		FOOTBALL FEDERATION SA Procedures and Policies	
Subject:	Procedure– Registration and Transfer of Players		
		Date Implemented	Nov 09
	<i>This policy will be reviewed on an annually bases.</i>	Date Updated:	Jan 16

Rationale

This document clearly outlines the procedure that is required to be followed for the registration, transfer or loan of a player at all levels of competitions conducted by the Football Federation SA. These procedures abide by the Football Federation Australia (FFA) National Registration Regulations.

Required Outcome 1:

This policy aims to clearly outline the registration, transfer and loan periods for all players.

Required Outcome 2:

This policy clearly outlines the process to be followed to register, transfer and/or loan a player.

Required Outcome 3:

This policy will ensure consistency is adopted across all competitions with regards to the registration, transfer and/or loan of a player.

1. Registration Status as per the FFA National Registration Regulations.

- a. A player may be registered either as an Amateur Player or a Professional Player.
- b. A Professional Player is a player who has a written contract with a club, under which he or she is paid to play football for that club.
- c. An Amateur Player is any player that is not a Professional Player. A club may pay or reimburse a player any expenses incurred by that player without affecting the amateur status, including travel kit, equipment or insurance premiums. If, however, an Amateur Player is paid or reimbursed more than \$100.00 a week, the onus is on that club to satisfy the Football Federation SA that the amount paid accurately reflects the expenses incurred by that player. If the club fails to satisfy this onus, the player will be deemed to be a professional.

2. Registration Periods.

- a. The registration of an Amateur Player is permissible in the Senior Men's Competition up until the 30 June of that season.
- b. The registration of an Amateur Player is permissible in the Senior Women's Competition, Junior Boys and Junior Girls Competition up until the end of the season as long as the player has not previously been registered in that season.
- c. An amateur player who has previously been registered in the season can register with another club up until the 30 June of that year.

- d. The registration of a Professional Player is only permissible during two stipulated periods. These periods are, 12 weeks to begin at the completion of one season and prior to the commencement of the next season (annual dates will be provided to clubs) and from the 1 to 30 June of that season.

3. Registration Process.

All players must be registered with the Football Federation SA before he or she can play for a club. A player may play in the girls and women's competition under the Guest Player ruling prior to registering, for further information please refer to the Guest Player Ruling outlined in the Competition Operating Guidelines.

Registration of Amateur Players

- a. All Amateur Players are required to self register via the online registration system, myfootballclub.
- b. Self registration requires the player or parent/carer to register direct through the MyFootballClub registration system. This means that the player is required to complete a registration online.
- c. The FFSA will notify all clubs on an annual basis of the commencement date for registrations.
- d. Players may register up until 30 June of each year. Please refer to Competition Operating Regulations for any variance on this rule.
- e. FFSA will provide on an annual basis the process for self registration. Please refer to Appendix A.
- f. If a player is registering for the first time, the player must provide the club with evidence of name and age. This can be in the form of a Birth Certificate, Passport, Drivers Licence or Student ID Card. This evidence must be provided to the FFSA.

Professional Player Registration

- a. A player must not be signed as a Professional Player if they are under the statutory school leaving age, 17 years of age.
- b. A player is eligible to be registered as a Professional Player with a club only if:
 - 1. An original, signed **Prescribed Form 04 - Application to Register Professional Player**, including evidence of age and the right to work in Australia, if applicable; and
 - 2. An original **Professional Player Contract - Prescribed Form 05** is signed by the club and player and is lodged with the FFSA.
- c. To ensure that the Football Federation SA can enter the player registrations, clubs must ensure that all players enter their correct details on the registration forms.
- d. The required forms are to be submitted within the Registration Windows. Details of these dates will be provided on an annual basis to clubs
- e. If the player was last registered with an overseas club, an International Transfer Clearance is required. For further information please contact FFSA.
- f. For further details relating to the registration of a Professional Player refer to the National Registration Regulations.

Cancellation of Amateur Registration

- a. A player is only permitted to be registered with one FFSA club at any given time during the season. (Dual registration is permitted with affiliated associations).
- b. Once a player has registered with a club, they must complete a cancellation of registration online through the myfootballclub registration system.
- c. The cancellation needs to be accepted by the club releasing the player and confirmed by FFSA.
- d. Once the cancellation has been approved, the player may register with another club using the self registration process.
- e. An amateur player who has previously been registered in the season can register with another club up until the 30 June of that year.

Please refer to the National Registration Regulations for further information on the registration, transfer and loan of players including contractual requirements, visa and guest players and training compensation and transfer fees.
