

northside fUTSaI club Scholarship Award Program

In conjunction with UTS Sport, UTS Northside Futsal Club is pleased to announce the establishment of an additional UTS Elite Athlete Program annual scholarship, recognising the sporting talents of two players from the UTS Northside Futsal Club that apply and are ultimately accepted into the UTS Elite Athlete Program. The scholarship amount of \$1,000 is in addition to any other arrangements that might apply.

The combination of elite sport and University education is difficult to say the least, and it takes a very special kind of person to excel in both.

For the scholarship to be **AWARDED** (maximum x2) Northside Futsal Club players:

- I. Must be a registered UTS Northside Futsal Club Player for the 2017-18 season
- II. Must apply and be accepted for a place at University Technology Sydney (UTS) in 2018
- III. Must apply and be accepted into the UTS Elite Athlete Program for 2018
- IV. Must submit a complimentary application to the UTS Northside Futsal Club no later than 31st January 2018 explaining why the scholarship to UTS and entry to the Elite Athlete Program is deserved
- V. Subject to UTS confirmed start at the University, the scholarship/s to be awarded at the UTS Northside Futsal Club end of Season presentation & awards evening (March 2018).

- II. Attend and represent Futsal on the Futsal stand at the UTS O (Orientation) Day and Clubs Day events
- III. Represent UTS and compete in the Futsal competition at the 2018 University Games in the capacity of at least one of three roles... Player, Coach or Manager

As the UTS Northside Futsal Club playing squad is selected on merit each year, winning the scholarship does not automatically mean selection for the following season however, if selected to represent the club for the following 2018-19 season, there is the further benefit of a \$0.00 registration fee.
