# Finals Round 1 Preview

---

*The excitement levels for all clubs competing this week will be intense as it will mark the start of the 2018 EDFL final series. On Saturday Longwarry will hold the stage with Warragul Industrials in the 2nd Semi Final at Ellinbank and on Sunday the Catani will kick off their premiership defence against Poowong at their Taplin's road home ground in the Elimination Final. Curiosity on how every team will measure up to the extra pressure and expectations of the finals always add heightened interest to the matches this time of the year. After last weeks results that saw the top two teams – Nyora and Longwarry both lose – the flag looks up for grabs!*

## **QUALIFYING FINAL DAY SATURDAY 25TH AUGUST**

Longwarry will enter marginal favourites against the Warragul Industrials. Their clashes this season shed little light on who will win. The Crows won both but only by three point in round two and five points in round five. Furthermore, both boast the highest scoring attacks and have an almost identical percentage. Longwarry look to have a better structured forward line with key targets Daniel Fry (68 goals), Brayden McHugh (46) and Corey Lenders (31) but the Dusties appear to have far more options up forward led by Shane Brewster (52), Jack Blakey (30) with a strong support cast led by Tye Holland (19), Mitch Davies (14) and Will Jolley (12). While Brewster is an outright star Davies could pose the most problems for the Longwarry defence with his height and agility. Midfield the irrepressible Tyson Bale, Tye Holland along with Steven Ballingall, Josh Peterson and the emerging Travis Ogden will strut out their stuff against Longwarry onballers Russell Lehmann, Danny Wells, Brody and Riley Rundell and Jake Delphine. Given the midfields will likely neutralise each other the result may well sit with the ruckman and the back six. In these areas the Crows look superior. The athleticism of Nick Redley and

the settled and attacking defence led by Ken Towt, Aaron Serong and Colin Cook tip the scales the way of Longwarry.

A big day of football will start with an U16 clash between Longwarry and Poowong. Those to arrive early can expect to see pacy Crow rover Bailey Stephens and his forward colleagues Angus Adamiak (50 goals) and Aiden Fox (23) figure prominently while Poowong's Hayden Wallis (23 goals) and Tom Derrick and Alex Henshall have never been too far from the action in most games this season.

In the U18s Catani and Buln Buln will be out to claim a 2nd Semi Final berth against Neerim South. On form the Blues hold look to be the side to beat. Kiam Rose, Lauchlan Gregson - who has kicked 104 goals this season and Lennard Edward-Hayes have all played a key role in the team's success this season and likewise Marco Kulas, Nick Huggett, Kyan Willis and Flynn O'Reilly for the Lyrebirds.

The reserves game will feature Warragul Industrials and Ellinbank. With only one loss this season the Dusties deserve favouritism. Damien Mullen and Scott Lindsay never play a bad game and should again be prime movers but if they were to lower their colours to the Eagles midfielders the Bankers could surprise as its forwards Ben Drew, James Scammell and Toby Wallace are very capable of kicking a winning score between them.

## **ELIMINATION FINAL DAY SUNDAY 26TH AUGUST**

Poowong will be out to put a smile on the face of its long-suffering supporters who have been waiting since its last final appearance in 2007. It only

# Finals Round 1 Preview

secured a spot in the top five late in the season but better late than never to steal a finals berth. It will be a tough assignment as in the Magpies way will be the reigning premiers and on their home turf. On the plus side it has won six games in a row and last week inflicted defeat on the minor premiers Nyora. With the return of key forward Ben Hancock in only his seventh game this season to support veteran Trevor Hooker along with Chris Doria, gun recruit Chris Robinson and the plucky Jack Hazendonk it boasts some of the best quality players in the competition. Catani haven't found last year's form. The output of its midfield dynamo's Paul Pattinson and Nick Visser cannot be faulted but many others in the navy blue have mixed their form. Owen Fitzpatrick still poses a big threat but it will need to get the ball in quickly and deep in the forward line to stop him being double teamed. Poowong should keep its premiership dream alive in a close contest.

