Group of the Players concerned and the former Club has informed the Regional Committee that they will not be fielding a team in the Age Group. For the purpose of this Rule, a team in the Age Group of the Players concerned includes a combined team of a number of Clubs, where there is an agreement by the former Club to field its Players in or refer its Players to the combined team.

20.13A. Approval pursuant to Rule 20.11 will only be given in exceptional circumstances. An example of where approval is likely to be given is where a Player moves residential location as a result of a Parent or Guardian being relocated by an existing employer, where the Parent has been with that same employer for a period of six (6) months prior to the transfer of employment.

20.13B The maximum number of Players that may transfer from a former Club to the new Club, across all teams and Age Groups, including the circumstances covered by Rule 20,09.01, is five (5), unless the Regional Committee approves of same prior to the transfer.

Academy Transfers

20.13C.1 This Rule applies where **QBE Sydney Swans Academy** and **PM Capital Giants Academy** Players transfer or are transferring to the same team in one Club before or during the season.

20.13C.2 If as a result of transfers the number of QBE Sydney Swans Academy and PM Capital Giants Academy Players will exceed 30% in aggregate of the maximum Team number for that age group (being the aggregate of "Max on field" and the "Max interchange" as set out in rule 10.9), transfers approved by Clubs or automatically by Footyweb in that season will be revoked by AFL Sydney Juniors, with notice to the Club and the Regional Committee. Any such revocation will be applied on the basis of latest in time registration being revoked.

20.13C.3 If a Club is already at the 30% limit before any transfers are sought to be effected, no further transfers will be allowed, unless agreed to otherwise by the Regional Committee, subject to the prior approval of the Executive Group.

20.13C.4 Competition points will be forfeited in the event a team exceeds the 30% limit referred to in the this Rule on match day, unless the team exceeded the 30% limit before any transfer/s, or exceeded the 30% limit after any transfer/s approved as provided in these Rules, such approval being given prior to the relevant match.

20.13C.5 Transfer of **QBE Sydney Swans Academy** and **PM Capital Giants Academy** players in any one season is, in any event, limited to a maximum of two players, unless agreed to or otherwise by the Regional Committee, subject to the approval of the Executive Group.

How this rule works

Example – Under 13 – Max, on field / interchange – 18 / 6

Maximum team number = $24 \times 30\% = 7$ players (the number of players is to be rounded down in all instances where the result is not a whole number)

Proof of Age

20.14 The following documentary proof of age shall be acceptable to AFL Sydney Juniors :

- Original Birth Certificate or Original Extract of Birth
- Passport
- Original Baptism or similar Certificate
- Any original legal document certifying proof of age of applicant, or

- New Player(s) name, address, birth date are noted on the back of the Team Sheet.
- The opposing Team Manager is informed that a new Player is being registered.

20.17 Should the Player later be found to be ineligible, the Player's team will lose match ratio and the Club will be subject to a sanction imposed by the Executive Group.

Executive Group Jurisdiction

20.18 Clubs knowingly playing UNREGISTERED or INELIGIBLE Players or deliberately falsifying documents in any way will be liable to a fine (in addition to the loss of any match ratio), not exceeding five hundred (\$500) dollars for each breach, and/or suspension of Club Official(s) and/or the Club from Competition/s.

20.19 In the event of any questions arising that are not provided for in these Rules, the opinion of the Executive Group shall be sought and acted upon and its decision will be final.

Female Participation

20.20 The AFL policy strongly recommends that youth girls aged 13 and 14 years participate in a structured youth girl's competitions. However, if there is no youth girl's competition available, the following applies:

- In accordance with the Sex Discrimination Act 1984 (Cth)¹, persons aged Under 12 years of age cannot be excluded on the basis of sex or gender identity from participating in a competitive sporting activity.
- Pursuant to section 42(1) of the Act, persons of one gender aged 12 and over can be excluded from participating in competitive sporting activities in which the strength, stamina and physique of competitors is relevant.
- AFL Sydney Juniors will exclude females who reach 14 years of age as at 1 January in the year of play from playing in any competition that is not a 'female competition'. A female competition is a competition in which the majority of the Players are female.
- The AFL NSW/ACT Dispensation policy applies to all participants in the game.

¹ The provisions of section 42 of the Sex Discrimination Act 1984 (Cth) are essentially replicated in equivalent State legislation
 Note: Please see the AFL National Junior Policy for further details regarding this philosophy

21. Resolution of disputes within Clubs

21.1 The Executive Group requires that all issues or disputes arising within Clubs are to be resolved to the reasonable satisfaction of the members of that Club in a timely and appropriate manner.

21.2 The following outline resolution procedures are recommended by AFL Sydney Juniors to ensure that this objective is able to be achieved, but are subject to the Club's own dispute resolution processes.

