Fireflies - Tee ball

Fireflies vs Mermaids, lost 26 - 27

Fireflies

Round 3 and a beautiful Saturday morning saw the Fireflies ready to meet the Mermaids.

All girls found homeplate with Taylor, Mikayli and Ilaria all hitting strongly to help progress that runners around the bases. Violet saw a lot of action at pitcher and saved a run with a put out at home.

Ashlea is proving to be an all rounder with solid field work, crafty running and excellent hitting including powering one to short stop. Gerogia and Charlotte made their mark at catcher while Eeve displayed her versatility by playing 1st, short stop and 2nd base while Captaining the side to a narrow loss, the Fireflies being defeated by 1 run.

The team is learning fast and this is an excellent result after only two weeks. Keep up the good work.

Many thanks to our coaches Lucy and Kasey ably supported by Vanessa. Thanks to Kate for keeping the team provisioned. Enjoy the holiday break and see you on 13 October.

Captain: Eeve

Fallin Angels

B Grade

Eagles Blue put up a valiant effort but were no match for the Fallin' Angels who were on fire!!!

Shaz started the brilliance off with a flying dive, finishing off with a perfect roll to make an awesome catch at Shorty.

Amanda on first base, despite it being her second game back after a long recovery from injury, displayed some amazing stretches and leaps, reminiscent of Mrs Incredible.

Helen (Player of the Match) just seemed to be in the right place at the right time no matter what position she played.

NEXT PAGE ...

Fallin Angels continued ...

There were some exceptions to the brilliance by a few players who decided to show off their prowess at other sports while on the field. Ness thought she might like to take up tunnel ball while Hoolia rather liked the idea of marbles. Gayzee displayed quite an aptitude for lawn bowls, which Kerrie, on first base, didn't find amusing.

The rest of the team were their usual amazing selves both fielding and batting.

KB's pitching with her to-numerous-to-remember K2's. Caroline batted 1000 with a triple in the final minutes of the game (brining in runners 4 & 5 to end the inning & game). Deb and Trudie batting 750 and flawless in their fielding.

The final score 26-7 to the Fallin' Angels. Not only did we win, we had a lot of laughs as well.

Gaye Belbin
Fallin' Angels Player

Fairies - Teeball

Fairies vs Cupcakes, won 44 - 26

After starring on stage during the week as fish, zombies, castaways, lorikeets and Tourists lost in the Daintree, the girls returned to being plain old Fairies to take on the Cupcakes.

On a beautiful morning we batted first and completed the entire inning with no outs. Sophie starred with her first 2 hits bringing home 2 runners each.

Our first fielding inning was probably our best ever! Ella recorded 3 outs, two to Chelsea at catcher and another to Cailyn at first. Matilda and Emily N combined for a great out at 2nd and Eloise also got into the act with some great fielding and throwing to first base.

NEXT PAGE ...

Fairies continued ...

The runs continued to flow in the second inning when Zoe and Emily H both smashed hits outside the diamond.

The highlight of our second fielding inning was a great play by the twins with Harper (I think) throwing to Sophie (I think) at home for the out.

Eloise and Chelsea were the big hitters in the third and we closed out the game with some impressive fielding by Cailyn, Emily N and Ella to record outs. Matilda made the stop of the day snagging a well hit ball that was flying past her left.

This was possibly our best ever performance..... just like the play during the week!

UNIFORM UPDATE

Il we have been super busy trying to get all orders filled and/or ordered. This has been a mammoth task as we have changed all items to the one supplier (sounds simple I know but not really simple at all).

We have been advised that the hats should arrive any day. Shirts and pants that have been ordered are approximately 2-3 weeks away.

Once hats are in and then uniform items we will contact team managers to let them know items have arrived.

Please see updated uniform order form on the next page for current prices.

Thanks,

Jo Stracey & Belinda Hay

Sub-Junior consists of Teeball and Modball players.

Freckles Modball B

Freckles vs Dolphins, lost 25 - 43

Written by Alysia King, Freckles' captain, Round 2

It was our second game of the season and it was also Olivia's birthday. Happy Birthday Olivia!

We were up against the Dolphins who had some great fielding skills. They managed to get a few of us out at first base, and a couple of tags too which surprised a few of us new players as we haven't done much of those at training. One of the Dolphins also hit a HOME RUN!

NEXT PAGE ...

Freckles continued ...

Lauren was very active during the match. She hit a great shot which allowed us to get a few players home, then Lauren and Jet fielded the ball well to get someone out at second base. Lauren and Charlotte also fielded well to get a runner out at home base in the last play of the match. It was Charlotte's first time as catcher and she played really well.

Our batting is getting better and a few of us are now able to hit the ball without the tee. I'm sure we will get better later in the season. We also saw some great diving during fielding from Aurelia.

The new players are really enjoying being part of the team. Thank you Janine for teaching us how to play and to all the Mums and Dads for helping out.

Coach's comment: Game 2 was already a big improvement girls and you should be very proud of how all of you are playing. Especially our 6 new players!!! Great to see each and every Freckle cross home plate on Saturday. Let's keep enjoying ourselves out on the diamond and you'll be amazed how much you will learn in the next few games

~ Janine

Foxes - Division 3A

Foxes vs Pirates, lost 15 - 6

It was an amazing second game for the Forest Allambie Foxes. Our batting, fielding and running between bases was phenomenal. We played well as a team considering we had 2 new players Niamh and Jasmine who we only got to meet in the warm up and we welcomed Tash who was playing her first game back after fracturing her wrist in the soccer season.

It was a tough game and only a few people ended up hitting off the pitch. Elita got injured in the last minutes of the game, fracturing her arm. The Foxes wish you a fast recovery Elita!

Well done Foxes! by Milli Hall

Fever - C Grade

Fever 19 defeated Dragons 10

It was another great performance by the girls on Saturday highlighted by strong batting from the whole team. The other highlight was some amazing fielding by Deb at short stop, with full length dives to field the ball followed by throws to 1st base from her knees.

We of course also welcomed back one of the original Fever's Bib Moss. Her Achilles held up well as did her typical constant banter. It's great to have you back.

Bib, Jen and Jane pitched brilliantly as usual. And our fielding was again fantastic.

Proud of you girls. Go Fever.

Doug Freeman
Coach

TEAMS,

1. Please contribute to our weekly newsletters. We love reading your match reports and seeing your photos. The more content the better. We believe this is one of the best newsletters in the softball association!
2. To view all our newsletters of the season [click here](#).
