2018 Coach Accreditation

Dear 2018 Coach

Congratulations on your coaching role this football season!

We have noticed that you have registered to your club through SportsTG but are yet to complete your official coaching accreditation. Becoming an accredited coach is a **mandatory requirement** for all Head Coaches in the 2018 football season and can be easily completed through the brand new CoachAFL platform.

To become an accredited member of CoachAFL simply type 'coach.afl' into your internet browser and click on the 'JOIN' button to complete the accreditation and membership process in one of the following ways.

- **Currently Accredited Coaches** – update your coaching profile, no fee, sign code of conduct and complete concussion module – access to resources
- **Coaching Accreditation (expired on 31/12/2017)** – update coaching profile, pay \$49.50 annual fee, and complete concussion module – access to resources
- **Previously Accredited (expired pre 31/12/2017)** – update coaching profile, pay \$49.50 annual fee, and complete Foundation online course (either senior/youth or junior) and concussion module – access to resources

As a member of CoachAFL, you will be able to manage your ongoing coach education and access exclusive membership benefits. These benefits include further online courses and a resource library with hundreds of articles, videos and free access to over 200 training drills to assist you in your coaching.

If you have any questions regarding this, you can contact the Coaching Support Team at coaching@afl.com.au or you can contact me for more information.

I wish you all the best for the 2018 football season!

Kind Regards

Jeff
