

ST. PAUL'S MCKINNON JFC NEWSLETTER

FROM THE PRESIDENT

JUNE 22 2017

After a much needed sleep-in last week it was back to the early starts for most. Touch wood though with how blessed have we been with the weather so far this year as we were dishd out another perfect Sunday.

We are now over the half way mark for all teams. We have five home games this week and are looking for some positive results from all our teams. If we can only bottle what the Demons have done since they visited us, we have a chance! It's probably a good time to remind ourselves about an extremely simple concept; one which many people forget from time to time - and this is the old adage that saying something positive goes much further than saying something negative. If someone in authority demands something in a negative way, one is far less likely to do it. But if things are approached in a positive way, then people always feel so much better about doing it. Positive reinforcement lasts much longer than negative reinforcement, so let's all try to remember that when coaching, playing or just watching our kids playing footy. For those teams who have struggled with wins this season, stay focussed and try to draw a positive out of your matches. Many kids are more upset about hot dogs running out at the canteen than their loss.

Demon of the Month

A reminder that our second Demon of the Month will be held in the club rooms on Sunday 2nd July, with the start of school holidays - I look forward to seeing you there!

Family Movie Night

A variety of ticket options have been created for our Family Movie Night. It's on Sunday July 4 at 4pm at Dendy Palace Brighton. This is not a fundraiser so ticket prices are cheaper than normal, as are the candy bar options that have been created for you. If you are looking for something to do in the holidays, this is perfect! Bring the whole family. Everyone is welcome.

Trivia Night

Thank you to everyone who have booked their seats. We have already sold over 80 tickets with four weeks to go. But we are still asking for those who haven't booked yet to do so ASAP so we can plan properly. There is also a chance we will sell out. Our theme is an easy one for a winter's night out - Ugly Jumpers! The trybooking link is: www.trybooking.com/QCAJ - We will be looking for the Ugliest Jumper on the night for sure!

Also, if any parent or business can donate to our raffle on the night it would be much appreciated. Please let Katherine know.

TRIVIA NIGHT INFORMATION

We have created a trybooking event page for you to purchase tickets to our trivia night. It's a very easy process. Please book your tickets now so we can plan the tables!

Trivia Night Q and A *with James Frawley & his hideous jumper*

Q: Do I need to arrange a whole table?

A: No! If you go onto Try Booking you will see you can buy as many or as few tickets as you like. Tables are named only for easy identification with teams and/or friends who have already booked. We are encouraging everyone to attend to get to know other parents. Singles, couples, triples, whole families are welcome!

Q: What do I do if the table for the age group my child plays in is full?

A: If your team's table is booked out, book on a table with spare seats and add a note about who you'd like to sit with and we will sort it out or you can email d_campbell30@yahoo.com.au with your request and we will start a new table for that age group or create a mixed table.

Q: What time does it start?

A: The start time is 7:00pm (doors open at 6.45pm) and trivia will start at 7.30pm SHARP.

Q: What does my \$15 buy?

A: You get a night of fun, trivia, disco and dancing, door prizes and a free beer or wine.

Q: What do I have to wear? The ugliest jumper you can find. Your parents' wardrobe is a good place to start. Nothing will shock u

Q: Is the trivia about a bunch of boring football questions because I don't know anything about football really except that Jimmy Bartel looks mighty fine in a pair of footy shorts?

A: No, it's not football themed AT ALL, although there will be a few sporting questions thrown in! We agree re Jimmy...and also that David Zaharakis reached No.1 on a sexy footballer list for good reason.

Q: What if I am nervous about attending as I don't know many people?

A: Drink a lot...quickly! And then make some new friends :)

AUSKICK NEWS

Hi Everyone,

I hope you and your kids enjoyed a great morning last Saturday with the visit from Seb and Ray from the St Kilda footy club. They were great guys and interacted very well with the kids and I'm grateful to the Saints for allowing us to be part of their player visits. I have emailed out some photos to you all.

Congratulations to both Bronte and Hannah who represented our Auskick centre last Saturday to play in the half time games at the Girl's Interleague game. I know you both had a great time and we're really proud of you for getting involved.

Congratulations also to all of our award winners yesterday. It was fantastic to see so many players acknowledged for their efforts.

A big thank you to Michael and Daphne for doing the BBQ and also to Jen who sold the raffle tickets. Thanks also to our coaches who do a great job each week. I appreciate all their support each week and for volunteering their time.

Don't forget that it's crazy hair day next Saturday and we will be giving each winner from each age group 2 packets of footy cards.

While it's going to be a cold and possibly wet Saturday, hopefully it won't interfere with our Grandparents Day at Auskick. So if you have a grandparent or special person that you want to come along this Saturday, we would love to see them.