The Sunday program will kick off with Ellinbank and Buln Buln meeting in the U16s. The Eagles will enter favourites having won eight matches this season as opposed to the Lyrebirds four. The Bankers Corey

Garlick, Matthew Dare and Lewis Kennedy should make their presence felt and also Brendan Wall and Max Chesterfield for Buln Buln based on recent form.

The U18s clash between Ellinbank and Poowong shapes as a close contest. Only four points separated the two when they last met in round ten. Among the players to keep an eye on include Eagles Lachlan Hedrick, Tyler Constantine and Will Robertson and for the Magpies Josh McNally, Ash Schmidt and Jackson Barlow.

Catani enter firm favourites in the reserves. It won five more games than the Magpies during the home and away season. Blues ruckman John Traynor, Will Temby the experienced Justin Evans can be expected to lead the way for the Blues. Magpie coach Reece Attenborough, Andrew Wallis and Stephen Joyce will give it their best shot but may be overwhelmed by the depth of the Catani list.

## **AFL Victoria Extends TAC Partnership**

*AFL Victoria is delighted to announce the extension of its 27-year partnership with the Transport Accident Commission (TAC).*

The announcement will ensure the TAC's Towards Zero message continues to be promoted to the wider Victorian football community.

The partnership extension will utilise the reach of the broader grass roots football community to engage clubs through road safety education and training programs, and spectators with a TAC presence and activities at games across the state.

The extension of the AFL Victoria partnership means that the TAC will no longer be affiliated with the under-18 talent pathway.

AFL Victoria CEO Steven Reaper said the extended partnership enabled even greater avenues for the TAC to deliver their important messages to communities right across the state.

"Via this new partnership we will work with the TAC, our commissions, leagues and local clubs to help prevent deaths and serious injuries on our roads," Reaper said.

"Footy clubs are at the heart of every Victorian community, with road safety education and

awareness to now be taken to more than 170,000 participants and 78,000 volunteers involved in 1100 clubs across Victoria.

"We have had a fantastic relationship with the TAC through our U18 talent programs, and they have played a major role in supporting and educating players in the competition since its inception.

"The next phase is to create even more opportunities for everyone involved in football clubs, whether you are a player, coach, volunteer or supporter, to play a role in supporting Towards Zero."

TAC CEO Joe Calafiore said local football clubs were the hub of their communities and an ideal partner to help work Towards Zero – Victoria's plan to reduce the number of lives lost and serious injuries on our roads.

"We're rapt to be taking road safety to local football and netball clubs, which have such a big community presence, particularly in regional areas which remain tragically overrepresented in the number of deaths on Victorian roads," Mr Calafiore said.

"Teaming up with AFL Victoria will play an important role in encouraging people to practice safe driving and appreciate that everyone has a role to play in making our roads safe."

# GUA Report

Umpires have been sharpening their minds as this year's finals series approaches.

One thing is certain in our great game, expect the unexpected.

In umpiring when an interesting or unique situation comes up in a game we call it a "Blue Mooner".

Umpires spent a recent coaching session brushing up on their knowledge of the rules, and also reflecting on unique situations they had encountered so far this season.

In part two of our Blue Mooner quiz, here are another 10 questions to put yourself to the test.

Have a go and then see if you can find the answer in the rule book!

**Q: At a centre bounce, a centre square infringement is paid against the Half Forward, however, the ball goes straight to the opposition rover from the ruck contest and he is the clear to play on and take the advantage. Can He? What is your decision?**

- a. No advantage, pay free kick
- b. Pay advantage
- c. Throw the ball up again

**Q: A Defender takes a mark between the goal and point post, the player walks over the scoring line to take his kick. He then kicks the football in to the Goal Post but the ball still comes in to play. What is your decision?**

- a. Play on
- b. Take the kick again
- c. All clear for one behind

**Q: A report can be made during a match, or on the day of the match and with the immediate proximity or the arena. What is that measurement?**

- a. Only on the playing surface
- b. Within 500m from where the match was played
- c. Within 5km of where the match was played

