Re: Formation Meetings of Singapore Touch National Body

To whom it may concern,

The Federation of International Touch (FIT) in conjunction with Sport Singapore are looking to establish a member based National organisational for Touch in Singapore. FIT and Sport Singapore will be facilitating a meeting of interested parties on Friday 28th July with the intention of hosting an inaugural meeting of this proposed organisation on Sunday 30th July.

The meetings will be open to all current past and potential Touch Participants (Players, Coaches, Referees, Managers, Administrators and Supporters). The meetings will be facilitated by FIT Board Members and held at Sport Singapore Headquarters the SSI Seminar Room, 3 Stadium Drive, Singapore 397630

The Setup Meeting will be hosted at 7pm Friday 28th July, this meeting will determine the roles and responsibilities of a single independent entity for Touch in Singapore. This meeting will be followed by the inaugural meeting of the entity to adopt a constitution and elect the appropriate office bearers. It is expected that the new organisation will further develop a strategic plan and supporting budget.

FIT is issuing an open invitation to all interested parties with a view of developing a mutually beneficial pathway for Touch participants in Singapore.

Kind regards

William (Bill) Ker
Secretary General

Facilitating the development and expansion of Touch globally.