21.3 All Clubs and their members have a responsibility to participate in dispute resolution processes.

21.4 Where any member of a Club has an issue or dispute, it shall, where possible, be dealt with as follows:

If the issue is	then the issue should be raised with
Football or team related	Team Manager or Coach
General in nature	Committee Member

21.5 Where the dispute is football or team related and the parties to the dispute cannot resolve the dispute, the Team Manager or Coach should refer the dispute to the Committee through the Football Manager, Secretary or President, as soon as possible.

21.6 In attempting to resolve the dispute, the parties to the dispute should take into account;

21.6.1 the nature and extent of the issue e.g. is it likely to have a wider effect or impact on the Club;

21.6.2 the number of Players or teams affected;

21.6.3 whether a temporary solution or measure is possible;

21.6.4 the expected time before the dispute can be addressed;

21.6.5 what resources may be needed to resolve the dispute.

21.7 The Team Manager or Coach may at any time call on the Committee for assistance.

21.8 Any football or team related issues reported to the Committee, where the Team Manager or Coach has not been given the initial opportunity to resolve the dispute, shall be referred back to the Team Manager or Coach.

21.9 The consent of the Committee must be obtained before any external parties are involved in the resolution of the dispute. Subject to the Club's own procedures, and the overriding requirement of Rule 27, only the Club's President is authorised to make public statements or announcements on behalf of the Club.

21.10 Subject to Rule 21.9, a Club may seek the assistance of the Regional Committee, or the Regional Committee may in turn seek the assistance of the Executive Group, to resolve any dispute.

21.11 All persons involved in any dispute must act in a genuine attempt to resolve the dispute.

22. Coaches

Accreditation

22.1 All Coaches officiating at AFL Sydney Juniors games must be accredited / registered with AFL Coaching certificates. Non-accredited Coaches must attend and complete courses provided by the AFL NSW/ACT Commission during the course of the year of registration.

22.2 Coaches who have coached in the previous year must commence a course in the first half of the season (or early courses, as designated).

22.3 New Coaches appointed in the current year have until the mid year courses to commence accreditation.

22.4 After those dates, Coaches who have failed to comply will not be able to continue coaching unless given Executive Group dispensation.

22.5 An unaccredited Coach not provided dispensation to continue coaching by the Executive Group will not be permitted to:

22.5.1 display visible signs of Coaching, which includes communicating to the Players, assistant Coach or Coaches, runners, water carriers, trainers etc, before or during the game;

23. Representative Football

23.1 AFL Sydney Juniors Representative program (Carnival) is presently structured along the following lines, but changes will be made from time to time by the Executive Group as required to reflect its evolutionary development. It is important that the Carnival reflects in part the development of the Regional Representatives program, as much as an opportunity for reward:

- The Carnival will involve Under 13/14/15/17's.
- The Rotation Principal of players, for part of the Carnival at least, is required.
- Details of the Rotation Policy will be provided with Team lists before the Carnival.
- Eight weeks before the determined dates for the Carnival, Regions should commence appointing Coaches and staff.
- Six weeks before the Carnival, non AFL Academy nominated Players may start training as a group.
- The Academies will invite Representative Coaches to attend Academy training to oversee those Players from their Region they may consider for their Representative team. In addition, Academy Coaches will be able to work with the Representative Coaches on up-skilling. It is expected that Representative Coaches will take up the invitations.
- In the two weeks before the Carnival, Academy Players selected in the Representative squad and Non Academy Players can train together. In the last 2 weeks before the Carnival, Academy Players chosen will be excused from Academy requirements.
- Unless otherwise agreed to by the Regional Committee, Representative players selected in the Under 13's Carnival must be "true age" ie. the Player must as of midnight on the 31st December prior to the season, be no more than one year under the prescribed age. Unless otherwise agreed to by the Regional Committee for all other teams, Players may be no more than two(2) years under the prescribed age

24. Uniforms

24.1 These Rules and their implementation are subject to the overall supervision of, and direction by the Executive Group.

24.2 All Players must play in the Club or team uniform as agreed by the Regional Committee. Players must wear different full numbers on the back of each jumper, which are recognisable from one hundred (100) metres. Those numbers must correspond to those on the respective team sheet.

24.3 Where the Club colours and uniform have been approved by the Regional Committee, that Club will have the rights to that colour and uniform in that Region. No other AFL Sydney Juniors Club in that Region may apply to register that colour or uniform.

24.4 The Regional Committee will make provision for Club colours and uniforms in the event that a Club or Clubs are admitted to the Region's competitions where the colours and/or uniforms of two or more Clubs would otherwise be the same.

24.5 If a Club wishes to change its colours or uniform, it must obtain approval from the Regional Committee.

24.6 All Club and team uniforms (jumper, shorts and socks) must be approved by the Regional Committee at the time of team nominations. This is to avoid **uniform** clashes.