**Q: A player is awarded a free kick for an out of bounds on the full. When kicking the ball in the football fails to come back into play but goes over the fence 40 metres down the ground. What is your Decision?**

- a. Out of bounds on the full, free kick to the opposition

- b. Take the kick again
- c. Throw in from where the player kicked it

**Q: After a heavy downfall of rain, the clubs involved agree to move the centre square out 15m towards the outer wing. Can this occur? What is your Decision?**

- a. Yes
- b. No

**Q: A player runs with the football for 14 metres then handballs it over his opponents head and regains possession, without the ball touching the ground, 3 metres past where he handballed it. What is your Decision?**

- a. Play on
- b. Free kick for running too far

**Q: A full back is kicking in after a behind after being instructed by the field umpire to play on, he is tackled by the full forward inside the goal square and fails to dispose of the football correctly. What is your Decision?**

- a. Take the kick again
- b. Ball up
- c. Free kick for holding the ball

**Q: In an exciting finals game the field umpire fails to notice the boundary umpire blowing his whistle for an out of bounds decision. In the meantime, the field umpire pays a high tackle to a player. What happens next? What is your Decision?**

- a. Throw in
- b. Ball Up
- c. Pay the high tackle free kick

**Q: In an exciting finals game, the siren goes to end the game however the umpire in control fails to hear the siren due to the large crowd and awards a mark straight in front to the full forward. The mid zone umpire runs down to inform the end zone umpire that he heard the siren before the completion of the mark. What happens next? What is your Decision?**

- a. Mark stands
- b. Toss a coin to decide
- c. No mark, end of game

## FOOTBALL

WELCOME TO THE FINALS! The pointy end of the season and the club is very excited to have 5 teams still in the hunt for glory! Well done Seniors, Reserves and U/18s football and A-Grade and F-Grade Netball. Our hard work has paid off so far and now it's time to push towards premiership glory.

Last week was a tight contest in the U/16s which saw the boys go goal for goal for most of the game. Unfortunately, they fell short by 2 goals in the end. A big thanks to the Caldermeade boys that played once again, hopefully you all enjoyed your time and look to come back next season as full time players! On next season, we are excited to announce Chris Thompson to take on the U/16 coaching role for 2019. Chris has been through the Caldermeade ranks supporting son Brandon and the team in various roles and we are confident he will do a great job in getting the team up and running over summer! Welcome Chris, Brandon and all of their family!

U/18s played ladder leaders NNS and fell short as the home side pulled away with a convincing win in the second half. No doubt Wade and the boys will be looking forward to their next encounter to redeem themselves. Centurion Mullet Gregson booted 4 to finish on 104 majors while Roy Smith gave his all rucking with his double fist technique working well. Big game this week against Buln to go into the playoff game for the big dance. C'mon boys!

The result in the Reserves was also disappointing after plenty of wasted opportunities in front of goal, eventually going down by 11 points. Vladimir Cullen was Russian around the packs, destructive with the ball in his hands, while Benny cashed into packs as he Ahern'd his spot in the best. The ground was muddy so Extra Whitening Mclean's was needed as Tommy brushed thru defence, and stopping-all-stations P-Ratt-a-tat-tat booted 3 to finish the season on 39. Big elimination game against the Smelly-Joey Pies this week on the home deck, send it for the win lads!

Jane Bunn predicted heavy rain, hail and the first Catani Senior victory up at Neerim in about 5 years, and she was spot on as usual. The game was as about as sloppy as Jim on a Satdy night but we stormed home strongly to record a 10 goal win in trying conditions. BandF Bridesmaid K the V outstanding in the wet, winning plenty of ball, and it was All About That Bass as Meghan Traynor's little known brother John was tap dancing thru the ruck. As per the true characteristics of Bread, we've waited all season for Dough Williams to rise, showing he's now ready to bake in the hot oven of finals, and help a farmer out with Som-Hay Wade starred not once bailing out of a contest. Big Owen booted 4 snags, a relief after his kicking of late has been about as straight as the Liam-tower of Pisa, but Young Adams showed the way slotting 2 whilst picking up Breads crumbs. And another Real Chunky BandF-our'n Twenty effort for Patties-ons Pies. This week, there's only one thing to do to Pies, and that's to beat them and go through to the next round of finals!

