

Player Points System 2018 – Template Key

Category	Instruction
Player Name	Manual text entry is required.
FFA Number	Manual text entry is required.
DOB	Manual text entry is required. Please enter date of birth in the following format <i>dd/mm/yyyy</i> (e.g. 25/01/1995).
Age as at 31/12/2018	This cell is calculated automatically based on the Player's DOB. No manual entry is required.
Standard Player	This cell is locked at 10 points. No manual entry is required.
Youth Player	This cell is calculated automatically based on the Player's DOB. No manual entry is required.
Visa Player	A drop down menu appears. Please select 'Y' if applicable.
Homegrown Player	Manual text entry is required. Should a Player be eligible to accrue <i>Homegrown Player</i> benefits, the Club must insert a negative number in this cell up to a maximum of - 5 points (e.g. -3 to be inserted for the 3 seasons that the Player was registered to the Club's youth teams).
Loyalty Player	Manual text entry is required. Should a Player be eligible to accrue <i>Loyalty Player</i> benefits, the Club must insert a negative number only in this cell (e.g. -4 to be inserted for the Player's eighth consecutive season in the Club's first team).
Switching Player Former Professional	A drop down menu appears. Please select 'Y' if applicable.
Switching Player Former Pathway not COO (Club of Origin)	A drop down menu appears. Please select 'Y' if applicable.
Switching Player NPL Amateur 10 or more games	A drop down menu appears. Please select 'Y' if applicable.

Switching Player NPL Amateur less than 10 games	A drop down menu appears. Please select 'Y' if applicable.
Switching Player Australian Overseas Amateur	A drop down menu appears. Please select 'Y' if applicable.
Pathway Player	A drop down menu appears. Please select 'Y' if applicable. A Club must enter the name and prior Club of all eligible Pathway Players.
Australian Marquee	A drop down menu appears. Please select 'Y' if applicable. A Club must enter the name and prior Club of an eligible Australian Marquee.
Points Deduction Youth Player Advancement	A drop down menu appears. The Club must select 'Y' if applicable. A Club must enter the name and applicable Club of any Players that are eligible for a points deduction in the 'Explanation' cell.
Points Deduction First Team Player Advancement	A drop down menu appears. The Club must select 'Y' if applicable. A Club must enter the name and applicable Club of any Players that are eligible for a points deduction in the 'Explanation' cell.
Points Deduction Promoted Club	A drop down menu appears. The Club must select 'Y' if applicable.
Explanation	Manual text entry. Clubs can use this area to provide a Player's history and data in support of their interpretation of the Players categories

Notes:

* In the event that a Player is a Switching Player, he can only be classified in one category (i.e. you cannot include a 'Y' in two or more Switching Player cells)
