

36th Minnow Australian Championships

Arrival, Measurement and Registration Instructions

Boat drop off will be available on Sunday 20th of December from 1200 hours until 1800. Drop off at other times may be available by arrangement. Please call Murray O'Brien on 0400 552 642.

Early registration and measurement will be available from Saturday December 26th 1400 hours until 1700 hours.

On Sunday the 27th of December measurement and registration will be from 0900 hours to 1600 hours.

After dropping off your boat please move your car and trailer from the drop off zone as soon as possible. Trailers can only be stored outside the eastern gate of the yacht club in the designated 'trailer parking' zone.

Vehicle parking is available on the southern, western and eastern sides of the club and is free of charge. Overflow parking is available in the Bartels street car park opposite the club.

The Bartels street car park is where the W.A. and N.T. containers will be stored.

Access to the change room/toilets is coded. The code is C1946

Step one:

The first step in the procedure will be to have your boat measured as per the points on the measurement checklist.

Measurement and safety compliance checking of boats will take place on the front lawn and concrete terrace at the northern side of the clubhouse.

Sail measuring and stamping will take place on the upper deck of McCrae Yacht Club clubhouse.

Step Two:

Take your signed measurement form to the registration desk on the upper deck of the clubhouse.

You will receive a bag, a regatta shirt and meal tickets for the welcome function and presentation dinner.

Any extra meal tickets required can be purchased at registration, however we would ask you to book and pay for these on Try Booking via the Minnow Sailing Association website as we will not have facilities to take cash payments.

Step three:

Special competitor/children's lunch packs will be available for pre ordering on the registration/measurement days at the canteen on the lower deck of the club. This is an easy, low cost option for parents to feed their children. Please note that pre ordering is only available at registration. The canteen will have a variety of other food available on a daily basis.

Step four:

Make yourselves at home and enjoy the delights of our club, beach and lawn. Please have a safe, fun and fair regatta!