Best and Fairest: well done to the winners and runners up, all well deserving of their awards.

U/16s – B&F: Cayden Gowens, R/Up: Josh Seppings  
U/18s – B&F: Lauchlan Gregson, R/Up: Jason Cox  
Reserves – B&F: Luke McFarlane, R/Up: Billy Temby  
Seniors – B&F: Paul Pattison, R/Up: Nic Visser

Good luck to all sides on Saturday at Ellinbank, and Sunday at Catani. Win, lose or draw, make sure we all head into the Catani rooms after Sunday's games for a drink and to support the club!

*El Presidente and Heir to the Throne Rodda*

## NETBALL

FINALS TIME... What a great time to be playing netball and footy.

The Netball Club has two teams competing this year with the A Grade girls finishing third as well as the F Grade team.

A Grade find themselves up against an always competitive and experienced team in Poowong. The first match up way back in Round 2 resulted in a Catani win by 16 goals followed by the second encounter of an unusually decided draw.

Catani hasn't played in A Grade finals since the split competition and will be looking for this young team (except one) to upset the more fancied Pies.

F Grade has been a long time in the making with a majority of the team starting in 2016 when the team got just one win for the year. With 8 wins last year, finishing third with 12 wins this season has been great for the team and their confidence.

A loss to Dusties in the first meeting the Catani girls let go a good lead to draw the second meeting only two weeks ago. With this age group, it could be anyone's game on the day.

With the vote count held last weekend a big congratulations to all the Best and Fairest Winners and the Runners Up. They'll all be presented along with many other awards at the two presentation events – A.B.C.D Grades on Friday 21st September with EandF Grades still to be determined depending on finals!

BandF: A Grade – Ashleigh Honan; B Grade – Cara Moody; C Grade – Maddy Caddy; D Grade – Stephanie Lee; E Grade – Harriet Louden.

RU: A Grade – Rachel Ronaldson and Jess Brumby; B Grade – Stephanie Lee; C Grade – Kayla Wallis; D Grade – Emily Warren; E Grade – Hannah Warren.

# Ellinbank Club Notes

Here we are at the first week of the finals 2018. We are hosting the Qualifying final on Saturday at Ellinbank Rec Reserve for the first time ever and we hope it goes to plan. We're confident it will! We have great facilities and parking has been sorted with adjacent paddocks available. We thank the Conley's and Blyth's for their cooperation and generosity with the paddocks. On the good news our club has entered the finals series with the Reserves, Under 18s and under 16s in footy and A,B,C, D and F grades in netball qualifying to play. In particular, netball have been really solid again this year with A, B, C and F grade finishing more than 2 games clear on top of the ladder. Huge achievement's as the opposition are hunting us and have earned the week off. It's due to their commitment, hard work and good coaching that get us the opportunity to play finals again. We won't take it for granted! It's been an indifferent year for football in the seniors with injuries playing a part and missing chances along the way finishing outside finals positions. Not the outcome we wanted but that's footy. Congratulations to the 5 senior finalists. The Reserves in finishing 3rd are gaining much momentum and are playing Saturday. Also playing Saturday is D grade at Ellinbank. The junior 18s and 16s are playing elimination Finals on Sunday at Catani and we hope they do well. Get along and support all our teams. Cheer hard and wish them the best of luck. Go Eagles!!

Having the opportunity to host Saturdays Qualifying final for the first time is due to much hard work along the way to the upgrade of our facilities and teamwork in providing the resources and effort to get the job done on many fronts. I thank all involved in getting the place up to tip top condition and helping with any jobs required to make the day happen. Running the canteen and food tents have involved many people and parking the patrons in an orderly fashion is something we have experience with and I thank our key personal on overseeing this requirement. Sounds like the weather will be

good and not much wind at the time of writing so it should be a good day in all. We hope!

