

Competition Update #6

Wednesday 29 May 2019

- **FIXTURE FOR THE SEASON**

We run alternative programs/games if a division has a scheduled bye due to uneven number of teams in their competition. **Bye teams participate in Cross Division Games, 3X3 games or This Girl Can Program. The PDF Fixture document on our home page has times and courts.** The electronic Fixture will show a bye BUT look at the PDF for your game or program time.

FIXTURE CHANGES for all teams

When setting up the fixture the 27 July was not entered as an exclusion date. We are unable to get courts at MSAC on that day. I have amended the error so please check your game dates. There are no games on 27 July and the fixture now runs through to Saturday 12 October as per the calendar. There are the same amount of games.

NO GAMES on the Saturday 8 June, Queen's Birthday Long Week End.

ONLY 6 MSAC COURTS NOT AVAILABLE on Saturday 15 June

An alternative Fixture will be sent out asap. Some games will be moved to Elwood Secondary College. There will be no spare courts at MSAC. Cross Division games, 3X3 games and This Girl Can Program will be cancelled with all those teams taking the bye.

GAME VENUES

Managers are asked to ensure that all team members know that some games may be played at South Melbourne Primary School. The side entrance is on Ferrars Street. Game times differ from the MSAC times. The entry fee of \$2 player and/or spectator is the same at all our venues. If going between venues you need pay at one venue and ask for a cross venue pass that will allow you entry to the other venue.

- **ON – line REGISTRATION PROCESS CLOSED**

Last week we had a score sheet and registration BLITZ. Annoying for some at the time but now we have information that should have been provided weeks ago.

- **SCORE BENCH OFFICIALS**

Parents on the score bench need to know how to score and if they don't know then they need to ask for assistance. No children should be sitting on the score bench. Each team needs to provide 1 person for scoring. Both people on the score bench need to talk to, communicate with each other throughout the game. It is not an excuse for incorrect scoring to say "I wasn't doing that part". Both scorers are responsible for accurate scoring. The score sheet is the official record of the results of the game.

- **UNIFORM REMINDER**

All teams should have uniforms sorted by now. Singlets can be borrowed from us on a Saturday 10 mins before your game if there is a clash of colours.

- **GRADING CHANGES**

There has been a change in the Denver Nuggets (Boys) Competition. PP Elwood Suns are now in Div 3 and Two Blues Dunkers are in Div 1. Fixture has been changed accordingly.

- **BIKE THEFT at MSAC**

A couple of our players have had their bikes stolen from the MSAC bike racks while they were in the Basketball Stadium. Bikes were locked but the thieves came prepared with bolt cutters.

- TEAM DOCUMENTS**

Katherine is doing an amazing job chasing the documents that are required for each team. Please bring in a photo copy of your Working with Children Card, the Basketball Victoria Member Protection Stat. Dec. and a team photo.

COACH / MANAGER LANYARDS

Please collect these when collecting your game sheet otherwise you will be required to pay the \$2 entry fee.

- COMPETITION UPDATE**

Competition Update #6 will be on our Home page so that you can direct your players to read the information.
Rosemary – Competition Administrator
