Dear Clubs,

Please be advised of the following process changes which will affect your administration for season 2019.

Football Victoria (FV) will be using JotForm to assess both Match Investigations and Dispensation requests. Implementing these processes ensures that Football Victoria can assess each request/submission with all required information to provide the most justified outcome possible. Please click on the below links to be redirected:

- [Request for Match Investigations](#)
- [Geelong Post match Submission Form](#)
- [Dispensation Requests](#)

Match Investigations

Match Investigation requests must be completed with all required documentation and evidence as set out in the 2019 Rules of Competition. This includes but not limited to:

- Full match record – Any disputed information must be signed and circled as per the Rules of Competition
- Video and/or photographic evidence
- Witness or victim statements
- Statutory Declaration
- Any other evidence that may be relevant to the investigation

Ensure that any match investigation submitted to FV Competitions meets all requirement as set out in the Rule of Competitions. FV will not investigation any request that is received via email.

FV will not investigate any request for a match investigation that does not have all required evidence.

Geelong Post Match Submission Form

In Season 2019, FV will again use the Geelong Post Match Submission Form to assess the Best & Fairest awards for each Geelong Competition.

Every match excluding Miniroos Competitions will require the submission of this form. If an FV referee **doesn't** cover the fixture, the home club will need to submit the form along with the Best & Fairest Votes. If the match is covered by an FV official it will be their responsibility to submit the form.

Dispensation Requests

Requests for Dispensations must be completed with all required supporting documentation as set out in the relevant Rules of Competition. Please ensure these requests are submitted in whole as email submissions will not be reviewed.

Regards,

Bradley Atholwood

Geelong Competitions Coordinator