Another reminder that we have a movie night scheduled for 1st July but we're not sure if we have a venue at this stage so I will confirm but we may need to reschedule it for later in the season.

The St Paul's Junior Football Club are having their annual Trivia night on Friday 21st July at 7pm and tickets are \$15. To book go to www.trybooking.com/QCAJ

I will monitor the weather for this Saturday morning and hopefully it will all be ok, but if there is heavy rain and we need to cancel I will email before 8.45am.

Enjoy the rest of your weekend!

Kind Regards,

Michelle Petersen
Coordinator

MATCH RESULTS June 18

AQUASTAR SWIM SCHOOLS- U8 GREEN

St Pauls McKinnon JFC v Hampton Rovers

Goal Kickers: T Bitting 2, H Salwathura 1, D Osborne 1

Best Players: T Bitting, H Adler, B Fischer, J Bale, D Osborne, H Bennett, E MacLennan, A Chibert, H Weigall, H Salwathura, H Wilson

Coming off the week's rest, the U8's were keen to get the game started. The kids knew they were up against a strong team and we were able to come out in the 1st quarter and play some really strong football, led by the efforts of our opening midfield group of Christian S, Archie, Max, Noah, Hunter and Aiden who were providing the forwards with plenty of the ball through their strong tackling and clearance work. Strong marking from Braden and clever positioning from Alexander, Harvey and Harish saw our forwards provide plenty of concerns for the Hampton defence. The second quarter saw Hampton come out and really apply the pressure back on us and thankfully our defenders led by Leroy and Thomas S were able to withstand the constant entries. Great pressure acts from Thomas S, Charlie and Darcy - with 3 very important strong tackles from Jacob did not allow Hampton any easy shots at goal. After a motivational speech at halftime from the Coach reminding our players that we may not have the height of some Hampton players but we were a lot quicker than them, our boys came out and started the 3rd quarter similar to the first - a great response after a challenging 2nd quarter. The strong marking and teamwork efforts of Ewan and Tom Winzar provided Ted with a chance to kick two goals which he converted truly! The efforts of our co-captain Leroy should not go unnoticed - he led by example and unfortunately got injured. Final quarter was very much an arm wrestle with both sides running hard trying to get the ball to their forwards. Darcy again was very much instrumental with his ability to run and bounce and was able to kick a wonderful goal. Strong marking again from our other co-captain on the day Hunter, the teamwork and vision of Noah made for an overall fantastic effort from our boys - the end result a really close finish! **Dave**

UNIFIED FREIGHT MANAGEMENT - U9 RED

St. Paul's McKinnon Unified Freight Management vs

Goal Kickers: Kyan Morgan 4, Brady Ryan 2, Jai Smith 1, Noah Winston 1, Luka Sideridis 1, Jonty Litwinow 1, Marcus Torcasio 1

Best Players: Kyan Morgan, Luka Sideridis, Noah Jury, Brady Ryan, Jai Smith, Marcus Torcasio.

Great team effort. Going into the game with only 18 players in Under 9's Red, we came up against a strong St. Kilda outfit. They worked extremely hard in the first quarter, with some high marks and long kicks, but we were able to break them early. We controlled the game with having the majority of possessions, and kicked 3 early goals to one. Kyan then went forward and kicked 4 goals, whilst Luka and Noah Jury continued to push the ball forward. Brady worked hard in defense and through the midfield, whilst Jai & Marcus tried hard all day and was in everything. This week we take on another strong opponent in Highbury at Home.

MONEYQUEST ST KILDA - U9 BLUE

St. Paul's McKinnon Moneyquest vs Murrumbidgee

Best Players - not available

Goal Kickers - not available

After getting the better of Murrumbidgee early this year, we knew that we were in for a fight against a team of similar capability, determined to make amends. Murrumbidgee came out strong, continually pushing the ball forward into our defensive zone. Unfortunately a couple of lapses in concentration allowed the ball to get over the back for easy goals. The boys were not deterred, they continued to attack the ball with aggression (at a level appropriate for U9's), finding the man on the outside and getting the ball moving in our direction. Despite our best efforts we did not prevail, however, you learn more from a defeat than you do from a victory. There were many positives from the game, with the majority of boys playing their best football of the year, including our award winners Henry Dwyer, Aidan Tran, Mitch Cassidy and Xavier Matthews. **Col**

