Explanatory Notes – Rowing

1. The host school rotation for regattas is based upon one school each year having a Bye and not being required to host a regatta, but they may assist with the organisation for the Head of the River if they choose to do so.

1.1 NB: The Bye school for 2017 is BBC.

1.2. BBC confirmed they wish to host the HOR event

Lake Wyaralong

2. Wyaralong Dam Course is now fully buoyed, but development of the second headland has not commenced work, however is now able to be boated from in current state [basic].

Cancelled events

3. If an event scheduled cannot be held due to severe weather, the event will be cancelled.
