Boat Unloading and Rigging Area for All Visiting Boats

Boat unloading is available on 3pm to 6pm Friday 12 January 2018 and from 8am Saturday 13 January 2018.

Boats can be unloaded in East Esplanade Reserve – immediately opposite Ashburner Street. We ask that once you have unloaded your boat that you clear the unloading area as space is limited.

There will be “Area Marshalls” assisting with unloading and directions. Please follow their directions as we will have approx. 50 boats unloading and rigging in this area.

Our agreement with Council does not allow the parking of cars in this area so once your boats have been unloaded we ask that you clear the area and park your car (see separate section on parking).

Trailer parking is available in designated areas in East Esplanade Reserve. Please follow instructions of Area Marshalls on where to locate your trailer.

Boats can be left in the East Esplanade Reserve area overnight during the Regatta. We will have a security guard stationed overnight in this area but suggest that no valuables are left with or in the boats.

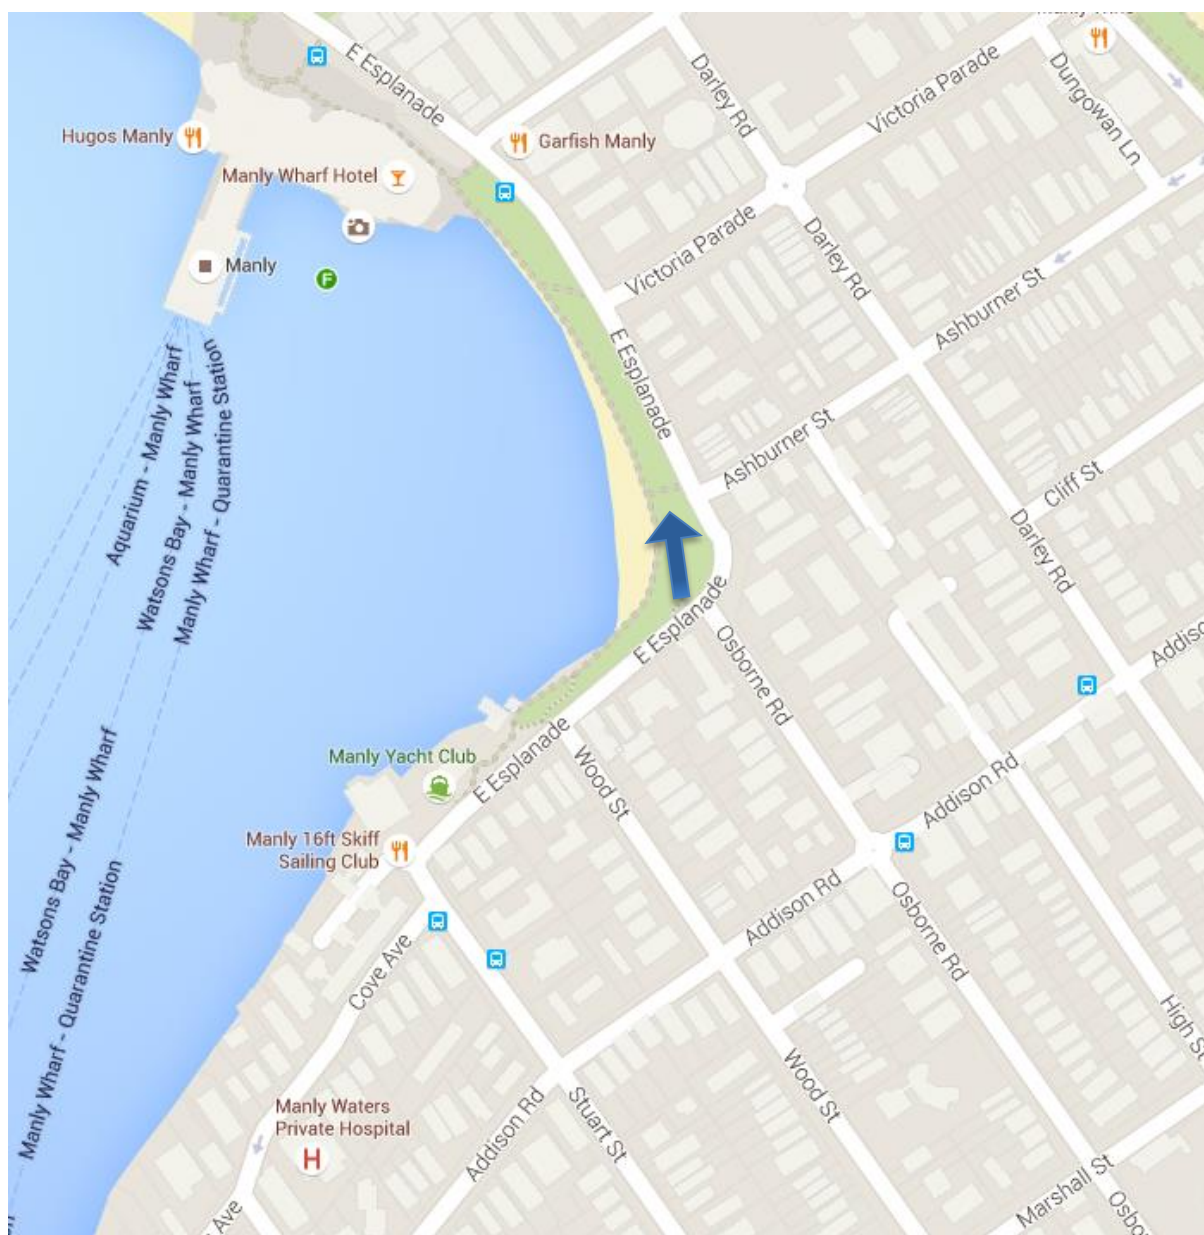

Could all paths be kept clear as this is a very busy area in Manly and we need to ensure that the public can still move around.

Boats and trailers need to be removed by 9am on Saturday 20 January 2018.

The cost of this parking will be \$35 (\$5 per day) for the regatta and this money will be given to the school as a donation. Booking will be available to book via Trybooking <https://www.trybooking.com/TJTG> from 28 December 2017.

The best location for free all day parking is around the areas of Manly West School, Boy Charlton Swim Centre and Kierle Park areas. These locations are approx. 30 mins walk back to East Esplanade Reserve.
