## THE NEWSLETTER FROM THE QUEENSCLIFF CRUISING YACHT CLUB NEWSLETTER 86

Dear Members

I thought I would take this opportunity to bring you up to date with current works happening around the Club. After many months of planning and discussions with the various authorities and our new landlord Parks Victoria, we have commenced the refurbishment of the clubrooms.

If you haven't visited recently, please come down and have a

look and if you are so inclined I'm sure John Mooney and

Brendon Lee will be able to identify a range of tasks for

which you will be able to volunteer.

A few weeks ago we had a huge turnout for our annual Working Bee. We completed a large range of tasks but most importantly, we had the chance to catch up with people, renew old friendships or meet new members for the first time.

Our other ongoing project is the Wharf. Here we have completed the strengthening of the South Wharf and over next twelve months we will commence the re decking of the North Wharf.

Here is Rex showing off his handiwork this week

In the last few days we have hosted a number of vessels from Sandringham and Brighton enjoying the annual Melbourne Cup long weekend. A weekend highlight was dinner at RGYC attended by over 50 people. This proved to be a very enjoyable few days even though we had some wild winds on Sunday.

Some spectacular menus were produced over the weekend and some of these will be published in the next newsletter.

Your new QCYC Committee has hit the ground running and is extremely busy putting together all the elements needed to ensure our 51st Opening Day acknowledges the club's milestones and achievements over the last 50 years.
