

10 November 2016

Dear Player,

You are invited to participate in the 2016/2017 Brisbane North Summer Development Program (male and female aged from 12 to 17).

The Brisbane North Summer Development program aims to help prepare players for club, regional and state football by improving the fundamental AFL skills. The focus of the summer program is mainly to improve skills, develop better training principles and increase the players' game sense knowledge. David Harding will be overseeing all three programs this year.

The cost of the program is **\$125.00** which includes each participant receiving the following:

- AFL Queensland Talent branded singlet and cap
- 8 week training program, including a Gala Day (9-a-side competition)
- Coaching and support from Level 1,2 and 3 accredited coaches
- The use of great facilities and resources
- Support and guidance from AFLQ Staff

All players will be given a training singlet and cap on the first night. Training singlet is to be worn to all sessions along with white shorts and white sports socks. Football boots, runners, mouth-guard and a towel should also be brought to each session.

If you would like to commit to this program, please complete the online form and payment via the link below by **5pm Monday 19th December 2016**. We understand that you may have other commitments during this time that may impact on your availability.
