Guidelines

GUIDELINES TO STADIUM SCORING FOR SCORERS

1) START OF GAME

After the team manager or coach has selected the players and checked the singlet numbers the game is ready to start.

a) REFEREE STARTING THE GAME

***** Note this is not the official clock for the game. The score board clock is what determines the time remaining in a game *****

Select 'Run Clock' when games start

- Scores and fouls can still be added if the Stadium Scoring clock finishes
- Running the clock provides approximate information about when events occur during the game

b) ADDING A SCORE TO A PLAYER

Select '**Player**' who has scored

Select '**Points**' scored

- When a player scores, click on their name and then the appropriate score i.e. +1 for each free throw made, +2 for a field goal and +3 for a 3 point goal
- The players progressive score appears beside their name and the progressive team score is added to the display at the top of the screen

c) ADDING A FOUL TO A PLAYER

Select '**Player**' who has fouled

Select type of '**Foul**'

- When a player fouls, click on their name and then the appropriate foul
- The players fouls appears beside their name and the progressive team fouls are added to the display at the top of the screen

c) ADDING A FOUL TO A PLAYER (cont)
