From the President ...

Welcome to 2017 and thank you to all the parents who offered to volunteer their time to help your club, especially the recent appointments onto our Junior Committee. The Warriors are a 100% volunteer run organisation and ask for understanding regarding any administration questions as the office and phone is only answered when a volunteer has the time available.

2017 will be an enormous year for the Warriors. In October St Clair, our home, will be demolished and a new five court stadium including a show court and clubrooms will be built. The build time will take between 14 – 18 months and during this time will be training and playing at venues in the western suburbs. The board has been shown plans and met with council and architects to provide feedback on the internal layout.

If you would like further information or get involved, council is looking for ideas regarding the space outside of St Clair. They are holding an open day at St Clair on the 4th of March from 11am – 4pm or click on the link below:

<http://yoursaycharlessturt.com.au/St-Clair-Precinct>

Congratulations to our head coach Scott Whitmore who coached the SA u20 Men's team to victory at the recent Australian Championships. This was a huge accomplishment for Scott and his team.

To all the teams competing in Summer Finals, congratulations and all the best.

Craig Gilbert
President

WOMEN'S PREMIER LEAGUE IMPORTS

The Woodville Warriors are happy to announce the signing of their Women's imports for 2017, Ashley Claussen and Jennifer Monroe.

Ashley is a stand out NAIA All American Guard from Southern Oregon University, whilst Jennifer comes to us out of Anderson College, South Carolina where she won the South Atlantic Conference Player of the Year!

Coach Scott Herriman had this to say about our latest signings:

"Both Ashley and Jennifer come highly touted from opposition coaches and help us with our depth. Both players bring attributes to the table that suit our style of play at their respective positions and I am confident they will have a positive contribution to the team."

Welcome to the Warriors Ashley and Jennifer!
