

PGC
BASKETBALL

**A COMPLETE
BASKETBALL EDUCATION**

LEARN TO THINK THE GAME

HOW YOU WILL BENEFIT

In this clinic, players and coaches are introduced to:

- How to play smart basketball, to be coaches on the court, and to be leaders in games, practices, and everyday life.
- How to be a playmaker who is a constant threat to score on every possession.
- How to train and practice like an elite-level athlete and get teammates to work harder, work together, and perform at a higher level.

WHAT YOU CAN EXPECT

Classroom Sessions – You will need a notebook and pen to take full advantage of this clinic.

Video Analysis – You will study game footage to see examples of each concept taught in the classroom.

Court-Time – Concepts taught in the classroom are reinforced through creative on-court activities and games.

WHAT TOP PLAYERS AND COACHES SAY

“PGC is the best basketball training program in America for learning how to think the game.”