We look forward to getting results in our favour but if not we support and applaud our efforts and respect the opposition and umpires regardless of the outcome. We thank our players, coaches and support staff for their effort as there can only be 1 winner on the day. I ask all our players and supporters to be appreciative of every person that has a part to play in getting teams playing and remember that it is a game and we wear our colours and logo with pride. Enjoy your day!

Last week I must say thanks to Jake Harper for noticing the canteen was a bit undermanned serving and jumped in and rolled his sleeves up and stayed there for quite some time. He didn't need to be asked and hence, Jake receives a volunteer of the week award. Thanks and well done. Enjoy your dinner for 2 ar Newmason. Eat, Drink, Relax

Sponsor of the week again goes to a conglomeration of our Major and Gold Sponsors who are loyal supporters of ours and have been for many years. Take note of their name and support them when you can. They are all local businesses and look forward to your support:

*Cutting Edge Electrical, Irwins Stockfeed, Westfalia Warragul, Bunyip IGA, Malady Electrical, Custom Transport Equipment (CTE Equipment), Hotond Homes, DiGrandi Meats of Drouin, ANZ Bank, Bingham Fencing and Hardware of Drouin.*

Once again I mention our Code of Conduct in that we must remember to be respectful to all umpires, players, officials and supporters of both sides. Drive carefully.

In signing off as always, "Just smile and wave".

*Cheers, Rob Pandolfo  
Ellinbank FNC President*

## NETBALL

Lang Lang netballers would like to wish Good luck to all teams who made it into the finals.

Last week was a cold and wet day for the last game of the year. Our under thirteens side who were totally new to each other at the start of the year walked away from their hard game today as mates who have come a long way in netball skills. We would like to thank all the teams, umpires, scorers' friends and family for their support as we gave this hard season our all. We look forward to next year with a young side playing together again and hoping to come into a new season with a bang. Good luck to those in finals. Go Tigers!

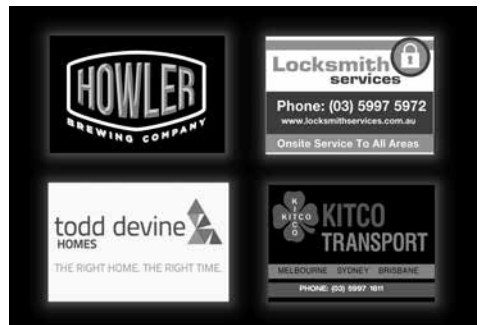

The Under 15s gave it their all against Buln Buln in cold wet conditions but were outclassed on the day. Well done tigers on a good season which was full of ups and downs and injuries. You fought on and never gave up and should be proud.

Well the season came to an end for under 17s but in more ways than one, 5 of the girls played their last ever junior game, going up to seniors next year, so good luck and all the best to Katie, Jaymee, Mikayla, Jess and Carly.

C Grade report. The last game of the year for us and what a fantastic first half we had, the girls really stood up and played some great netball. Unfortunately we dropped off and there was no catching up. The score was not great but there were plenty of positives to take away from the game. Well done girls it has been a good season, enjoy the break and we will see you all next year!

Lang Lang B Grade had a good start against Buln Buln despite the weather, finishing the first quarter down by 3 goals. We weren't able to maintain our intensity for the rest of the game but the girls kept going and had a bit of fun changing up from their usual positions. Best on court went to Melissa for her presence on court, Bree & Trudie for their defensive pressure and determination and Caitlin for her goaling.

A grade had another great win last week against Buln Buln, outscoring the opposition in every quarter. It was a cold and windy day to finish the season but luckily the rain held off for most of the game. Megan was awarded the best on court for her persistence and hard work around the ring. Well done to all the girls, and thanks to Abby and Steph for stepping up into A after playing 17s. Let's come back bigger and better in 2019! Go Tigers!

