**You have two online registration options in Myfootballclub to use the Active Kids Rebate:**

- Registering online between 3rd Jan – 30th January in MFC, will be able to select an Add-On item at the invoice screen of the registration which will be known as “Deferred Payment” which effectively reduces the registration invoice by \$100. You may pay the difference online using your credit card. Using this option, you MUST go back online and login between 31st Jan and 3rd Feb and enter your rebate voucher number that you have obtained from Services NSW once you have set up your account.

OR

- Register online between 31st Jan to 10th February in MFC then enter your Active Kids voucher number that you received from Services NSW to receive the \$100 discount and pay only the difference online. Please note, you may experience some delays with online servers, as many people will be attempting to register claiming their vouchers and registering in MFC.

Please ensure you read our online registration process very carefully to ensure you are eligible to use your rebate voucher, or you will charge the full registration price.
