2019 Assessment Survey – Values

Below is a selection of “values” to be used as the basis of Recommendation #1, arising from the 2019 Assessment Survey, for member consideration and feedback:

Recommendation #1: “Establish a set of Values to encapsulate and formally recognise the core principles of Hunter AFL Masters that guides member behaviour and motivates organisational decisions.”

- **Footy for Fun:** A football club with a strong, optimistic culture, that promotes friendships, networking, and socialising together in a flexible and affordable environment.
- **Respect & Recognition:** A football club that shows consideration to members, umpires, supporters and other competitors, and acknowledges the accomplishments of its people.
- **Trust:** A football club that communicates clearly and welcomes feedback from its members, and where people have confidence in each other and the leadership of the organisation.
- **Inclusiveness:** A football club that welcomes people to the club, regardless of skill, age, background, ethnicity, or gender, and that appreciates the differences of its people.
- **Community-minded:** A football club that works together to achieve outcomes for the benefit of the community, and that presents itself as a united organisation.