# Longwarry Club Notes

**SENIORS:** Last week we travelled to Ellinbank for the last home and away game for the year unfortunately we were forced to make a few changes due to injury and illness. Ellinbank started well with the wind and made the early running we managed to wrestle back some momentum and finish off the first term well. The second quarter we couldn't make the most of the wind and scores were level at halftime. The second half was much like the first half you needed to make the most of the wind and score when you had your opportunities in the end we couldn't quite bridge the lead Ellinbank had set up and went down by a narrow margin. This week we look forward to our first final at Ellinbank against the dusties as we start our 2018 finals campaign.

**RESERVES:** Last week we travelled to Ellinbank for the last home and away game for the 2018 season. With top spot still on the line a loss would have seen us fall to second on the ladder and play the first week of the finals at Ellinbank against Ellinbank. With this scenario on the line the boys really showed up to play. The boys played with a will to win and never let their opposition win an easy ball, the final scores were 11-09-75 to Ellinbank 05-04-34. Congratulations to everyone involved for what has been a fantastic year. Very well deserved to finish on top of the ladder and get the first week off in the finals series with hopefully only 2 more wins to go and we will have the ultimate success. Premierships never come easy so let's make sure we get to training and finish off with those hopeful 2 more wins.

**U16s:** It was sunny but pretty windy for our last game of the regular season at Ellinbank. A pretty scrappy affair ensued with Ellinbank putting a bit more pressure on our side than what we were used to from the previous few games. We kept Ellinbank scoreless while we kicked 4.5 for the first half as Big E hit the scoreboard again after a quality "pass" from Liam, Gus kicked one and Harry continued to impress at CHF. The second half was pretty similar with Ellinbank kicking 1.3 to our 4.8. Seb played well in his first game for a while, Puss racked them up in the second half and Harry marked everything that came his way. Well done to Gus kicking 50 goals for the year, taking out the league goal kicking and well done to Bailey Stephens playing his first game in the seniors. Another even performance overall and we now look forward to the qualifying final against Poowong at the same venue.

## NETBALL

**A GRADE:** I could not be more, proud of the way A grade have approached this season. Staying positive, embracing challenges and working as one are just some of the ways I would describe our team. So incredibly with the way we lived our values and represented our club the best way possible, despite our on-court scores.

**B GRADE:** The scoreboard this week didn't show how close the game felt on court. We came out strong finishing the first quarter 2 goals down. We pushed through each quarter adjusting to Ellinbanks positional changes. Though we finished the game with a 9-goal loss on the scoreboard, it was great to see

the team finishing strong, winning the last quarter with 16 scoring shots to Ellinbanks 14. Bring on the finals, Go Crows! Best on: Shae.

**C GRADE:** A tough game of netball was played with both teams strong in defence. Longwarry gave it their all but Ellinbank ran away with the win. Best: Georgia and Bec

**D GRADE:** The girls got off to a good start to lead by 3 at quarter time. Ellinbank turned this around by halftime leading by 1. By the end of the game we were well beaten but the girls showed in the first half that they are capable of matching it against this week's opponent's. Congratulations on a good home and away season finishing 3rd. Good luck in finals girls.

**E GRADE:** 15's got off to a strong start setting up a good lead in the first quarter. From then on they continued to play consistent netball to come away with a strong win. The last half of the season the girls won 8 and a draw against the undefeated Poowong showed the improvement they have made throughout the season. Congratulations on a good home and away season finishing 2nd! Now for finals.

**F GRADE:** The girls have done so well this year. They were unlucky to have missed finals by finishing 6 place on the ladder. I am proud they have improved so much this season and whilst Saturday they came up against the top side, they played till the end with their heads held high. Well done girls, great season.

---

Nilma Darnum Football Club are looking for Junior players to join their Under 16 and Under 18 football team for the 2019 Season.

Do you want to play football at a community and family run club?

All players welcome! If you are or you know of anyone interested in playing, contact Matt Shorey on 0438 573 969.

Congratulations to our C and A Grade teams playing in the qualifying and elimination finals this weekend. Well done to the coaches, Wayne, Nikki and Mel. It is the first time in six years that our A grade team have played in finals. We are pumped!

C grade finished in third place on the ladder and will play Longwarry today. Best of luck girls. There will be some great match ups across the court and will be a thriller.

