# Badminton Victoria Player Grading System

Badminton Victoria (BV) has a policy involving the grading of players for all sanctioned state Open & Graded events. The policy was created to ensure players are correctly playing in an appropriate grade compared to their ability.

## Overview

The points accumulated under the Australian National Rankings will be used by BV to determine the lowest grade a player can play in an event at a Victorian graded tournament. Grading is done on a per event basis.

The image below shows the number of points required to be graded in a certain category.

Australian National Ranking Points	Grade
0 – 200 points	D
201 – 500 points	C
501 – 1500 points	B
1,501 – 3,000 points	A
3,001 points and above	Open

*For example: If you hold between 501-1500 points you are eligible to play B Grade as a minimum at BV sanctioned tournaments. However you could also play A Grade or Open should you choose too, but you would be unable to play C or D grades.*

## Grading's For Doubles Pairings

The average number of points between the two (2) players will be used in working out the appropriate grading of the doubles pair.

## No Rankings

Should a player not have a ranking in a particular discipline, the lowest grade the individual can play will be one grade lower than the one he or she has been allocated in any other discipline.

*For example: If a player was ranked at A Grade for Singles, B Grade for Doubles and had no grading for Mixed, the lowest grade they could play Mixed Doubles at would be C Grade.*

Should a player have not played any Victorian tournaments for 12 months or more, the grade at which the player entered in his or her last tournament will be used.

*For example: If a player has been injured and has not played a Badminton Victoria sanctioned tournament in 18 months, the lowest grade that player could play at would be whatever grade they last played. If they last played A Grade at a tournament 18 months ago, then the lowest grade they can play when entering a new tournament would be A Grade.*

Should a player have never played in a Victoria/Australian/BWF sanctioned tournament they would be eligible to play in D Grade.

## Breaches Of Policy

The system will be monitored by fellow players at events and if a player believes another player breaches this policy it is up to them to alert the relevant authorities.
