SUPPORTING STATEMENT:

Judy was involved at Frankston Softball Association since 1990. Judy had many roles, from President of Frankston Softball Club, Committee Member for Frankston Softball Association and then President from 1999 to 2005, canteen manager, representative team manager and scorer. Judy's commitment to get Frankston Softball Association to a high standard in the softball field was underestimated. She was dedicated to each aspect of the game and spent many hours developing the Frankston Softball Association to what we see today. She guided Malcolm Jansen throughout the years and passed the baton to him in 2007. Judy also played with her beloved Frankston Softball Club and coached the junior teams. Judy was always looking for bargains for the canteen, which she ran every Saturday of her tenure down at Frankston Softball Association. Her hard-working ethic is to be outlined to help get Frankston Softball Association where it is today. Judy was awarded Life Membership for the Frankston Softball Association in 2006.
