24) Playing Regulations (Special Conditions)

In the situation where a club team, playing in its correct age division, is dominating that particular division, the BBA will, following consultation with the Club concerned, request that club to self-regulate that team. The BBA reserves the right to intervene, where a club fails to act, in the opinion of the BBA Sports Office, in the best interests of the competition. The BBA shall also maintain a right to instruct clubs to re-organise teams in any age division to meet the Associations Objectives as stated in the Constitution.

Any player who incurs two (2) Technical Fouls, for any reason, is to be ejected from the game.

25) Sin Bin Rules

Any player, coach or team official who incurs a Technical Foul as a result of verbal abuse towards an official or who disputes a decision of a Referee, will be sent to the Sin-Bin for a period of five (5) minutes playing time (Sin Bin). The five minutes does not include the break between quarters or halves.

For players that incur a first technical foul they may sit on the team bench.

For a coach or team official that incur a first technical foul they must remove themselves from the team bench at least 25 metres away and cannot communicate with the team during this period.

A second Technical Foul will result in the player, coaching staff or team official being ejected from the game and subject to possible Tribunal action.

Note: The player must leave the immediate playing area. They are not permitted to be in an area that enables them to interact with anyone on or off the playing area they were ejected from. The seating area on another court is acceptable.

Note game Referees are required to;

- Instantly penalize any obvious form of dissent, such as disputing calls, critical comments towards Referees or their calls and bad language with a Technical Foul. A second similar offence results in the player being disqualified from the game. (A 'similar' offence involves more criticism. Dissent etc. resulting in a second Technical Foul).

Where a referee does not see or hear an incident but it is observed by the Referees Supervisor(s) on duty, they may notify the Referee of the indiscretion and the referee may then be obliged to enact the Sin Bin rule.

The player, coach or team official who is sent to the Sin-Bin is allowed to be substituted.

26) Finals Eligibility

To be eligible to play in finals a player must have 6 'played games' for the current season.

A 'played game' is defined when:

 - Note that byes do not count towards the numbers of games played for finals eligibility.

Referees in conjunction with scorers should untick the names of any person on the score sheet or stadium scoring who is not present for the match. Referees should rule off the score sheet or check Stadium Scoring at half time to prevent additional names being entered after this time.

For junior players, to be eligible to play finals in both the age of which they are eligible to play they must meet the finals eligibility for both age groups.

- Example: 6 Games in the Under 14 Girls 1 and 6 Games in the Under 16 Girls 1.

 - Example: The team plays 16 games for the season. The injured player must have played in 25% of the team games = 4. With a Medical certificate for 2

games where the player did not play in those specific rounds the player would meet the 6 Played Games eligibility requirements.

- ii. Medical certification to the extent and term of the injury/illness is supplied by a certified medical practitioner or sports medicine specialist. The certification must also provide the dates the injury/illness covered.

The player must inform the BBA Sports Office within 3 working days of the game missed due to the above mentioned meeting. The BBA Sports Office will then check the minutes of the meeting and update the playing records.

When a player misses games due to being pregnant the ruling that applies to points 26 also applies in relation to the player having played in at least 25% of played games.