GRILL'D CARNEGIE U10 YELLOW

St. Paul's McKinnon Grill'd Carnegie vs East Sandringham

Goal Kickers: Ethan Leske 2, Yonatan 1, Ryan 1

Best Players: Tyler Nicholas, Julian Tilli, Yonatan Ayzelman, Daniel Plotkin

A tough game against a rough East Sandringham side who got the jump on us early. In the 2nd half we steadied and our midfield started to lift their work rate. Tyler Nicholas played an outstanding game; his read of the play and field position was excellent this week. Julian Tilli had a strong presence in the game and made the most of every opportunity. Yonatan Ayzelman consistently outplayed his opponents and capped off a great game with a classy goal. U10 Yellow clawed back the 1st half deficit and kicked 2 goals in short succession in the last quarter to get within a goal. Daniel Plotkin had a solid 2nd half in the midfield and we finished the game off strongly. Well done. **Steve**

SPORTSAFE AUSTRALIA U10 WHITE

St. Paul's McKinnon Sportsafe Australia vs Bentleigh

Best Players: L. Smith, M. Behnk, H. Winzar N. Fato, F. Barnacle, A. Arshakyan, P. Sullivan, B. Shepherd, L. Lockwood, M. Leech.

Goal Kickers: Murphy (2), Levi

A tough game today at King George Reserve against Bentleigh. Today Blake joined us and we had 18 players for the whole game! The boys started slow with Bentleigh kicking 2 goals 2 in the first quarter and 3 goals 1 in the second. Despite some great plays and some hard tackles by Lincoln, Paddy, Anri, Hammer, Murphy and Noah, Bentleigh ran away until half time. Half time came and the boys reset themselves. The Demons dominated in the 3rd quarter with more scoring shots and moving the ball quickly from the midfield into our forward line. Finn, Blake, Hamish, Jake, SCB and Drew contested well getting the ball moving from the midfield into the forward line. Murphy kicked 1 goal and the boys kicked 4 points. In the fourth, the Demons continued their good form and playing the ball fast from the centre. Kicking 2 goals & 2 behinds in the last, the boys played fast and contested well. Well done boys. **Paul**

HAWTHORN BRICK AND BLOCK TEAM - U11

St. Paul's McKinnon Hawthorn Brick and Block 1.5-11 lost to Port Melbourne 3.3-21

Best Players: C Iancello, M Berrigan, Curtis Smith, S Scherer

Goal Kickers: S Tailby

Our team came against tough competition today in Port Melbourne. The first quarter was an arm wrestle with no goals scored. The other team was better at spreading which enabled better ball movement and a couple of goals. Curtus took a couple of contested marks in the forward line but couldn't get the majors. Sam Scherer was under the packs as usual, and came off sore in the 2nd quarter but showed true grit to come back on to lead with his loose ball gets. Matthew Berrigan played up forward and applied some pressure tackles that enabled others to have shots on goal. Oliver toiled in the ruck against taller opposition, Christian showed good 2nd and 3rd efforts in the backline in what was a real battle. Sam Tailby finally got us a major from some good link up play, including run and carry from Alexei. That got us close, but our more regular scorers like Hugo and Asher couldn't quite convert the goals today. Our players played in good spirit, and courage given the game was a bit rougher than usual. Our team had the same number of scoring shots, so the rematch later in the season will be an opportunity for the Demons to square the ledger. **Tony**

KIAMA LANDSCAPES AND POOLS TEAM - U12

St. Paul's McKinnon "Kiama Landscapes and Pools" 1.2-8 lost to Brighton Vampires

Goal Kickers: H. Vandame

Best Players: N. Anderson, L. Healy, L. Teal, T. Salwathura, M. Johnston

The U/12s came up against an East Brighton Vampires side who were bigger, faster, tougher and more highly skilled. Whilst we battled valiantly for three quarters, we could not sustain this effort in the last and got beaten comfortably. Special mentions to Mitch Johnson and Thivi Salwathura who were amongst the best for the day as well as U/11, Hugo 'Jean-Claude' Vandame who booted our only goal and made the adjustment to the higher level with much aplomb. **Matt**

CABOT'S - U13

St. Paul's McKinnon "Cabot's" St Pauls McKinnon 2.3.15 lost to East Malvern 6.4.40

Goals : 2 Behnk

Best : The weather, and some great marking by James Harper

On what was a wonderful Melbourne day, the team made their way to Basil Reserve to take on East Malvern. We started the game well, but the turnovers were starting to cost us, with East Malvern counter attacking and rebounding the ball out from our forward line to kick two goals in the first quarter and take a 7 point lead. The second term was much of the same, and we were unable to capitalise when we got possession of the ball. At half time, Coach Behnk, stated that our season was on the line, and it was up to the boys to respond to the tag of "easy beats". Unlike the 1960's Australia Rock band, where again were unable to record a hit, and I had "Friday on my Mind". The backline were under attack all day and held their own, but unfortunately our forward line provided as much return as the 1990's emu farms. Although we outscored East Malvern in the last quarter, the scoreless second and third term had an impact, and it was always going to be a tough ask to peg back their lead. The GOAT's word of wisdom for this week.... What we do today, right now, will have an accumulated effect on all our tomorrows. **Vic**