24.7 To avoid clashes of uniform, the following provisions will also apply:

24.7.1 one team shall play in dark coloured shorts (e.g. black, dark brown etc) whilst the other team will play in contrasting coloured shorts (such as red) or white shorts;

24.7.2 where the HOST Club plays in white shorts, the away team may play in any colour shorts, other than white;

24.8 Where teams play in uniforms that are similar in design or colour, the AWAY team shall wear a clash jumper.

Where extenuating circumstances exist, the Executive Group may, at its discretion, place a Club on a financial scheme of arrangements for the repayment of outstanding accounts. Any Club operating under such an arrangement shall be considered to be financial with AFL Sydney Juniors, for the purposes of these Rules, provided that it is up to date with all payments specified by the scheme and for the current year.

25.4 If any Club is in arrears at a time **seven (7) days** prior to the date of the finals series commencing, that Club shall be ineligible to compete in that finals series. As provided in the AFL Sydney Juniors Rules of Association and the Regional Charter, the funds of the Region will be used only in pursuance of the objects of and for the benefit of the Region.

25.7 Funds and financial transactions will be managed for each Regional Committee separately through the establishment of separate cost centres for each Region. In this way, funds sourced and costs incurred will be quarantined and allocated accordingly. On a regular basis as agreed by the Executive Group, AFL Sydney Juniors will provide the Regional Committees with transaction reports relative to their Region.

Sponsorships

25.8 All sponsorships of Clubs or Regions must be referred in advance in writing for approval by AFL Sydney Juniors. Sponsorships will not be approved for organisations or for products that are not suitable for junior sport. Sponsorship of tobacco, gaming and alcohol products or their retailing will be refused. 29.7.3 make a decision that a reasonable body could honestly arrive at;

29.7.4 proceed in an inquisitorial manner; and

29.7.5 conduct the hearing with as little formality and technicality and with as much expedition as the proper consideration of the appeal permits.

29.8 The Regional Appeal's Committee is not bound by the rules of evidence or by practices and procedures applicable to courts of record, but may inform itself as to any matter in any such manner as it thinks fit.

29.9 The Regional Appeal's Committee may, subject to these clauses, regulate any proceedings before it in such manner as it thinks fit.

29.10 The Regional Appeal's Committee shall be empowered to meet when and where it considers necessary.

29.11 The question on appeal before the Regional Appeal's Committee must be decided according to the opinion of a majority of the members constituting the Regional Appeal's Committee.

29.12 The Regional Appeal's Committee is not obliged to give reasons for any decision it makes.

Power of Regional Appeal's Committee

29.13 After hearing the appeal, the Regional Appeal's Committee may make such determination as it deems fit, including allowing the appeal in whole or in part, substituting its own decision, vary the original decision (including any penalty) or dismiss the appeal. The Regional Appeal's Committee may impose such terms when making its determination as it deems fit.

The Regional Committee shall inform the affected parties of the outcome of the appeal within 2 days of it being informed by the Regional Appeal's Committee of its decision. Subject to Rule 29.15, the decision of the Regional Appeal's Committee shall be final and binding on all parties and is a decision of the Regional Committee.

Appeals to the Executive Group

29.15 Any registered Player, Official or Club (the appellant) may appeal to the Executive Group against a decision of the Regional Committee, including an appeal against the decision of the Regional Appeal's Committee. An appeal may be made with respect to the failure of the Regional Committee to make a decision. The Regional Committee may appeal the decision of the Regional Appeal's Committee.

29.16 On receipt of an appeal to the Executive Group, the Chairman of the Executive Group will appoint an Executive Group Appeal's Committee, constituting of three Executive Group members, to deal with appeals to the Executive Group pursuant to Rule 29. The Executive Group Appeal's Committee will determine the procedures by which it will determine the appeal pursuant to this Rule, and the decision of the Executive Group Appeal's Committee will, for the purposes of Rule 29, be the decision of the Executive Group.

29.17 Any appeal to the Executive Group is to be lodged with AFL Sydney Juniors (for referral to the Executive Group), within 10 days of the appellant receiving notification of any such decision, or in the case of the failure to make the decision, when the decision ought reasonably to have been made and must include full details of the event precipitating the appeal, together with any information which might assist in its consideration. 29.19 After hearing the appeal, the Executive Group may make such determination as it deems fit, including allowing the appeal in whole or in part, substituting its own decision, vary the original decision (including any penalty), remit the matter back to the appropriate person or body for determination in accordance with the Executive Group's recommendations or dismiss the appeal. The Executive Group may impose such terms when making its determination as it deems fit.

