Duty Roster

Beaumaris Yacht Club is a volunteer organisation and as such is reliant on members assisting in various Club operations throughout the season. Members (and parents of junior members) will be placed on a Duty Roster covering such vital Club functions as the Duty Officer, staffing the canteen and assisting on the rescue boats. Members are usually rostered on twice a season, once before Christmas and once after. This may change according to membership levels. Performing duty roles within the Club is a good way to get to know different people and become familiar with all aspects of Club operations. If you have reason for exemption please inform the Rear Commodore.

Third party property insurance is the minimum acceptable level of cover.

Beaumaris Yacht Club strongly recommends all sailors hold current Ambulance Victoria membership. In the event the Club deems it necessary, an ambulance will be called for assistance. The Club will not be liable for costs incurred if the sailor is not a member of Ambulance Victoria.