A grade play Dusties and will be looking for redemption after a well fought out game in the final home and away game of the season. Two very evenly matched teams going head to head. With injuries in our A grade team, we will have some brilliant girls stepping up to fill those spots. I'll be cheering hard this week from the sidelines. We have the depth and

capacity to do this and the whole club works as a team to help one another out. Thank you.

Our B grade only missed out on finals by percentage and last week showed that they could've been right up there, beating Dusties by a few goals. Too many close games throughout the season. Bad luck girls, better luck in 2019.

Our F grade girls finished in equal 6th position and won 7 games throughout the season. An excellent effort. Well done juniors.

Special mention to Em Scott and Tel Webb for their hard work this season in submitting our team scores. We really appreciate your time on this.

## FOOTBALL

After a forgetful final round our seniors move on quickly to focus on the finals, having secured the minor premiership our boys will enjoy the week off while the others go at it. Lets all get behind them!

Reserves finished off the year strongly and should have come away with the win, 5 minutes of poor footy let them down, 2018 will go down as a year of what if's, having been in front of ladder leaders Warragul early in the year this group certainly had what it took to play finals. Well done on a great year, we wait with anticipation to see what 2019 will bring. Stick together and keep improving!

Thirds had a great final game, all of Nyora is proud of this team that came together in the off season, now is the time to be strong and commit to each other for a bigger and better 2019.

## NETBALL

This year our senior netballers made solid improvements, having secured many positive results it gives our club great hope moving forward, look for some positive changes in the off season that will see our great club

begin to rise once again. Well done, girls, for this season, you can be proud!

NFNC makes a formal retraction of the comments regarding EDNA in the round 7 follower from the 26th May 2018

Wow what a year for our junior netballers! With all grades tasting victory this year and F grade finishing it's campaign at 8th on the ladder, we can really look forward to bridging that gap to the top sides even further for next season. Well done, girls!

# Lang Lang Golf Club MVP

Warragul Industrials rover Tyson Bale has won the 2018 Lang Lang Golf Club Most Valuable Player Award. He won by three votes from Catani on baller and last years joint winner Paul Pattison who tied in 2017 with Bale's current team mate Shane Brewster. Buln Buln coach Matt Gray polled consistently to finish in third position with 22 votes – five in arrears of Pattison and eight behind Bale. The 22 year old diminutive rover goes hell for leather at the ball all game and is a deserving winner. He started his career at Buln Buln where he played 56 senior games before a move to Western Park in 2016 and where he has now chalked up over another 50 games. It his second Lang Lang Golf Club MVP Award having also won it in 2014 when he played for Buln Buln in the EDFL East Division competition that year. He wins an annual membership at the Lang Lang Golf Club.

# Poowong Club Notes

We are at the business end of the season and as a club we are in full action on both the footy ground and netball court. Exciting times. Last week against neighbouring rival Nyora was a great way to finish off the home and away series. Wins all round and we got to bring the Demon Cup home for the first time in four and half years!

The vote count on Saturday night was a fitting way to reflect on the year. The casseroles that were presented for our community meal were a credit to all that help prepare them. Our judging team also had their work cut selecting the best of a very good offering. I think everybody was the winner on the night. A huge thank you is also extended to Nathan and Linda Clarke who, through their generosity, allowed everybody to get into the swing of things! Clarky is the very diligent team manager of our thirds who employs a couple of high profile Nyora players in his business and particularly enjoyed the wins on the weekend.

Congratulations to the following footballers for finishing the top of their crop for 2018.

## SENIORS

B&F – Jayden Sullivan

R/U – Chris Robinson

## RESERVES

B&F – Kyle Aitken

R/U – Reese Attenborough

## THIRDS

B&F – Josh McNally

R/U – Darcy Burgess

So, boys, it is time to go to the next level. On Saturday Macca and the Under 16s will be taking on Longwarry at Ellinbank. This should be a ripping game and all players are fit and available. While we have been beaten both times through the home and away season by Longwarry, Macca has belief in the squad and the boys have prepared themselves very well.

