

VALE - Ruth Ridge

We recently lost one of our most ardent supporters and a founding member of the Bendigo Yacht Club with the passing of Mrs Ruth Ridge.

Ruth was an integral member of the club, who was always happy to assist in any way. A wealth of knowledge, wisdom and club history.

Our thoughts and sympathy to Don and family on their great loss.

ICE BREAKER REGATTA OFF THE BEACH

what a wonderful turnout for this event, visitors from all over the state came in support of this annual regatta, in excess of 60 participants.

A highlight was our spit roast, enjoyed by so many of our competitors and guests, providing good food, drinks and great company. Oh, and watching the semi finals on the TV!

September Working Bee

Great achievements, thank you to great number of members who were instrumental in getting us “up and running” ready for the Icebreaker Regatta.

In particular the new fire pit and camping area.

Our new “fire pit” in action, great idea and quick work by our commodore,
