Scheduling

The OBC Secretary General Steve Smith arrived in Pago Pago one week prior to the competition to ensure all was in order for the competition and to assist with the preparations and with the scheduling of games. Previous to that, the structure of the competition had been discussed several times by phone and facsimile by the OBC Secretariat and the American Samoa Basketball Organising Committee. At the time of Smith's return a further quantity of *Molten* basketballs were donated to the organising committee to be used during the competition.

The schedule was finalised and circulated to all competing Federations prior to their departure for American Samoa. It was after this had occurred, that an entry was received from a men's team representing the Solomon Islands. In consultation with Ed Imo a decision was made to refuse this entry which had failed to meet the previous deadlines set.

In preparing the schedule of games the following factors were considered:-

- desire to have either an American Samoa or Western Samoa game on each of the evening sessions.
- desire to give equal exposure to men's and women's games
- desire to give teams a much rest as possible between games
- desire to complete pool play prior to Sunday August 17th
- desire to treat all medal contending teams equally
- desire to complete the competition prior to Wednesday evening August 20th.

The competition structure with an equal number of men's and women's teams and two pools in both divisions made those objectives relatively easy to achieve. The resulting competition schedule is attached.

Referees

One of the reasons why the tournament ran successfully was the presence at the tournament of several very competent referees, some brought by competing teams, others coming despite the fact that their Federation did not field teams. I would especially like to express my appreciation to Aisa Nao(PNG), Michael White(Northern Marianas) and Marie Vuke(Vanuatu) for their most competent independent assistance with officiating. It is to be hoped, than in future, teams competing in such events, bring a suitably experienced official with them to these events.

Technical Meeting

A technical meeting for all of the competing teams was organised and advertised for Sunday August 10th and was attended by all competing teams as well as referees and scorebench personnel. The American Samoan Basketball Federation provided well appreciated food and drinks prior to the meeting. A comprehensive information booklet incorporating the competition rules and the competition schedule was distributed at the

meeting. A copy of the information distributed at the Technical Meeting is included in this report. Ed Imo(American Samoa) and Steve Smith(OBC) co-chaired the technical meeting. The minutes of that meeting are included in this report. Important decisions were;

- Steve Smith(OBC Deputy Secretary General) recognised as the Technical Commissioner for the tournament.
- The draw as circulated was adopted.
- The Supervising (Technical) Committee for the basketball competition comprise Ed Imo(American Samoa), Steve Smith(OBC), Michael White(Northern Marianas) and Al Lutali(American Samoa Sports Officials Association)
- The Jury of Appeal for the basketball competition comprise Al Ramsay(OBC chairman), Robert Vautrin(New Caledonia), Bob Tuxson(Fiji), Naura Esena(Samoa), Henry Richmond(Tahiti) as representatives. George Marsters(Cook Islands), Dempsey Detenamo(Nauru), Paul Shimazu(Guam), David Tupua(American Samoa) appointed as the alternative delegates to replace any delegates involved in an appeal involving teams representing their Federation.
