Points of Note

- This Rain Catch-up Round is from Round 9 and non-competitive games (U7 – U10) have not been included. However, if clubs wish to organise games that do not interfere with the allotted times above then go right ahead.
- In Round 9, Pambula had a full round of Home Games but their ground is unavailable so all of the games have been transferred to Wolumla. If this is not acceptable to Wolumla, then please contact me. Keep in mind that we are trying to give Merimbula Grounds a break leading into the Finals.