DULUX - U13

St. Paul's McKinnon Dulux 8.15-63 def East Brighton 1.3-9

Goal Kickers: Y Toukalas 3, C Gibb, H Kilmartin, D Moore, S Nagar, J Hattingh

Best Players: G Patishman, M Chilco-Burns, D Granberg, Y Tsoukalas

We started very slowly against a committed East Brighton unit, finding ourselves a goal down early in the game. Team instructions at the first break were simple, avoid congestion inside attacking 50, use voices and share the ball with their team mates. To the boys credit they took the game on and set to work out playing their opponents. Henry D and Julien in the ruck giving first use of the ball to Gabriel, Noah and Josh. Our forwards working hard with Yianni snagging a bag and multiple single goalkickers saw the team post a comfortable victory. Once again full commitment from our defence nullifying the opposition and denying them from scoring. Defensive pressure consistently being applied by Tom W, Dan G, Lachi, Luca, Jared and Max. This week we look forward to the challenge against Beaumaris to give the boys a chance to reverse the result from our Round 1 encounter. **Steve**

LOOKING 4 CARS TEAM - U14

St. Paul's McKinnon "Looking for Cars" 7.5.47 defeated by Bentleigh 12.6.78

Goal Kickers: Adam Paliatsos 2, Jack Forer 2, Finn Sullivan 2, Adam Pacak 1

Best Players: Jack Forer, Adam Pacak, Sab Land, Finn Sullivan, Liam Gordon-Shore, Jules Goldenberg, Sammy Lambrinos

Coming back after the bye we only had 19 fit players but the boys were up for a challenge. We got off to a good start with Adam Paliatsos scoring two goals and us winning the ball out of the middle. However, part of our game plan went out the window when Joe went down late in the first quarter with a tight back and could play no further part. With only 18 fit men we fought hard and took it up to Bentleigh. Both Jack Forer and Adam Pacak returned from broken arms and showed us what we had been missing with Jack scoring 2 goals and Adam scoring his first ever goal for St. Pauls! At three quarter time there was only 2 goals in it, but we started to run out of gas in the last quarter. It was a much improved performance by the boys and hopefully we will get our first win in Division 2 this week. **Sammy**

BENTLEIGH RSL - U15

St. Paul's McKinnon Bentleigh RSL

Goal Kickers:

Best Players: Alvarez, Canning, Tranter, L'Huiller, Hams

A much improved performance from our boys at the home of the Hawks highlighted by a more even contribution across the team. Probably for the first time this season we broke even in contested ball. The difference between the two sides was the opposition's superior ball movement and the fact they had a dominant marking forward. New player Tom Alvarez typified this improvement with a great game on the ball winning many possessions in close. James Canning celebrated his 100th game with a great running goal after winning the centre clearance. Another highlight was our Rock of Gibraltar full back Phil Amato going forward and kicking his first goal in his illustrious six year career. Well done to Andrew Hartland who snagged a major in the second quarter which was probably our best quarter for the year. Let's take this form into next week boys. **Paddy**

ANNOUNCEMENTS

Working with Children Check

In the past couple of weeks, the League has received several emails and calls in relation to the exemptions for people requiring a Working With Children Check (WWCC). Please ensure any queries or concerns get directed to the Club Secretary (Katherine Smith) as the league will not respond to individual queries. If anyone has concerns with this decision by the league, here is some information that explains the reasons why a WWCC is required:

- **Accountability** - The league uses BlueQ to verify and monitor qualifications and registrations of its staff and volunteers. As such the league requires that all relevant individuals are required to have a valid WWCC. BlueQ continually monitors WWCC which flags and notifies the club and the league if their registration is cancelled, expired or suspended. VIT registrations, police checks and other such checks which would have granted exemptions under the Act rely on the individuals informing us of a change in their status. By requiring a WWCC, we remove the risk that an individual will fail to notify us, or that someone will perform duties before their notice reaches us.

- **Duty of care** - By requiring a WWCC for these individuals we ensure that the league as an organisation are doing everything we can to protect the children who play football in our leagues, as we have a legal obligation and responsibility to do (and as your club has a legal obligation and responsibility to do). The extra protection gained by doing this outweighs the inconvenience to individuals of obtaining a check.

We understand why some volunteers who are VIT teachers or police officers have been upset about the decision by the SMJFL, however this is not their intent. These measures are in response to government legislation and legal requirements from 1 January 2017. The league's priority is the safety of the kids and this decision adds an extra level of protection.

Thank you to all of those officials that have loaded their WWC details. Our Secretary is currently working to load the last remaining officials in BlueQ and those people will receive an email in the coming days. If you could please action promptly that would be appreciated.