Basis of determining Appeal to Executive Group

29.20 In the event that the Executive Group determines not to proceed with the hearing of the appeal by way of a re-hearing, the Executive Group will consider the appeal on the basis set out below:

29.20.1 An appeal is directed to correcting some error which may have been made in the original determination or hearing and affected its finding. That an aggrieved party considers that the ultimate decision is wrong or a penalty imposed is excessive does not constitute an appealable error;

29.20.2 The Executive Group will only allow an appeal where, after considering the material placed before it, it determines that the appellant may have suffered a substantial injustice or where the Executive Group considers the original decision:

- was not fair or reasonable;
- was against the weight of evidence;
- involved a substantial denial of natural justice, or
- ought to be reconsidered because significant evidence is now available that was not reasonably available at the time of the hearing.

Decision Final - Executive Group

29.21 The AFL Sydney Juniors shall inform the affected parties of the outcome of any appeal to the Executive Group within 2 days of the Executive Group's decision. The decision of the Executive Group shall be final and binding on all parties, and is not subject to any appeal.

Appeals from decisions of the Executive Group

29.22 Where the Executive Group makes a decision that is subject to a right of appeal, the appeal is to be heard by the AFL NSW/ACT Appeals Committee.

Where there is a breach of the Code of Conduct, such person will be referred to an ISC by the Executive Group or Regional Committee, or where a Reportable Offence, such person will be referred by the Executive Group to the Tribunal. Appendix 1 – Umpire Review Process

The key components of the Umpire Review Process are:

- Completion of the Umpire's Review form for Under 9's to Under 12's inclusive is compulsory with non-compliance of a correctly completed form incurring a fine (i.e. non-submission/umpire identification or completing person's identification not provided). With Under 13's to Under 17's inclusive, completion of the Umpire's Review form is encouraged but not compulsory.
- An online process enables Coaches via the web at a more convenient time after the game to complete his or her views and provide constructive feedback
- Preseason Training and access to the necessary link on the website will be provided
- It is expected that a Coach will complete the online form by 9.00am on the Tuesday following a match
- A review of feedback and comments by Regional Umpires Coordinator and any necessary follow up actions.

Summary

The aim of this process is to provide meaningful assessment of our Junior Umpires. To alleviate the "heat of battle" responses and to give a Coach time to consider a constructive review, the timing is extended. AFL Sydney Juniors is taking all steps to deliver an acceptable level of competency for all Umpires. This can only be achieved if Club Coaches and management of Junior teams are prepared to provide constructive comment in their assessment of an Umpire's performance.

10 Goal Rule

The purpose of this Rule is to encourage Coaches, once an unassailable lead (10 goals/60 points) is reached during a game, to appreciate that it serves no purpose to inflict massive losses on their opposition but rather at that point in time to revert to experimenting with Players playing in different positions and to even-up the skill levels of the teams.

This Rule replaces the previous Mercy Rule and will apply to all Competition Age Groups. Games on match day will proceed as a normal match, for the whole match period. Clubs will enter final scores into Footyweb as normal.

After the game, the match points and percentage will be adjusted to ensure that no winning margin exceeds 10 goals/60 points. This will be completed by a ladder adjustment by AFL Sydney Juniors on the Monday following the fixture games

Appendix 7 – Zoning: (Under 9/10)

This brief guide is for the benefit of parents and other spectators to help them understand what is happening on the field. Modified rules are used in these Age Groups to give participants the best opportunity to participate in the great game of AFL:

- The field is divided into three (3) zones: forwards, centres and backs. The Players are rotated through the zones in each game to ensure that all Players experience the different field positions. Four (4) distinguishable markers (low domes) are placed on the sideline to mark the zones.
- The forwards are the only Players that can kick a score. These Players are marked with a clearly identifiable armband indicating that they are the forwards. Should a centre-zone Player kick the ball through the goal posts, no score is recorded and it is treated like any other out of bounds.
- It is important to realise that the marking of zones is to help both the Players and the Umpire understand where Players should be. It is not a 'taboo' marker but an indication that a Player is close to the end of the zone. In essence there is a little 'grey area' where a Player may dispose of a ball just over the zone line. The Umpire will communicate with the Players and attempt to ensure that the use of the 'grey area' is kept to a minimum. The use of armbands by the forwards helps the umpire identify where a Player is intended to be.
- Players are unable to take full possession of the ball at the start of play (ball up/centre bounce) or the recommencement of play around the ground. In fact, the Umpire will use different Players from the zone that play is in to contest the bounce.
- The interchange gate for these Age Groups is marked by smaller witch's hats and is the area that the team will use to move Players from and onto the ground.

Should you have any questions, ask the Coach (after the game!) or the Manager from your Club and I am sure that they will help.

Just remember, the Players are out there to have fun and the Umpire is a volunteer.
