Respect

Codes of Conduct

Junior Players, Parents, Coaches and Managers

The following Code of Conduct has been printed and will be distributed to each Association/Zone via their Member Federation. Clubs should have each team between the ages of 5 and 17 complete the Codes of Conduct and return to their Club Secretary within the first four weeks of competition.

Young Players

We all have a responsibility to promote high standards of behaviour in the game. As a player, you have a big part to play. That's why Football Federation Australia is asking every player to follow a Respect Code of Conduct.

When playing football, I will:

- Always play to the best of my ability
- Play fairly – I won't cheat, complain or waste time
- Respect my team-mates, the other team, the referee or my coach/manager
- Play by the rules, as directed by the referee
- Shake hands with the other team and referee at the end of the game
- Listen and respond to what my coach/team manager tells me
- Talk to someone I trust or the club member protection officer if I'm unhappy about anything at my club.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club or competition administrator. I may:

- Be required to apologise to my team-mates, the other team and the referee
- Receive a formal warning from the coach or the club committee
- Be dropped or substituted
- Be suspended from training
- Be required to leave the club.

In addition:

My club or competition administrator may make my parent or carer aware of any infringements of the Code of Conduct

The competition administrator could impose a fine, suspension or loss of competition points against my team or club.

Parents and Carers

Parents and carers have a responsibility to support your child's football activities in a positive way on and off the field. This includes being a role model and encouraging good behaviour in not only your own child but also their team mates, coach, manager and other spectators.

Supporting your child and their team is natural, but it needs to be done in a positive and supportive way in a harassment-free environment.

As a parent I will:

- Remember that children participate in sport for their enjoyment, not yours.
- Encourage children to participate, do not force them.
- Focus on your child's efforts and performance rather than whether they win or lose.
- Encourage children to play according to the rules and to settle disagreements without resorting to hostility or violence.
- Never ridicule or yell at a child for making a mistake or losing a competition.
- Remember that children learn best by example. Appreciate good performance and skilful plays by all participants.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Respect officials' decisions and teach children to do likewise.
- Show appreciation for volunteer coaches, officials and administrators. Without them, your child could not participate.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club or competition administrator. I may:

- Be required to apologise to other parents, the other team and the referee
- Receive a formal warning from the club committee
- Be suspended from attending matches
- My child's registration may be cancelled

Respect

Code of Conduct

Senior Players

The following Code of Conduct has been included into the MyFootballClub senior player registration process from 1 January 2012.

We all have a responsibility to promote high standards of behaviour in the game.

Players tell us they want a referee for every match, yet thousands of match officials drop out each season because of the abuse and intimidation they receive on and off the pitch.

Respect your referee today and you may just get one for every match this season.

Play your part and observe FFA's **Respect Code of Conduct** for players at all times.

On and off the field, I will:

- Adhere to the Laws of The Game
- Display and promote high standards of behaviour
- Promote Fair Play
- Always respect the match officials' decisions
- Never engage in public criticism of the match officials
- Never engage in offensive, insulting or abusive language or behaviour
- Never engage in bullying, intimidation or harassment
- Speak to my team-mates, the opposition and my coach/manager with respect
- Remember we all make mistakes
- Win or lose with dignity. Shake hands with the opposing team and the referee at the end of every game.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, Association/Zone or the Member Federation:

- Be required to apologise to team-mates, the other team, referee or team manager
- Receive a warning from the coach
- Receive a written warning from the club committee
- Be dropped or substituted
- Be suspended from training
- Not be selected for the team
- Be required to serve a suspension
- Be fined
- Be required to leave the club.

We have been Townsville's most awarded builder in recent years and we continue to push the envelope in the construction industry through our systems, efficiencies and products.

Our goals continue to focus around some basic key ingredients

People – without our people (staff, subbies and customers) we have nothing. It is super important to nurture strong relationships through every level

Product – Our product knowledge and know how is key in our homes. It is great to have a product that we can believe in and trust. It is recognised by industry piers as one of the best quality of homes on the market

Passion – Is the glue that brings it all together, it makes our job fun, exciting and challenging. Always striving to maintain and better ourselves and every thing we do.

It is through these ingredients we are able to deliver consistent high quality homes built in 80 working days or less.

We are now proud to be able to offer KPM (Keir Property Management) as another string in our bow. Offering local and remote investors a one stop shop through the building and management of their new or existing properties.
