Coaches for the 13 yrs to Adult courses will depend on numbers enrolling TBA. Parent Help for Tackers is on the beach or in a coach boat to assist the coach if needed. The parent on the beach will get wet launching and recovering the boats. I have just used the child's surname for roster in some cases. Parents of follow-on Junior Sailors will also be rostered on in the afternoon as part of club events. Afternoons from 1230hrs, briefing at 12.30pm. Canteen duty is 10.30 until about 1.15pm. Adult Sailors will be needed at the end of the day to wash and help put rescue boats away.
