SET UP:

- Ensure that all courts have scoresheets. Green box with scoresheets is at end of corridor near the gym.
- All score benches require a red arrow.
- Courts 1 – 5 need an electronic scorepad. They are numbered as to what court they go on.
- Court 1 – After 5:00pm game, need to shift announcers table to side of court & ask public to shift chairs to side of court.
- Courts 1 & 1A need to have backboards pushed back and court 1 backboards lowered electronically by using switch on wall behind backboards. This happens after the 5:00pm game.
- Courts 4 and 5 need to be lowered for Under 10's at 5:00pm and then raised up for the 5:35 game. You need to ask for the poles from the canteen.
- Put first aid kit at announcer's desk. It's at end of corridor where green box is kept.
- Provide an announcer for all games.

PACK UP:

- Collect all scoresheets and put back in green box
- Collect all scorepads & arrows and put in black box
- Bring pole padding in
- Take electronic scoreboards down and put away. Please be very careful with these as they break easily & are expensive to repair.
- Put first aid kit away

It is up to each club to ensure duties are carried out.

Belgravia Duties:

- To put out pole padding
- To put up electronic scoreboards
- Turn lights on when required. Club on duty may have to remind them once getting dark.