On Sunday the seniors and seconds take on Catani at Catani, while the thirds battle it out against Ellinbank. This is an Elimination final – meaning no second chances. Good luck to all teams and dare to dream.

## NETBALL

On the netball court our winners were

C Grade B & F – Sally Wilson

Runner up – Amy Van't Hof

B Grade B & F – Julie Henshall

Runner up – Lily Hawkins

A Grade B & F – Nicole Vamplew

Runner up – Mieke Polman-Short

Congratulations, girls. So how are things at the netball, Nicole?

"As a club we could not be prouder of all of our netballers, coaches and committee. We are all so pumped with the 2018 season so far and we could not be more excited for our footy blokes who have all worked so hard for so long and are now in the finals - absolutely amazing. Such a great time for the club.

"Amazing effort to have 5 of our netball teams in finals this year, a huge improvement on the 2017 season. We cannot say enough what a fantastic effort it is for our girls to achieve this result. Its wonderful to see all the hard work at training and effort put in has achieved such a great result. Its important for us to continue increasing our work rate to really "bring it" in the finals. We love the strength being shown throughout the entire club and can not wait to see our girls in action in the finals. Keep positive, stay focused and enjoy it, chicks!

"GO POOWONG!"

Thanks, Nic.

# Warragul Industrials Club Notes

Last week's game against Nilma Darnum was our final home and away game of the season and now it is a case of heads down as we begin the assault on the 2018 finals. In a game where Dusties were always in control, it did not necessarily show on the scoreboard due to some poor kicking for goal. In saying that, the highlight of the day was that all players seem to be peaking at the right time and a good brand of team football is what has been on display in recent weeks.

Travi O had one of his best games this year and his skill levels on both sides of his body are both first rate and neat as a pin. The "Dynamic Due" Buzz Man and Cooper Minichiello were again in everything as they took the game by the scruff of the neck. Big Dylan Smith has been "Master of the Palm" in recent weeks and has given great first use to our onballers who are reading him beautifully. This man mountain will be a key component going deep into the finals.

The seconds had yet another strong win and are stamping themselves as a possible flag contender. Scotty Lindsey and Damien Mullo were once again strong possession gatherers. Whilst history shows that they are sometimes slow starters, they always seem to come home with the wet spinnaker.

Our thirds were stiff to lose by under a goal to Ellinbank in the catch up game and our fourths went on to win and finish minor premiers three games clear on top of the ladder. The fourths success has been a wonderful effort by Robbie H and his crew to get these kids through the season with this result. Robbie has developed this group of kids into a well-disciplined team and it has been great to watch their growth and comradery over the season. The Club is extremely proud of their collective efforts.

Our 2018 finals campaign for the Football and Netball club

kicks of today and Tomorrow. Our E and F grade will be playing today while our A, B and C grade will be playing on Sunday at Catani. It's a great effort to have so many side represented in the EDNA finals and we wish all our girls success as they work to winning that illusive flag

On the football front our Seconds and Seniors will both be playing today whilst our fourths will have a week off to enjoy a well earned break. To all our players we wish you every success and hopefully we can get two wins under the belt.

*Good luck to all, your POWI*

## Duck Race Tickets

Thanks to all those who supported the 2018 annual Dusties Duck Race last Sunday. In weather considered suitable for ducks, a big crowd turned up to urge their feathered quackers along this year's fast flowing course.

Due to heavy rain on the Saturday the stewards did an assessment of the Bourke Street Creek early Sunday morning and it was moving at a very fast, Warp Factor 5 which probably assisted the Winner "Can't Be Ducked" to break the track record which was held by runner up and past champion "Duck Me." Third place went to that little Peking Battler "Go and Get Ducked".

The only down side to the day was the tragic passing of crowd favourite and veteran "Ducking Useless" who had to be put down at the finish line after sustaining a serious injury from a piece of barbed wire attached to a submerged fence post.

Thanks to club stalwart Ron Woods who did a great job manning the 12 gauge and was only required to have the one discharge on the day.
